STATEMENT OF SUPPORT

Dear Phoenix City Council,

I am a neighbor, and I support the proposed rezoning on the northwest corner of 34th Street and Phelps Road (Case Numbers: **Z-39-23/Z-SP-1-24**). Over the last several years, this back corner of the shopping center has become a place for vandalism, trespassing, and vehicles disturbing the peace into the late hours of the night.

This proposal is a good solution for this neglected portion of the shopping center and will lead to improved security for my property. I look forward to seeing this shopping center continue to be improved.

FOR THESE REASONS I SUPPORT THE PROPOSED SELF-STORAGE ZONING CASE AND ASK THE VILLAGE, PLANNING COMMISSION AND CITY COUNCIL TO APPROVE IT.
