Mayor and City Council
City of Phoenix
200 West Washington Street, 11th Floor
Phoenix, Arizona 85003

Dear Mayor and City Council:

I am writing on behalf of Dignity Health in support of an agenda item on the Phoenix City Council meeting May 16th, to authorize the City of Phoenix to participate in an application requesting the establishment of a community facilities district and enter into a development agreement with HPPC, LLC (Plaza Development and Holualoa Companies) for the financing and construction of a public parking garage along Catalina at Park Central Mall.

Dignity Health believes that the joint development of this parking garage will benefit our medical campus which is in need of additional parking opportunities, and will lead to the investment of significant private capital into the redevelopment and development of the Park Central property, enhancing the economic and cultural viability of the region.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Linda Hunt". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Linda Hunt
Sr. Vice President of Operations, Arizona
