AMEND AND EXTEND PUMPS CONTRACTS (ORDINANCE S-45417)

The purpose of this correction memo is to clarify Item 40 on the March 20, 2019, Formal agenda. The Water Services Department seeks to clarify that various pumps, pump parts, pump maintenance, and repair services were included in the original contract approved by Council on March 19, 2014. The intent of the contract is for the purchase of pumps and pump parts. The maintenance services are a minimal part of the contract. In the previous 5 years, Water Services has expended \$8,925,823.60 on pumps and pump parts and \$15,792.50 in maintenance and repair. The six-month contract extension will primarily be used to purchase pumps and pump parts.
