Subject: Request to Amend Item 73 on the July 1, 2020 Formal Agenda – to separate Item 73 into 3 separate items: 73.1, 73.2, and 73.3

Item 73 was placed on the agenda upon the request of Vice Mayor Betty Guardado and Councilmembers Laura Pastor and Carlos Garcia. The agenda item includes three G-Ordinances, which the City Code requires be voted on separately.

This memo requests that Item 73 be split into three separate items and renumbered as Item 73.1, this item, Ordinance G-6719, Right of Recall for Tourism and Hospitality Workers; Item 73.2, Ordinance G-6720, Supplemental Paid Sick Leave for Tourism and Hospitality Workers; and Item 73.3, Ordinance G-6721, Public Hygiene Training and Handwashing for Tourism and Hospitality Workers.

This item, 73.1, Ordinance G-6719, Right of Recall for Tourism and Hospitality Workers, requires that certain hospitality employers recall furloughed workers under certain conditions back to the job with a written offer, and provides additional notice requirements as provided in the ordinance.
