Item number 5

Case Number: PHO-1-21--Z-10-18-8

On behalf of the Woodring family, we would like to strongly support item number 3: deletion of stipulation of 27th Street alignment. To be clear, we want to leave it the way it is, for many reasons. It does NOT need to be rearranged or realigned. Doing so is just silly.

Thank You,
Woodring Family, Phoenix AZ
