- The Homeowners Association would normally be responsible for; or
- Could be perceived as an improvement to Homeowners Association property (e.g., dusk-to-dawn lighting, additional light poles, fencing, gates, etc.)

Applicants requesting items strictly for Block Watch or Phoenix Neighborhood Patrol activities (e.g., newsletters, mileage reimbursement, etc.) are not required to list the HOA as the Co-Applicant Group.

Please check with your HOA for specific community by-laws prior to submitting an application.

## GEOGRAPHIC BOUNDARIES

The geographic area and/or population to be served must be identified in the grant application as listed with the City of Phoenix's Neighborhood Link Program. The service area shall be within the corporate limits of the City of Phoenix, and the impacted population must be Phoenix residents. Applicants must provide the number of households served within the Block Watch / neighborhood organization's area.

Applicants are limited to two grant application submissions within identical geographic boundaries: one for the individual Primary Applicant Group; and one with a Co-Applicant Group. Primary Applicant Group / Co-Applicant Group guidelines do apply.

## GRANT DOLLAR LIMITATIONS

Grant amounts may vary, but the maximum grant amount that can be requested is **\$15,000**. Budget estimates should match your proposal and NOT be inflated to reach the maximum figure. **Round estimates to the nearest whole dollar amount and remember to account for sales tax, set up fees, shipping / freight, and/or permit fees** (do not include as a separate line-item).

**Remember to address each item in the budget narrative.**

## COMMUNITY UTILITIES INFORMATION

The NBWGP Oversight Committee strongly suggests that all grant applicants look into cost effective, energy efficient lighting options for neighborhoods. Energy efficient lighting includes solar lighting and LED lighting options.

Using grant funds to pay electric bills for lighting is restricted in the following manner:

- A maximum of \$3,000 can be allocated towards electric bills for lighting.
- Lighting is encouraged to be directed and shielded so as to deter glare which can be a safety hazard to vehicles and pedestrians.
- Lighting color temperature should be consistent with the lighting color temperature approved and used by City of Phoenix (2700 Kelvin).

No new contracts for lighting will be allowed unless lighting systems are energy efficient.

Requests for funding of new lighting fixtures must be energy efficient and include a map or detailed description on the location of the installation.

Using grant funds to pay for water bills is restricted in the following manner:

- Can be used for Community Garden Projects **ONLY**.
- A maximum of \$3,000 can be allocated towards water bills.

## GRANT EVALUATION

### EVALUATION OF APPLICATION

Each grant application is evaluated by the NBWGP Oversight Committee on how well it fulfills the purpose of the NBWGP. Applications evaluated and scored by NBWGP Oversight Committee members must have an overall score of 5.25 or higher to receive grant funding. **Grant applications scoring below the City Council approved minimum score of 5.25 points will be disqualified and will not receive funding.**

**NOTE:** The purpose of a grant is to enhance crime prevention, safety, and quality of life issues in the City of Phoenix. Line-Item Vetoes can be applied when at least 2/3 votes of committee members present agree that the item does not meet these criteria.

# POST-AWARD RESPONSIBILITY

## POST AWARD PROCEDURES

### Contract

All approved grant recipients are **required** to execute a contract with the City of Phoenix regarding the use of grant funds in accordance with NBWGP rules and regulations. All grant funds will be deposited into a joint checking account with the City of Phoenix and applicant(s) as authorized signers. The City will designate the bank to be used for such accounts. Grant checking accounts **MUST ONLY** contain grant funds.

### Banking Requirements

All recipients' grant funds will be deposited into a bank checking account with the City of Phoenix listed as a co-signer on the account. All checking accounts will be centralized at the Downtown Chase Bank.

Chase Bank will not charge NBWGP grantees any service charges or check fees for the 2025 grant year. **Any insufficient fund charges will be the responsibility of the grantee to pay personally. Grant funds cannot be used to pay insufficient fund charges.**

### Reporting

Quarterly reports are used to evaluate grant project performance, compliance, and progress. Reports **MUST** be submitted by grant recipients within required timelines set by the City. Quarterly Report due dates are listed on the NBWGP Grant Management System (GMS) website and reminder emails are sent to grantees on a quarterly basis.

All records and documents related to project activities, expenses, bank statements, receipts, equipment, or other personal or tangible property purchased with grant funds **MUST** be maintained by the grantee for a period of at least two (2) years from the date of expiration of the grant contract.

Applicants that do not submit quarterly and final reports in a timely manner, that submit fraudulent applications or reports, and/or do not return all unused grant monies, WILL NOT be eligible for future funding and may face legal prosecution.

As a Co-Applicant Group (Neighborhood Association, Homeowners Association, Block Watch, etc.), organizations are jointly responsible for tracking and reporting of expenditures when partnering with an organization.

- **Checks cannot be written for an amount greater than that on the receipt / invoice.**
- **Checks CANNOT be made out to "Cash".**
- **Cash CANNOT be withdrawn from the grant checking account.**
- **Checks CANNOT be signed by and made out to the same person.**

Any items purchased with NBWGP funds must be labeled “Funded with Phoenix NBWGP funds” when reasonable and prudent.

### **Conclusion / Termination of Project**

At the conclusion or termination of a project, grant recipients that purchased equipment and/or other tangible property of \$100 or more per item with NBWGP funds will have two options:

1. Return equipment to the City of Phoenix; or
2. Retain equipment by submitting a contract extension form (Exhibit D)

Should the grant recipient decide to retain any equipment beyond the completion or termination of the project, they must submit a Retained Equipment contract extension form (Exhibit D) with the final grant report. Each item the grant recipient would like to retain must be listed on the form and must be made available for two (2) years in case of an audit.

During the two-year (2 year) extended term of the contract, there will be no reporting requirements. The grant recipient will continue to use the equipment in connection with the programs and activities identified in the grant application and will maintain the equipment during its useful life. The City will retain the title to the equipment during the extended term and may request to see / audit the equipment at any time during the two-year (2 year) contract extension.

At the end of the contract extension period, the equipment becomes property of the Primary Applicant Group listed on the application.

A few examples of retained equipment / tangible property includes computers / laptops, printers, tables, chairs, shade canopies, and cameras.

**ALL UNUSED GRANT MONIES MUST BE RETURNED TO THE CITY OF PHOENIX.**

### **Auditing**

Grant recipients **MUST** agree to allow the City Auditor and/or the NBWGP staff complete access to all records, equipment, and/or tangible property related to the project for auditing purposes. City representatives **MUST** be allowed access to all locations grant activities are being conducted for evaluating the effectiveness of the grant project. Grant recipients **MUST** adhere to any other requirements deemed necessary by the City for the proper operation of projects.
