City of Phoenix

PLANNING AND DEVELOPMENT DEPARTMENT

Addendum B **Staff Report Z-86-18-2** **September 9, 2019**

<u>Deer Valley Village Planning Committee Meeting Date:</u>	September 19, 2019
<u>Planning Commission Hearing Date:</u>	October 3, 2019
Request From:	<u>S-1</u> (Ranch or Farm Residence) (18.13 acres)
Request To:	<u>CP / GCP</u> (Commerce Park / General Commerce Park) (18.13 acres)
Proposed Use:	Recreational Vehicle and Boat Storage Facility
Location:	Northeast and southeast corners of Black Canyon Highway and the Dynamite Boulevard alignment
Owner:	The Prescott Valley Company
Applicant:	Fortress RV Storage, LLC - Mark Temen
Representative:	Lazarus, Silvyn, & Bangs, PC
Staff Recommendation:	Approval, subject to stipulations

The purpose of this addendum is to address modifications made by the applicant to the size and application area, which subsequently resulted in changes to the provided site plan. In addition, the addendum incorporates stipulations that had been proposed prior to the hearing before the Phoenix City Council on July 3, 2019.

On July 3, the City Council held a public hearing on the request, but ultimately decided to remand the case back to the Deer Valley VPC and Planning Commission so that a formal recommendation could be made by the Deer Valley VPC.

The applicant has since updated their site plan and request area to include an additional 7.12 acres to the east for a total request of 18.13 acres. The updated site plan reconfigures the layout of the proposed development to move the majority of the proposed recreational vehicle and boat storage facility away from the multifamily residential development to the north. The most northern parcels remain in the rezoning request but are not included as part of the proposed recreational vehicle and boat

storage development, as shown on the updated site plans date stamped August 16, 2019 and September 9, 2019.

Staff has updated the stipulations for appropriateness with the revised plan. The proposed changes are as follows:

- a. Updated the date of the site plan in Stipulation No. 1 regarding general conformance to the site plan
- b. Eliminated Stipulation Nos. 5 and 6 regarding additional landscape setbacks because the proposed setbacks are included in the site plan stipulated to general conformance in Stipulation No. 1.
- c. Remove previous Stipulation Nos. 15 and 18 regarding hours of access to the northern portion of the site and dedication of public access along the southern portion of the property due to reconfiguration of proposed storage facility.
- d. Updated requirement for wall height adjacent to eastern property line in new Stipulation No. 14 due to site reconfiguration.
- e. Added a stipulation requiring the applicant to submit a site plan and building elevations for the northern portion of the site. The proposed language contained in Stipulation No. 16 requires review and approval through a public hearing process.

Prior to the City Council meeting on July 3, 2019, the applicant worked with nearby residents and requested an additional stipulation limiting operating hours. In addition, staff clarified the intent of a stipulation regarding maintenance facilities on the site. These modifications were included in the July 2, 2019 memo from the Planning and Development Director to the City Council and incorporated below in **BOLD** font below.

Further, this addendum contains additional letters of correspondence and a petition which is included as an exhibit to the addendum. Some of this correspondence was provided to the Deer Valley Village Planning Committee previously but was not formally included in the original staff report.

Staff recommends approval of the request subject to the stipulations below based on the revised request. These proposed revisions are shown in **RED BOLD** font for clarity

Revised Stipulations:

1. The development shall be in general conformance with the **MASTER** site plan **AND THE ZONING EXHIBITS WITH SETBACKS PLAN** date stamped ~~January 29, 2019, MARCH 8, 2019~~ **SEPTEMBER 9, 2019**, as modified by the following stipulations and as approved by the Planning and Development Department.
2. Drought tolerant, 3-inch caliper evergreen trees 20 feet on center or in equivalent groupings shall be provided in the landscape setback areas, as

approved by the Planning and Development Department.

3. All perimeter walls shall incorporate stone veneer, stonework, integral color CMU block or faux stone, and be compatible with the existing wall on the northern most property lines, as approved by the Planning and Development Department.
4. A minimum landscape setback of 30 feet shall be required along the west property lines, as approved by the Planning and Development Department.
5. ~~A minimum landscape setback of 20 feet shall be required along the north and south property lines, as approved by the Planning and Development Department.~~
6. ~~Minimum landscape setbacks shall be provided as follows along the eastern property line as depicted in the setback exhibit dated January 29, 2019 and as approved by the Planning and Development Department.~~
 - a. ~~A minimum setback of 20 feet for the northern 420 feet.~~
 - b. ~~A minimum setback of 15 feet for the middle 343 feet.~~
 - c. ~~A minimum setback of 10 feet for the southern 160 feet, terminating at the 20-foot landscape setback along the southern property line.~~
7. The developer shall coordinate access and frontage requirements with the Arizona Department of Transportation.
8. The developer shall record a Notice to Prospective Purchasers of Proximity to Airport in order to disclose the existence and operational characteristics of Phoenix Deer Valley Airport (DVT) to future owners or tenants of the property.
9. If determined necessary by the Phoenix Archaeology Office, the applicant shall conduct Phase I data testing and submit an archaeological survey report of the development area for review and approval by the City Archaeologist prior to clearing and grubbing, landscape salvage, and/or grading approval.
10. If Phase I data testing is required, and if, upon review of the results from the Phase I data testing, the City Archaeologist, in consultation with a qualified archaeologist, determines such data recovery excavations are necessary, the applicant shall conduct Phase II archaeological data recovery excavations.
11. In the event archaeological materials are encountered during construction, the developer shall immediately cease all ground-disturbing activities within a 33-

foot radius of the discovery, notify the City Archaeologist, and allow time for the Archaeology Office to properly assess the materials.

- ~~42.~~ 10. PRIOR TO PRELIMINARY SITE PLAN APPROVAL, THE LANDOWNER SHALL EXECUTE A PROPOSITION 207 WAIVER OF CLAIMS IN A FORM APPROVED BY THE CITY ATTORNEY'S OFFICE. THE WAIVER SHALL BE RECORDED WITH THE MARICOPA COUNTY RECORDER'S OFFICE AND DELIVERED TO THE CITY TO BE INCLUDED IN THE REZONING APPLICATION FILE FOR RECORD.
- ~~43.~~ 11. NO **MECHANICAL OR BODY REPAIR/MAINTENANCE** FACILITIES SHALL BE PERMITTED ON THE PREMISES **AS APPROVED BY THE PLANNING AND DEVELOPMENT DEPARTMENT**.
- ~~44.~~ 12. LIGHTING SHALL BE SHIELDED WITH CUT-OFF FIXTURES AND DEFLECTORS TO REFLECT LIGHT DOWNWARD AND LIMIT ON-SITE LIGHTING LEVELS TO A MAXIMUM OF ONE-HALF FOOT CANDLE AT THE NORTH AND EAST PROPERTY LINES.
- ~~45.~~ STORAGE ACCESS TO THE NORTH PORTION OF THE SITE, FOR PHASE II OF THE DEVELOPMENT, SHALL HAVE LIMITED HOURS FROM 7:00 A.M. TO 9:00 P.M.
- ~~46.~~ 13. **STORAGE ACCESS TO THE SOUTH PORTION OF THE SITE (APNS 205-01-001E, 205-01-011H AND 205-01-011X AS SHOWN ON THE ZONING EXHIBITS WITH SETBACKS PLAN DATE STAMPED SEPTEMBER 9, 2019), FOR PHASE I OF THE DEVELOPMENT, SHALL HAVE LIMITED HOURS FROM 5:00 A.M. TO 10:00 P.M.**
- ~~46.~~ 14. THE MINIMUM WALL HEIGHT ALONG THE SOUTH **PROPERTY LINES** AND **THE EAST PROPERTY LINES ADJACENT TO MULTIFAMILY RESIDENTIAL ZONING** SHALL BE NO LESS THAN 8 FEET.
- ~~48.~~ **A MINIMUM 25-FOOT PUBLIC ACCESS AND PUBLIC UTILITY EASEMENT SHALL BE DEDICATED ALONG THE SOUTH PORTION OF THE SITE, TO ALLOW FOR UTILITIES AND ACCESS TO THE PROPERTIES TO THE SOUTH AND EAST AS APPROVED BY THE PLANNING AND DEVELOPMENT DEPARTMENT.**
- 15. FOR THE FUTURE GENERAL COMMERCE PARK OPTION DEVELOPMENT AREA (APNS 204-23-001A AND 204-23-009D AS SHOWN ON THE ZONING EXHIBITS WITH SETBACKS PLAN DATE STAMPED SEPTEMBER 9, 2019), A CONCEPTUAL SITE PLAN AND BUILDING ELEVATIONS SHALL BE REVIEWED AND APPROVED BY THE PLANNING**

HEARING OFFICER THROUGH THE PUBLIC HEARING PROCESS FOR STIPULATION MODIFICATION PRIOR TO PRELIMINARY SITE PLAN APPROVAL. THIS IS A LEGISLATIVE REVIEW FOR CONCEPTUAL PURPOSES ONLY. SPECIFIC DEVELOPMENT STANDARDS AND REQUIREMENTS MAY BE DETERMINED BY THE PLANNING AND DEVELOPMENT DEPARTMENT.

To; Alan Stephenson, Director City of Phoenix Planning and Development Department
From: Cliff Freedman, President of SCIA – Sonoran Citizens Improvement Association

Subject: Submittal of Letters of Support for Case number ~~ZA~~-86-18- RV & Boat Facility

Dear Mr. Stephenson

Please find attached 131 letters in support of the RV & Boat storage facility located on the Black Canyon Freeway and Dynamite Road.

Our community association along with several hundred homeowners see this use and a very valuable use for those of us live in the Sonoran Mountain Preserve. As you know we are all confronted with CC&R's that restrict and prohibit the storage and parking of RV's and Boats on our individual properties. Because of this along with the high demand for outdoor storage and low supply of storage spaces available we are in support of this valuable amenity.

We have worked tirelessly to canvass and speak with individual homeowners in the area adjacent to the site and have found this use to be well received by the Sonoran Mountain residents.

We have additionally worked with the developer to stipulate to conditions that would restrict the use of the site to Boat and RV storage only, improve the site plan with enhanced landscape, security, and screening. Additionally, the developer has agreed to restrict operating hours to 10:00PM.

We look forward to attending the hearing scheduled for July 3, 2019 at 10:00 am and would greatly appreciate it if you could distribute these letters of support to each City Council office.

Respectfully,

Cliff Freedman
President of Sonoran Citizens Improvement Association

STATEMENT OF SUPPORT

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dynamite & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

Be a welcome amenity to the I-17 corridor.
Bring needed sales taxes and jobs to the City of Phoenix area.
Bring premier and high-quality RV and Boat storage to the area.
Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

STATEMENT OF SUPPORT

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dynamite & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

Be a welcome amenity to the I-17 corridor.
Bring needed sales taxes and jobs to the City of Phoenix area.
Bring premier and high-quality RV and Boat storage to the area.
Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

STATEMENT OF SUPPORT

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dynamite & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

Be a welcome amenity to the I-17 corridor.
Bring needed sales taxes and jobs to the City of Phoenix area.
Bring premier and high-quality RV and Boat storage to the area.
Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

STATEMENT OF SUPPORT

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dixileta & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

- Be a welcome amenity to the I-17 corridor.
- Bring needed sales taxes and jobs to the City of Phoenix area.
- Bring premier and high-quality RV and Boat storage to the area.
- Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dynamite & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

Be a welcome amenity to the I-17 corridor.

Bring needed sales taxes and jobs to the City of Phoenix area.

Bring premier and high-quality RV and Boat storage to the area.

Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

STATEMENT OF SUPPORT:

By signing my name below, I acknowledge that I have met with representatives of the Fortress Development team; that I am a resident of Phoenix, Arizona; and that I support Fortress RV & Boat rezoning application, (Z-86-18) for the approximately 10.5 acre site at the northeast corner of Dixileta & Interstate 17.

The proposed project will include (1) Limiting height to 18' (2) Premier shaded and enclosed RV and Boat storage units only; (3) Enhanced landscaping; (4) Private Inward facing shaded and enclosed spaces; (5) Development of a vacant parcel with enhanced landscape and architectural features.

THE FORTRESS RV & BOAT DEVELOPMENT WILL:

- Be a welcome amenity to the I-17 corridor.
- Bring needed sales taxes and jobs to the City of Phoenix area.
- Bring premier and high-quality RV and Boat storage to the area.
- Develop a vacant parcel of land, with a compatible, high quality land use.

By signing below, I give my support to the Fortress RV and Boat, rezoning application (Z-86-18).

Sage Luxury Apartment Homes

Dynamite Apartments 1 LLC, 31731 Northwestern Highway, Ste 250W, Farmington Hills, MI 48334 (248) 855-5400

March 8, 2019 (revised from previous 2-13-19 letter)

City of Phoenix Planning and Development Department
200 W. Washington Street, Second Floor, Phoenix, AZ 85003
Attn: Nick Klimek - Planner for Deer Valley District

Re: Objection to Rezoning Case Z-86-18-2 on the Black Canyon Highway Service Drive at the Dynamite Boulevard Extension (revised from 2-13-19 letter)

Dear Mr. Klimek,

Please inform the Deer Valley Village Planners and City of Phoenix Planning Commissioners that, as a neighbor directly adjacent to the north and east, **we strongly object** to the proposed Rezoning of this property for use as an outdoor Boat & RV Storage Facility. We have reviewed the provided (and sometimes conflicting) information, and felt it important to voice our concerns. Before we identify specific concerns, it is important to note we have no record of being invited to any Neighborhood Meetings. We were, therefore, not present to participate in the public meeting discussion. As the neighbor most immediately impacted by this use, representing over 300 units and about 600 residents (not including phase 2 with 232 more units and maybe 500 more residents), we would have expected to be invited or at least received a call. The Developer has since informed us it was an error in label printing, and the Developer did provide us with information and answer questions in a recent conference call.

Our objections regarding the Use and Plan are as follows:

City's goal of a balance between housing and jobs is not met. The General Plan and Land Use Map envision Residences or Employment Centers for this area. Deer Valley's official brochure states that one of its principles is to balance housing and employment. A Commerce Park with businesses in a campus-like setting provides the opportunity for numerous well-paying jobs. Higher-density housing brings more residents (and their income) into the area. An outdoor storage facility with 24-hour keycard access will do neither. It will have at most few employees. This rezoning/development doesn't match the vision outlined by the General Plan. Has the Applicant provided information about the permanent jobs created by this project? Using generally conservative employment numbers of 25 people per acre for a suburban commerce park (upwards of 30 – 35 for light manufacturing and software/GIS), we estimate a commerce park on this site would employ approximately 275 people, 750 people total if it were expanded into the parcels whose road access this project will cut off. At 14.5 units/acre, a higher density residential development like the one recently proposed just south of this site, could provide 159 housing units, or up to 434 units if the adjacent 19 acres are included instead of being cut off from full access to the Service Drive. This proposed rezoning/development seems to go in the opposite direction of the goals set forth in the General Plan for Deer Valley, and at very least prevents the highest and best use of the remaining 19 acres of residentially zoned parcels.

Boat and RV Storage is a special use for a reason. Boat and RV Storage is listed in the Ordinance as a special use because it is not a reasonable use under most circumstances. It is only reasonable under certain circumstances. The Special Use category was made to protect area residents and property owners from development that is not suitable for the specific circumstances. Inserting a 24 hour a day outside business next to our development with 304 apartments with nearly 600 residents, including families with children, plus our future phase and the other adjacent residential uses with by eliminating a road extension and limiting the potential for adjacent development to whatever works with a only 20' access easement is not beneficial to the area. The rezoning for this development runs counter to all the protections the Ordinance puts in place.

The plan attached to our notice is not the same plan as reviewed by the City. The plans we've received are different and have different dates. We expect to be given accurate information when asked to comment on such an important subject. The information on the current (?) plans also does not match the information stated on the website advertising the Fall 2019 opening of this storage development. Regardless of which information is correct, this proposed development greatly impacts our residents, our business, and our high-end community, and jeopardizes the attractiveness of Sage Luxury Apartments.

Why are the future road extensions no longer important? The proposed development eliminates 2 future road extensions that would allow full development the acreage parcels east of this development. It eliminates the proposed Dynamite Boulevard extension and it leaves only a 20' easement for Oberlin Way along its south edge for access to this remaining acreage. This proposed outdoor storage development restricts future development of the rest of this area west of the Wash, by our calculations, upwards of 19 acres. When Sage Apartments was developed, we were required to leave room for a cul-de-sac for the Dynamite Blvd extension. We omitted some parking, added walls and 2 gates, and configured our pool area accordingly. Now the City appears unconcerned that road access that would have served our site (additional access and emergency access) plus provided access to undeveloped parcels is being eliminated. The 1/4 cul-de-sac shaped area that would be left vacant in the corner of our site will be costly and inefficient to reclaim.

This storage yard will be developed in phases, with the southerly parcel being developed first, the northerly parcel second and the office building developed third. If Phase 1 is completed and less successful than anticipated, then Phase 2 might not be developed for many years, if ever. The neighbors will be left with a bunch of storage canopies, a half-installed wall, no business office, no chance for a Dynamite Road extension, and the wasted potential for additional development on the remaining parcels to the east. Usually when a development includes a road that is supposed to extend through it, that road is extended through the development. At very least the developer dedicates the necessary land for the future r.o.w. and design their site accordingly. Nothing is dedicated for Dynamite Blvd and only 20' is dedicated to Oberlin Road. The smallest road r.o.w.s allowed by the City are 50' to 60' wide. Is the McDonald Trust, the property owner to the south, willing to dedicate 30' to 40' (10' to 20' more than the storage site) to preserve the other property owners' rights for access? Eliminating the potential for road access into these easterly parcels is denying the owners and neighbors of the benefits of the highest and best use of those parcels. Eliminating the Dynamite Blvd extension is not in the City's or the neighbors' or the public's best interest.

The Applicant's Traffic Study starts with a disclaimer. It states that they have no real data for Boat & RV Storage businesses. It is unreasonable to ask neighboring property owners and municipal officials to evaluate the impact of a specific site use, when one of the key topics, traffic impact, is estimated based on presumptions. The traffic study doesn't seem to take into account that many trips to this Site actual generates 2 trips through the northbound service drive's intersection with Jomax Road (see below). Also, without actual Boat & RV Storage data, the peak hours of a.m. and p.m. usage are unknown. Knowing when most of the traffic will occur would be necessary to truly determine the impacts and appropriate mitigation for this site.

The applicant's stated decrease in traffic doesn't paint the whole picture. It is likely true that the total amount of daily traffic will likely be less. The more importance fact is that people with fishing boats or ATVs will probably pick them up very early in the morning, on the way to the lake. They might pick their boat or RV up the day before, on their way home from work, during rush hour, or at night after they are done with dinner and the kid's homework. The point is they won't be picking up or dropping off their Boat or RV mid-day. They will be picking up or dropping off their Boat or RV at the lease convenient times for the adjacent residential uses. In addition, the applicant states that nearby RV resorts to the north is a reason for the placement of this storage facility. This highlights a larger issue. There is no on-ramp from the service drive to I-17 North at the Dixileta Overpass so traffic from this site cannot head directly north. There is a service drive and northbound on-ramp north of the 303 overpass, but there is a 0.7 mile gap in the service drive between Dixileta and the 303 overpass. North of the Dixileta Overpass, the service drive turns east and connects to North Valley Pkwy, but that part of the service drive is only for the City Transfer Station and Mine Traffic. All other traffic can be ticketed. To access I-17 North from properties on the east side of I-17 north of Jomax must drive north on service drive and cross over I-17 on the Dixileta Overpass, then drive south on service drive to cross over I-17 on the Jomax Overpass, then drive North on service drive to I-17 North on-ramp, for a round trip of about 4 miles. This trip requires a client of this proposed storage site to pass through the Jomax/northbound service drive intersection twice for every trip that continues north on I-17. The total trips associated with picking up an RV also increase if 2 people take a car to pick up a drivable RV, then both vehicles head back home to prepare the RV for a later trip.

The applicant's narrative states there is a significant deficiency of demand over supply. If there is a deficiency of demand over the amount of storage available, then this development is not necessary. If they mean there is a deficiency in supply, then they should indicate why the 426 vehicles current parked for free at home will be moved to a new facility that charges rent. Are every one of these 426 boats/rvs parked illegally?

Conformance with and Support of the Core Values. We do not recognize that outdoor storage celebrates a diverse community, and renting a storage space provides any strengthening of the local economy. We have read the statements provided. They are "a stretch". If anything, as proposed this development will weaken the economy by only providing a few jobs while greatly restricting the potential development on the adjacent properties (by eliminating the road extensions)

The staff Report states it is compatible with adjacent residential uses. A 24-hour business that involves 24-hour security lighting plus loading and unloading trailers in the morning and evenings is not compatible with residential uses adjacent and very close by. The proposed use will really be a nuisance for the area residents. Boat owners and ATV owners will start their motors to make sure they are running properly, and maybe even perform a tune-up before they head to the lake or trails,

adding new noise levels to the clanging and banging of trailers. Most of this noise will occur early in the morning or in the late afternoon/evening.

The staff Report states it will generate little traffic. We urge the City to carefully assess the real traffic impacts of a development like this. We acknowledge it will likely generate less total traffic than many other Uses, but we doubt the traffic it generates is spread out over the whole day, and there is probably little traffic during the normal business day when staff is onsite. Since this site deals in the storage of recreational vehicles of all sorts, its weekday traffic will likely be before and after work hours and its weekend traffic will be primarily late Friday evening or very early Saturday morning for pick-ups and very late Sunday evening for drop-offs. (See the above statement about traffic)

The staff Report states the plan includes impact-mitigating features. No features have been included to mitigate the impact to future development by eliminating Dynamite Boulevard and Oberlin Way. Also, has the lighting plan been studied as it relates to 24-hour lighting? Pole lights in an open parking lot reflecting off large vehicles will create a considerable amount of light, even if the light fixtures are top-shielded. If all the storage parking spaces are covered, then the light will be reflecting off of large and much taller galvanized metal roofs. Has a mitigation feature for loud sounds late at night or early in the morning been identified? Someone hooking up their boat early in the morning to go fishing will make louder-than-usual noise. Almost everyone who hooks up to their quadrunner trailer will start the engine(s) to be sure they run before heading to the desert. Finally, we've been told the storage garages will reduce the noise from I-17. That reduction will only be for the small distance they extend above the top of our wall (10'+ tall wall in that area). The garages will actually introduce a new source of noise much closer to the apartment residents.

And a few general comments.

- It is difficult to comment on the proposed site plan itself, as we just found out it is different from the one we were sent with the Meeting notice. We are told the accurate final storage space count is 230 units. The website announcing the opening of this development states there will be 350 spaces + 50 garages, and it offers the option of open, uncovered spaces.
- The applicant mentions nearby RV resorts for the placement of this storage facility. We find it unlikely that area residents will pack up their RV regularly for 15- to 30-mile trips. Long-term RV parks mean the RV's will be likely kept at the resort, not at this facility.
- No boat storage is identified on the plan. All the proposed types/locations of storage areas must be identified per the ordinance.
- Will the boat storage consist of individual boats on trailers, or will some boats be stored vertically on hoists?
- Will this facility allow storage of sandrails, waverunners and jet skis, quadrunners, motorcycles and other similar vehicles, or spare parts for the vehicles?
- Is there a development provision to prevent people from working on or testing/tuning up motors and engines on the site? How will it be enforced if staff is only on site 9am to 7pm?
- Will clients be allowed to store other outdoor equipment like tents, bikes, innertubes, fishing tackle, etc., (not contained within a primary vehicle) as long as it is on a licensed trailer?
- How often will units and/or covered trailers be inspected to be sure only permitted items are being stored?

- Will the hours of operation be limited to prevent late night or early morning noise between 9pm and 7 am?
- Why is the effluent waste pumping area close to the residences? Can it be moved farther away?
- Why are garage and carport heights dimensioned to the lowest side of the structure? What are their maximum heights?
- The landscape plan does not include heights of the plant materials.
- Will this site also store sailboats? If so, will masts be required to be folded down and stored flat? Will fixed-mast boats be allowed? How will screening for fixed masts be accomplished?
- There are existing apartments, existing single family homes on big parcels and recently approved attached housing surrounding this site. Putting a storage facility into the middle of all these residential uses will be disruptive to all the adjacent owners. Eliminating the potential for development of the remaining large parcels is incredibly short-sighted.

We have made a significant investment in Sage Luxury Apartments, including a large investment to bring water and sewer to the site, sized to consider future development of this area as the business parks and employment centers or residences. Under-developing this area by eliminating roads, restricting future development and building an incompatible Boat & RV Storage site goes in the opposite direction envisioned by the General Plan, and ignores our infrastructure investment not only for our site but for future development, which causes Sage and the other impacted property owners harm.

We hope the City agrees that the proposed rezoning is not consistent with the General Plan and would be detrimental to all neighboring properties, and to all the Deer Valley goals associated with this development district. We respectfully request this Rezoning request and development be denied, and we thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Highlen', with a long horizontal flourish extending to the right.

Subject: Zoning Case Z-86-18-2 - RV Storage
Date: Thursday, March 07, 2019 9:43:03 PM

Mr. Klimek,

The city should not approve RV Storage at properties 204-23-001A, 204-23-009D and 205-01-001E.

Rather than RV Storage, retail, offices, commercial, residential or multifamily would be consistent with the existing development in the immediate area. For example, given that approximately 600 residences are being built to the south, at 205-01-010L, 205-01-010J, 205-01-010G and 205-4-002, a commercial complex, including grocery and retail, would be more appropriate. With Sage Apartments, there will likely be more than 800 residences in the immediate area.

RV Storage would very likely provide limited options to the city for the development of the properties to the east, as future uses will be severely limited behind a large RV Storage facility with 24 by 7 access. Activities such as customers testing boat engines and pumping sewage waste will negatively impact development of adjacent properties. It's likely the sewage collection facility will be placed as far as possible from the existing Sage Apartments, which will impact future development of the properties to the east and south. It would also be very difficult for Fortress RV Storage to prevent testing of boat and RV engines, as much of the times the facility will be unattended.

I would like to confirm my previous communication of the importance that the city of Phoenix provides dedicated street access to the properties to the east of the proposed Fortress RV Storage facility.

Without dedicated access, financing would be unavailable for the 15 acres to the East; 205-01-011H, 205-01-001X, 205-01-011S and 205-01-011R and these properties could be prevented from being developed. With street dedication for Oberlin and Dynamite, developers would understand access and be able to begin the planning and zoning process with confidence. Without that confidence it is very possible the properties to the east will not develop or it will be a very poor usage.

Street dedication by the city of Phoenix for Oberlin and Dynamite allows the city to influence development of these properties for the best usage. The city of Phoenix Street and Planning Design Guidelines, dated December 1, 2009, indicates that the width for a local street is a full right of way of 50 feet, making 40 feet inadequate. A local street dedication is appropriate for both Dynamite and Oberlin.

The site plan for Fortress RV Storage shows an easement of 20 feet at the Oberlin alignment, which would provide a private road, 10 feet of which crosses the south edge of the Fortress RV Storage property. However, a submitted site plan is only conceptual. The 10 feet could be removed during the building approval process; dedicating the Oberlin and Dynamite is the only effective way for the city to protect the ability to develop the properties to the east and provide adequate access.

Along the Dynamite road alignment, on the south side of the alignment, there is a large natural gas line that services the KB homes to the west, crossing under the highway, which prevents building any structures. This is also the appropriate location for the easement to bring water to the properties being developed for Fortress RV, as an existing water line easement extends for some distance to the west along the south edge of the Sage Apartment property. To support further development, the Dynamite alignment should be brought as far east as possible. Original Sage Apartments site plans showed a Dynamite alignment, and Sage Apartments may be depending on that road for further expansion.

Oberlin would be also logical access for the eastern properties and should also be dedicated. The existing narrow, private road is temporary access for the current S-1 zoning for very large residential lots, until the remaining properties are developed under a more appropriate zoning such as CP/GCP,

residential or multi-family. If the site plan is changed and ultimately access is not aligned at the southern edge of Fortress RV Storage, and is fully on the southern property, 205-01-012A, it will put a high burden on that property by requiring a much larger reduction in developable footage. Access to the east wholly on 2015-01-012A, would be an unacceptably large burden to a single property.

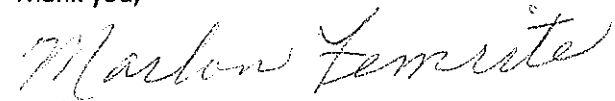

In addition, the number of existing and future residences between Jomax and Dixileta will create a tremendous amount of pressure on the access road, given that all northbound traffic must crossover the freeway at Dixileta, proceed south to Jomax and then cross over Jomax to go north. It would be an appropriate time to add the north bound access road at Dixileta.

Regards,
Fred Bishop

To Whom It May Concern,

I understand you are wanting to zone the land next to Sage Apartments as an RV Storage lot. I do not think this is a good idea. I moved to this community because the location was quiet and peaceful. This Storage lot would bring a great deal of traffic at all hours of the day and night. It will also take away from the beauty of the land around us as it will need to be lit up at all times. I do not welcome the added congestion or disruption this would bring to my current lifestyle. I would ask that you respectfully reconsider.

Thank you,

A handwritten signature in cursive script that reads "Marlon Femrite".

To Whom It May Concern,

My name is Jeff Taylor and am a current resident of the Sage Apartment complex.

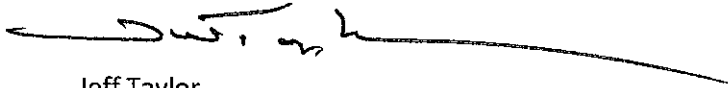

I have lived here for over 1 year and enjoy the peace and quiet here.

I oppose the implementation of a Storage Facility on the adjacent property because it would increase traffic and noise in the area, and additional lighting would be needed, which would affect the residents on the opposite side of the wall.

I also have concerns as far as security for the residents on that side of the wall, as I live in a unit on the other side of that adjoining wall.

Please vote against allowing a storage facility on the proposed site.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Taylor", written over a horizontal line.

To Whom it May Concern:

I have heard that there are plans to build a Storage Facility on I-17 and Jomax. These type of facilities always have flood lights everywhere for security. Since I have resided in the adjacent Sage Apartments, I find this impossible to accept. Having the "illumination" event right next to my apartment proved more than inconvenient. This will be much worse. I will strongly protest any movement towards this ill-conceived plan. I have lived here almost since the beginning of these units being built. I want my voice to be heard.

Sincerely,

Julia C. Pruitt

Subject: New storage construction

I recently found out there's a plan to build a storage facility right next to the Sage apt homes, I vehemently disapprove of this project, as I feel it will add to our traffic woes, noise, and pollution, which is already being threatened with construction of Union Park development

I chose to live here and commute to Scottsdale for work to enjoy the beauty, peace and quiet of my surroundings which would definitely be impacted negatively should this project move forward.

To: Sage Property Manager
Subject: TownHall Letter - Rezoning Notice

To whom it may concern –

I am writing this letter, as I am a current resident at Sage opposed the rezoning.

It has come to my attention that the property nearest our housing is looking to be commercialized. Based on the level of traffic already—provided USAA and during the winter season, Illumination—causes a major disruption in the ability to commute to any necessary destination. This is merely the initial disruption. In addition, the additional traffic on I-17, the noise that will be caused from a storage/RV facility that may be open with 24/7 accessibility, debris and the lighting nuisance caused as a result from the impacted traffic.

In order to create a commercialized foundation, based on the particular location and accessibility through transportation, an access route would need to be implemented to provide multiple directional options before we can increase the level of traffic. The Department of Transportation needs to be involved in order to ensure optimum level of efficiency during implementation.

Thank you for your time,
Michael

TO WHOM IT CONCERNS,

I HAVE RECENTLY BEEN MADE AWARE OF THE POSSIBILITY OF THE BUILDING OF A STORAGE FACILITY IN THIS IMMEDIATE AREA. I RESIDE IN THE APARTMENT COMPLEX, "SAGE LUXURY APARTMENTS", AND I HOPE THIS IS NOT TRUE. I'VE LIVED HERE QUITE A WHILE AND OBVIOUSLY HAVE ENJOYED MY STAY, BUT I BELIEVE A STORAGE FACILITY, WHICH CAN BE BUILT SOMEWHERE ELSE, WILL DEFINITELY HAVE A NEGATIVE IMPACT ON THE QUALITY LIFE HERE, JUST LIKE "ILLUMINATION" DOES DURING THE XMAS SEASON. THERE IS ONLY ONE WAY HOME HERE, AND ANYTHING THAT WOULD AFFECT THAT, WOULD BE EXTREMELY HARMFUL. SO I AM ASKING ALL INVOLVED IN THE DECISION MAKING, TO CONSIDER THE IMPACT ON OUR LIVES, AND NOT ON THEIR POCKETS

CURRENT HAPPY
RESIDENT

Darren
Darrell Douglas Apt 3020

Feb. 12, 2019

To Whom It May Concern,

I am a resident of the Sage Apartment Homes. I am writing this letter to voice my concern about building an R.V. Park next door to our apartments.

Access to our apartment is a 2 lane road. The traffic from an RV park will create congestion for us.

The people who use RV parks are not staying in the area full time they have no vested interest in the community.

Crime and drugs are a huge problem also in RV parks.

I am concerned that some of the residents will come into the apartment property + use the pool and amenities which is the property of the Sage Apartment renters. Vandalism is a huge possibility because of trespassers.

Having an RV park will bring down the property value for the homes that surround this property as well as the apartment homes and future homes.

I have mentioned this RV park to my

family and friends and all of them
frown on them building anything
like this here. No one wants this
to be built here.

Yours Truly,
Belinda Dover
