Subject: ITEM NOS. 11 AND 12 (Z-47-22-1 AND Z-SP-5-22-1) – SOUTHWEST CORNER OF THE 35TH AVENUE AND PARADISE LANE

The purpose of this memo is to distribute the amended site plan and elevations received from the applicant, recommend modified and additional stipulations, and to convey additional correspondence that has been received regarding these rezoning requests.

Rezoning Case No. Z-47-22-1 is a request to rezone 1.56 acres from C-1 (Neighborhood Retail District) to C-2 (Intermediate Commercial District), to allow commercial use. The companion Rezoning Case No. Z-SP-5-22-1 is a request to rezone 1.56 acres from C-1 (Neighborhood Retail District), pending C-2 (Intermediate Commercial District) to C-2 SP (Intermediate Commercial District with a Special Permit) to allow self-service storage facility.

The Deer Valley Village Planning Committee heard these requests on October 13, 2022, and recommended approval, per the staff recommendation by a 7-2 vote.

The applicant has requested modified and additional stipulations to accommodate site plan changes and requests from the community. Of these requested stipulations, staff recommends the following:

- Modification of Stipulation No. 1 to reduce the maximum building height to 12 feet.
- Modification of Stipulation No. 2 to reduce the building setback on the west side of the site.
- Add Stipulation Nos. 17 through 20 regarding limitations on signage, vehicular access on Paradise Lane, and to require an eight-foot-high wall along the west side of the site.

Enclosed with this memo is one letter of opposition received after the publication of the Staff Report. The letter cites concerns with the proposed use, reduced property values, traffic increase, security, noise, lighting, vehicle accident, shelter seekers, and loss of aesthetics.

Staff recommends approval, subject to the stipulations below for both cases:

Phoenix, AZ 85053

Application No: Z-47-221

Mr. David Richert,

This letter is in reference to the rezoning of property located at 35th Avenue and Paradise Ln. Phoenix for the purpose of constructing a self-storage facility.

We are very concerned and totally opposed to this rezoning and construction of this facility. We moved here decades ago and have enjoyed our neighborhood. We do not want to be concerned with property values going down, traffic increase, which has already happened, security, noise, lighting, vehicle accidents, shelter seekers, lose of aesthetics, etc.

You also need to have a conference number that is valid.

Sincerely,

Rose/Arley Bindschadler
