 - d) The Department will make available for review to the unit member and/or his representative any relevant and readily available material that is being used as the basis for an allegation of misconduct.

Material includes any video, audio, photographs, or documents known at the time the internal investigation is initiated and that are specifically related to the conduct of the unit member under investigation.  - 7. A member who receives a written reprimand or suspension may request a copy of the information upon which the written reprimand or suspension was based, pertaining to what was specifically cited in the discipline at no cost to the member.
 - 8. It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the member/employer to count as time worked, any hours or fractions of hours spent outside the member's work shift in pursuit of benefits provided by this Article unless otherwise specified in this MOU. The employer shall count as time worked any hours or fractions of hours spent within the member's regular work shift in pursuit of benefits provided by this Article.

F. Member Discipline

Any member receiving discipline that results in a loss of hours, or days or work, will have those hours converted to match their appropriate work schedule. Discipline for 40-hour members shall be equal to 8 hours for one work day. Discipline for 56-hour members shall be equal to 11.2 hours for one work day. Any discipline exceeding one day will be increased proportional to the hours outlined in this section. A 56-hour member may choose to use earned vacation or compensatory time to account for the remaining workday hours.

- C. There shall be no lockout by the City during the term of the Memorandum.
- D. The provisions of Section 2 (17) and section (13) of Ordinance G-1532, are incorporated into this Memorandum.

Article 2: Grievance/Arbitration/Labor Management

Section 2-1. Grievance Procedures

It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the **member's** work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the **member's** regular work shift in pursuit of benefits provided by this Article.

- A. Informal Resolution

1. As a matter of good labor-management relations the parties encourage unit members who believe that they have a bona fide grievance to discuss and attempt to resolve it with their immediate non-unit supervisor.
2. If the above informal discussion is held and does not resolve the grievance, the unit member may file a formal grievance in accordance with the following procedure.

B. Definition of Grievance

1. A grievance is a written allegation by a unit member, submitted as herein specified, claiming violation(s) regarding the interpretation and/or application of the specific express terms of this Memorandum for which there is no other specific and formal method of review; and doesn't have a fact pattern that has been presented to and decided upon by the City Manager in a prior grievance. However, disputes specifically excluded in other Articles of this Agreement from the Grievance and Arbitration procedure shall not be construed as within the definition set forth above and shall not be handled in accordance with this procedure. It is agreed that such excluded disputes are not grievable or arbitrable under the terms of this Article or under this contract.
2. The City continues to retain the format used for grievances, including forms, technology, etc.
3. A grievance which does not meet the requirements set forth in this Article shall be null and void, and will not be processed in accordance with this procedure.

C. Procedure

All grievances covered by this Article shall be handled exclusively in the following manner:

A grievance must be reduced to writing, citing the specific Article and Section of this Memorandum alleged to have been violated.

1. Step 1

The unit member shall reduce the grievance to writing by signing and completing the grievance form provided by the City and submit it to the division head, or designee, within 14 calendar days of the initial commencement of the occurrence being grieved. (Notwithstanding other pertinent time bars, statute of limitations, etc., the City acknowledges that certain violations may constitute "continuing violations" thereby permitting submission within 14 calendar days of subsequent

occurrences, if applicable.)

The division head, or designee, may investigate, further consider, and discuss the grievance with the grievant and the grievant's representative, if any, as deemed appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written mutual agreement may move the grievance to Step 2 of the grievance procedure.

2. Step 2

If the written response of the Step 1 does not result in a resolution of the grievance, the grievant may appeal the grievance by signing and completing the City form and presenting it to the department head, or designee within 14 calendar days of the grievant's receipt of the Step 1 response.

The department head, or designee, may further consider and discuss the grievance with the grievant and the grievant's representative, if any, as deemed appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written agreement may move the grievance to Step 3 of the grievance procedure.

3. Step 2.5

After the Step 2 response, but prior to review by the Grievance Committee, the parties involved may mutually agree to submit the grievance to Labor Relations. The grievance, as originally written and Step 1 and Step 2 responses, must be submitted to Labor Relations within 14 calendar days of receipt of the Step 2 response. Labor Relations shall, within 14 calendar days of the receipt of the grievance, meet with the department head, or designee, and the grievant and the grievant's representative, if any, in an attempt to resolve the grievance. Labor Relations shall then submit a written response to all parties within 14 calendar days of the meeting.

4. Step 3

a) If the written response of the Step 2 (or 2.5 if applicable) does not result in a resolution of the grievance, the grievant may, within 14 calendar days of the Step 2 response, appeal the grievance by signing and completing the City form and presenting it to Labor Relations. A Grievance Committee hearing will be scheduled at which the grievant shall be afforded the opportunity to fully present his position and to be represented.

E. Union Grievance

The Union may, in its own name, file a grievance that alleges violation by the City of the rights accorded to the Union by the specific terms of Article 1-3 of this Memorandum. The Union shall file such grievance at Step 3 of this Procedure.

In November of each calendar year and June of each calendar year, **members** who have completed at least 7 years of continuous full-time service and who meet the additional qualifications specified in Section 3-1A of Article 3 shall be paid \$80.00, pro-rated and included each pay period in the qualifying unit member's regular pay check throughout the year, for each full year of continuous full-time service in excess of 5 years, up to a semi-annual maximum of \$2,000.00, annual maximum of \$4,000.00 at 30 years.
 2. **Members** on industrial leave shall qualify for this payment for only the first year of the industrial leave. However, the entire period of industrial leave shall qualify as continuous service when the **member** returns to active employment.
 3. Adjustments to payments will be made as soon as possible but no later than 30 days of the qualifying date.

- B. A **member** must have achieved the overall performance rating of "meets standards" on his latest scheduled performance evaluation on file in the Human Resources Department.
- C. A **member** who receives a below "meets standards" evaluation shall receive another evaluation within 90 to 120 days, and if that evaluation is "meets standards," he will be eligible for Productivity Enhancement Pay starting with the next qualifying date.

Section 3-3. Overtime

- A. **Members** who are assigned to be and are on duty beyond their scheduled work shift shall be compensated for such assigned overtime work at 1 ½) times their regular rate, 56 hours or 40 hours, after the first 7 minutes of assigned and worked overtime calculated to the nearest 1/4 hour.

- H. The Fire Department will maintain daily "peak time" opportunities on either 2 person rescues or 4 person units on a peak time basis only. Special events staffing and overtime opportunities outside of the 9-11 response system will not be counted as a peak time opportunity.

This item reflects an agreement between the Fire Department and the Union in 1984 on the future staffing of the rescues. The increased work-load and responsibility of

the full time rescues was incented by agreement that there would be overtime opportunities on peak time rescues. Further, the department was reorganized through the RBO process in 1993 to enhance ALS and rescue capabilities throughout the city. This reorganization included a pool of **members** to staff back rescues and guarantee that no new **member** would have to work more than 200 shifts on a rescue. **Members** agreeing to be in this pool are then entitled to work on the peak time rescues on an overtime basis when their name comes up in a rotation. The Fire Department and Local 493 will continue to work jointly through the RBO Process to determine the deployment of peak time units to ensure the greatest benefit to the service delivery system and provide adjustments, when needed.

Section 3-4. Call Out Pay

- A. Call out time shall be at a minimum of 3 hours at 1 ½ times the **member's** regular rate of pay, 56 hours or 40 hours depending on assignment, after the first 7 minutes calculated to the nearest 1/4 hour. If a unit member leaves a call out event without authorization prior to the termination of the event, Section 3-2A of Article 3 shall not apply.
- B. The provisions of this Section shall not apply where a **member** is assigned out-of-class to a non-Unit position.

Section 3-5. Out-of-Class Pay

Pursuant to A.R. 2.201, **members may be eligible for out-of-class pay when performing the full range of duties of a higher rank.** 16 hours of out-of-class work on a shift for **members** will constitute a full shift of out-of-class assignment pay. There will be no out-of-class pay for working less than 16 hours. **A member who has qualified under the out-of-class provisions will be compensated at the minimum rate established, and for each completed work shift served in the higher rank. In the event of overlapping salary range, a one-step differential or 5% will be paid for the out-of-class.**

In order to qualify to be eligible to receive out-of-class assignment pay, **members** must complete 8 shifts of out-of-class assignment (16 hour minimum to constitute a full shift). As an alternative for qualifying only, 192 hours of out-of-class assignment shall satisfy the minimum qualifications required to become eligible for out-of-class pay. For the purpose of the 192 hour qualifier, out-of-class hours must be in increments of no less than 7 hours.

Members on a 40 hour schedule will complete 11 shifts, 6 hours minimum of out-of-class assignment, to satisfy the minimum qualifications for out-of-class pay.

2. The **member** shall verify in writing the computation of the Employee Benefits Division.

- B. At the **member's** separation, for either retirement or exiting the Deferred Retirement Options Program, the **member's** sick leave payout amounts will be automatically contributed into the City's 401(a) plan. Fire Investigation **members** will be assigned to one of two 40-hour schedules that may include a 4/10 or a modified A, B, C shift schedule. All schedules will equal a 40-hour work week. All Fire Investigators, regardless of schedule will be paid overtime at the 40-hour rate.

Fire Investigation **members** assigned to the modified shift schedule will be required to work on City paid holidays when their regular schedule shift occurs on that day. Those **members** required to work on a City holiday as a result of the shift schedule will receive pay in lieu of time off. The Fire Department shall continue its long-standing practice of using sworn Fire Captains as Fire Investigators.

The Fire Department will attempt to maintain staffing levels of the Investigations Section, in order to provide for investigatory needs of the Department. Article 5. Benefits

Section 5-1. Health Insurance

- A. The City and Union agree to maintain the current 80/20 split for health insurance for both single and family coverage. If there is a rate increase or decrease in the second year of this M.O.U., the City shall pay 80% of the new monthly contribution and the **member** will pay 20%.

- B. In the event Congress or the State of Arizona passes legislation which considers the amount the City contributes to health insurance premiums as imputed income, then the City will consider such contribution as income to the **member**.
- C. The City shall provide the Basic Medical Reimbursement Plan (MERP) benefits to MERP eligible Unit retirees and to those **members** who are hired before August 1, 2007 and are eligible to retire no later than August 1, 2022 at no less than \$202.00 per month. The City also contributes an additional \$50 toward City retiree family medical coverage; this credit is applied directly to the retiree's premium deduction. Any **member** hired on or after August 1, 2007, regardless of years of service, may qualify for a Post Employment Health Plan (PEHP) account.
- D. Additional MERP amounts will be paid to eligible retirees for the following categories:

RETIREE COVERAGE – RETIREE NOT ON MEDICARE			
ADDITIONAL MERP AMOUNTS			
	Retiree or Survivor Only NOT on Medicare	Retiree or Survivor w/family coverage – any dependent NOT on Medicare	Retiree or Survivor with family coverage – <u>all</u> dependent(s) ON Medicare
HMO OR PPO COVERAGE	\$105	\$325	\$210

RETIREE COVERAGE – RETIREE ON MEDICARE			
ADDITIONAL MERP AMOUNTS			
	Retiree or Survivor Only - ON Medicare	Retiree or Survivor w/family coverage – any dependent NOT on Medicare	Retiree or Survivor with family coverage – <u>all</u> dependent(s) ON Medicare
HMO OR PPO COVERAGE	\$90	\$195	\$185

These MERP amounts are what the City agrees to pay. It is solely at the discretion of the City Manager to increase these amounts in the future.

- E. No more than one time per calendar year, the City will provide Unit 5 mutually agreed upon healthcare data within a reasonable time, once requested.

Section 5-2. Dental Insurance

- A. At a minimum, the dental insurance plan shall include a PPO option that consists of 100% payment of reasonable and customary charges covered for preventive and preventive-related diagnostic services, and 80% payment of reasonable and customary covered charges for basic services and major services. At least one plan shall also include an orthodontia benefit providing for 80% payment of reasonable and

customary charges up to a maximum lifetime benefit of \$4,000.00 per person. Dental plans may be subject to deductibles and limitations contained in the contract between the dental insurance carrier and the City of Phoenix. For the PPO and HMO dental plans, the City shall continue to pay 100% of the premium costs for single **members** for **members** enrolled in the base dental HMO or PPO plan (employee only coverage), and 75% of the premium costs for **members** and their qualified dependents (family coverage). Enrollment in prior City of Phoenix Dental Plans counts towards major services time limit exclusions.

- B. In the event Congress or the State of Arizona passes legislation that considers the amount the City contributes to health insurance premiums as imputed income, then the City will consider such contribution as income to the **member**.

Section 5-3. Life Insurance

- A. The City will continue the existing off the job and on-the job life and dismemberment insurance coverage. The policy shall provide a benefit for each **member** equal to the member's base annual salary. In addition, the City will continue the existing death in the line of duty insurance of \$75,000.00. Additionally, the City will provide to each **member** a \$200,000.00 death benefit covering the **member's commute** to and from his City work location. This policy will cover the **member's** commute for up to 2 hours before his shift begins, and 2 hours after his shift concludes.
- B. In the event of the death of an **member** while commuting to or from his work location, for a period of 2 hours each way, the City will continue to pay the full monthly health insurance premium for the spouse and all eligible dependents. This policy will be consistent with the payment of a supplementary **commuter** life insurance policy for each **member**.

Section 5-4. Long Term Disability Insurance

The City will offer a long-term disability benefit for all full-time, regular unit members pursuant to A.R. 2.323 as may be amended (providing that such amendments shall not be in conflict with the MOU). **Members** who have been continuously employed and working on a full-time basis for twelve consecutive months are eligible to apply for long term disability coverage. After an established 90 calendar day qualifying period, the plan will provide up to 66 2/3% of the **member's** basic monthly salary at the time disability occurs and continue up to age 75 for **members** who have been employed full-time for 36 months and one day. This benefit will be coordinated with leave payments, industrial insurance payments, unemployment compensation, social security benefits and disability provisions of the retirement plan.

Members who have been employed full-time with the City of Phoenix for 36 months or less, will be eligible to receive a long term disability benefit for no more than 30 months.

Section 5-5. Holidays, Vacations, and Donated Vacation Leave

A. Bank of Donated Leave

1. Each unit member may complete a form to voluntarily donate vacation leave time for a specified number of hours, not to exceed the maximum number of hours as noted in Section 5-5, Subsection A, 3. These forms will be processed on July 1, October 1, January 1, and April 1. The voluntary donation will continue each subsequent year on the second paycheck in July, unless revoked by the unit member. This donated time is to be used by union officers and representatives for Union-related activities as determined by the Unit 5 Union President and Executive Board. It is recognized that all hours negotiated in lieu of additional pay and benefits have been donated by the members of Unit 5 from their bank of vacation leave. By filling out and submitting a voluntary donation form, each unit member is clearly and affirmatively consenting to the donation of the stated number of hours from their bank of vacation leave.
2. The total hours donated by the members of Unit 5 will be considered the maximum number of hours available for donated hours under Article 5, Section 5-5.
3. The maximum number of hours that may be donated by any Unit member is 100 hours per fiscal year.
4. Only members of Unit 5 may donate hours to the Unit 5 bank of hours; Unit 5 may only accept donated hours from Unit 5 members.
5. No union member may use more than 120 hours of donated time during any one pay period.
6. Donated time does count towards hours worked for overtime purposes.
7. Examples of work performed by representatives on member donated release in support of the City include ensuring representation during administrative investigations and grievance/disciplinary appeal meetings with management; assisting unit members in understanding and following work rules; administering the provisions of the Memorandum of Understanding; organizing and participating in charity functions within the greater Phoenix area to aid our communities. Member donated release is also used for authorized representatives to attend Union conferences, meetings, seminars, training classes, and workshops so that representatives better understand issues such as City policies and practices,

conflict resolution, and methods of effective representation, or any other purpose authorized by the President or Executive Board.

B. The City agrees to incorporate into the Memorandum the benefits provided under Administrative Regulation 2.11 as amended, indicating the following holidays:

- New Year's Day
- Martin Luther King's Birthday
- President's Day
- **March Holiday (last Monday in March)**
- Memorial Day
- Juneteenth Day
- Independence Day
- Labor Day
- Indigenous Peoples' Day
- Veteran's Day
- Thanksgiving Day
- Friday after Thanksgiving
- Christmas Eve Day (6 hours for 56-hour **members** and 4 hours for 40 hour **members**).
- Christmas Day

Members working a 56 hour schedule shall receive 12 hours pay or compensatory time each holiday.

C. **Members** will continue to receive holiday pay while on industrial leave.

D. Effective January 1, 1987, vacation accrual for **members** with less than 5 years shall be increased to 11.2 hours per month, or the 40 hour equivalent. Vacation accrual for all other **members** shall remain the same as currently authorized.

E. **Members** covered by this M.O.U. shall be permitted to sell back up to 80 hours total per M.O.U. year of accrued vacation leave to the City at the **member's** regular straight-time hourly rate. This benefit shall not exceed a total of 80 hours and may be used as follows: 40 hours on the last pay period in November and/or May of each M.O.U. year. **Members** will only be permitted to sell back an amount of accrued vacation hours that would not result in their total bank of hours to drop below 150 or 210 hours, depending upon the work schedule.

F. Effective July 1, 2014, and thereafter, a **member** who has accrued at least 312 hours, or 223 hours for 40 hour **members**, may elect to have 252 hours of vacation for a 56 hour unit member or 180 hours of vacation for a 40 hour unit member paid out in a lump sum or converted into their comp bank. Any unit member may only elect to

exercise this benefit 4 times in their career, and not more than one time in a fiscal year. This payment is not considered Final Average Salary for purposes of pension calculations. Eligible **members** may elect to buy back their hours between July 1 and the last pay period in January each fiscal year.

- G. **Members** may donate accrued vacation leave to other City employees who are on medical leave and who have exhausted all of their paid leave based on guidelines contained in A.R. 2.144, with the understanding that no employee shall receive more than 12 months of donated time.
- H. **Members** who have less than 40 hours vacation may buy up to 120 hours personal leave. The cost of the personal leave shall be 110% of the **member's** base hourly rate. Such personal leave use and purchase shall not impact positively or negatively on the **member's** pension or any other benefits.
- I. On the second paycheck in July of every year, every unit member will receive 8.5 hours of vacation time, in addition to their other accruals, added to their vacation leave. This benefit will continue in perpetuity until otherwise agreed upon in good faith, by Unit 5 and the City, through the Meet and Confer process.
- J. Military Leave

Pursuant to ARS 26-168, ARS 38-610, and A.R. 2.39, **members** who are members of the Arizona National Guard or the Reserves of the United States Armed Forces, will be entitled to a leave of absence from their duties for a period not to exceed 30 days in two consecutive years when they are engaged in ordered annual training or to attend camps, maneuvers, formations, or armory drills under orders of any branch, including the reserve or auxiliary. A day is defined as a shift of work.

Under the Uniformed Services Employment and Reemployment Rights Act (USERRA), a member is entitled to the pay and status the member would have attained but for the member's qualifying military service in accordance with USERRA's escalator principle and reasonable certainty test retroactive adjustments, as required by law, shall be made as soon as practicable or as otherwise required by law.

Section 5-6. Uniforms

- A. In lieu of the \$135.00 per **member** per year amount which was previously paid by the City to the Fire Department for additional uniform items, **members** will now receive an equivalent annual uniform allowance amount of \$129.75. Payment of this uniform allowance will be made on or about August 1 of each MOU year. Such payment will be made to cover the cost of uniforms, maintenance, and cleaning of such uniforms.

- B. New **members** will receive the entire annual uniform allowance within 30 days of the time they are directed to wear and maintain a uniform. The second uniform allowance, received at the start of the next fiscal year, will be equal to 1/12 of the annual uniform allowance for each month of the preceding fiscal period, starting with the first month the **member** was directed to wear and maintain a uniform, to the start of the new fiscal year.

Prior to entering the Fire Academy, the Fire Department will furnish all new Firefighter Recruits with the following:

- 5 blue physical training (PT) shorts
- 1 pair of blue sweatpants
- 1 red sweatshirt (seasonally dependent)
- 1 belt
- 1 pair of OSHA/ANSI approved work boots; and,
- All necessary PPE's required to participate in Fire Academy functions.

The Fire Department will provide a full Class A dress uniform upon successful completion of the Fire Academy and promotion to Firefighter to include the following:

- 1 approved Class A dress jacket complete with patches and full fitment
- 1 approved Class A dress shirt complete with patches and full fitment
- 1 pair of approved Class A dress pants
- 1 approved Class A dress hat

- All approved hardware required (badges/pins etc.) to complete the approved Class A dress uniform; and,
- All necessary PPE's required to participate in field functions.

Additionally, any Captain RTO (Recruit Training Officer) or Firefighter Mentor (Firefighter or Engineer) assigned to the Recruit Training Academy will be provided a full Class A uniform (one time purchase) if the member has not already purchased one.

Upon promotion to Fire Engineer or Fire Captain, the Fire Department will provide a full Class A uniform to include the following:

- 1 approved Class A dress jacket complete with patches and full fitment
- 1 approved Class A dress shirt complete with patches and full fitment
- 1 pair of approved Class A dress pants
- 1 approved Class A dress hat
- 1 approved Class A dress tie; and,
- All approved hardware required (badges/pins etc.) to complete the approved Class A dress uniform.

The Fire Department will provide a Class A uniform to the Unit 5 member as a “one time only” purchase based upon whichever qualifying criteria previously listed is initially met. Until all Unit 5 members have been provided a Class A dress uniform by the Fire Department, no additional Class A dress uniforms will be issued to members who have already received the benefit. Labor and Management will continue to discuss funding options for additional Class A dress uniforms and the implementation plan for the new uniform language outlined above.

Labor and Management will meet to discuss an implementation plan for the new uniform language outlined above.

- C. **Members** who leave Department employment shall repay to the City the uniform allowance equal to 1/12 of the annual allowance per month for each month remaining in the fiscal year after the last day of the month in which the separation occurs. Provided, however, that **members** who retire after August 31 will not be requested to repay any uniform allowance.
- D. A **member** who has been on extended leave (paid or unpaid) of 2 months or longer shall have the next annual uniform allowance reduced by 1/12 of the annual allowance for each month of extended leave.

Section 5-7. Tuition Reimbursement

- A. **Members** who participate in the Tuition Assistance Program shall be eligible for tuition reimbursement pursuant to the following provisions:
1. The maximum sum reimbursable to **members** each fiscal year shall be \$6,500.
 2. To be eligible for any reimbursement, **members** must have successfully completed academic or training courses approved in advance by the Fire Chief and the

Human Resources Director and meet the requirements of A.R. 2.51 as may be amended, provided such amendments are not in conflict with the M.O.U.

3. **Members** shall be allowed to use up to **\$2000** of their reimbursement benefit for job-related seminars, workshops, and professional memberships each fiscal year.

Section 5-8. Wellness, Health and Fitness

- A. For each **member**, the City of Phoenix shall contribute \$2.00 per month to a fitness fund to maintain and purchase fitness equipment for fire stations which has been charged against Unit 5's contract. The Fire Department will also contribute \$2.00 each month per member to the fitness fund. The fund will be maintained by the City and Fire Administration. The Health and Fitness labor management committee shall oversee the funds and purchase equipment after reviewing input from all Fire Department personnel.
- B. The Phoenix Fire Department Honor Guard is a professional organization that represents the Fire Department at official events, memorial services, and fire fighter's funerals. Through the work of the United Phoenix Fire Fighters Association, a registered 501c-3 non-profit association (ID#866053047), the Honor Guard provides public education and community service. In order to help pay for the expenses incurred by the Honor Guard members in the performance of their duties, the City will contribute twenty-five thousand dollars (\$25,000.00) into a fund for each M.O.U. year. The **Fire Chief** or his designee will manage this fund. The City Auditor Department may conduct annual audits of this fund. Any payments not adequately supported by the documentation of expenses will be returned to the fund by the Fire Union.

Section 5-9. Worker's Compensation

- A. **Members** who agree to participate in the Fire Department's health centers consultation and rehabilitation programs shall continue to receive 100% of their current rate of pay while off-duty due to an industrial injury based on current practice which is a maximum of 1 year per injury, thereafter the rate becomes 66-2/3%.
- B. If there is a disagreement in treatment between the Fire Department physician and the **member's** physician, the (2 physicians shall agree on a third physician whose decision shall be the final authority. **Members** who refuse to adhere to the above conditions shall only receive 66-2/3% based on current state law and the current maximum monthly rate allowed. If a **member** receives 66-2/3%, he/she may use sick leave, vacation, or compensatory time to make up the difference between 66-2/3% and 100%.

- C. Should the Union believe that a dispute in jurisdiction is unduly delaying a Worker's Compensation claim, or if the Union believes the City needs to provide greater assistance to a **member** trying to reopen an old claim, the Union may request a meeting with City Worker's Compensation staff (provided the involved **member** signs a release to do so) and such meeting will be scheduled within 14 calendar days.
- D. The City will first attempt to use physicians from specialty lists created by City of Phoenix Pension Boards for Independent Medical Examinations for **members** in Unit 5 (represented by Phoenix Fire Fighters Association Local 493).
- E. Family and Medical Leave Act (FMLA) leave shall not run concurrent with leave paid as industrial injury/illness (e.g. Workers' Compensation).
- F. **For workers' compensation claims where a Commission or Court decision, or a settlement, is final and binding on all issues and no further legal recourse exists, all personal leave time used by the member during the appeal process shall be reinstated to the appropriate personal leave banks within 45 days, unless special circumstances apply.**

Section 5-10. Employee Benefit Trust Fund

- A. Effective July 1, 2023, the existence of the Employee Benefit Trust Fund is continued for the term of this Memorandum of Understanding. The City will contribute \$68 per **member**, per month, (\$31.385 per pay period) into the Fund for the purpose of providing a monthly stipend to retirees to apply to the costs of their health and/or dental insurance, a funeral expense benefit for **members** and retirees, and such other benefits as may be lawfully provided, as determined in the discretion of the Trustees. The City's contribution will be matched by a \$29 per pay period to the same fund made by each **member**.
- B. The Trust Fund shall be managed and administered by a Board of five (5) Trustees selected as follows:
 - 1. Two (2) Trustees shall be appointed by the City Manager;
 - 2. Two (2) Trustees shall be appointed by the Phoenix Fire Fighters Association, Local 493; and
 - 3. One (1) Trustee, who shall serve as Chairperson, shall be selected by the four (4) appointed Trustees specified above.
- C. The Trust Fund shall be invested in prudent, protected investments in compliance with applicable law. The Trustees may seek such outside, independent advice and consultation as they shall deem appropriate.

- D. The Fund Trustees may adopt such rules and regulations for their Plan of Benefits as they deem appropriate and are authorized to secure a formal trust instrument. The trust instrument and any amendments thereto, must be specifically approved by the City Manager and the Union before they can become effective.
- E. Sums contributed to the Trust Fund shall be tracked with each **member** being assigned a notional account which records the contributions made by such **member**. All amounts in the Fund, together with any earnings thereon, shall be available for distribution as specified in the rules and regulations of the Plan of Benefits adopted by the Trustees. The Trustees shall have authority, consistent with their duties as Trustees, to amend the Plan of Benefits from time to time, including the authority to reduce or suspend benefit levels if required by the level of funding available. In no event will any benefit specified at any time in the Plan of Benefits be considered non-forfeitable. Benefits may be insured by a contract of insurance, but there is no liability upon the City, the Union or the Board of Trustees or its constituent members to provide benefit payments over and beyond the amounts in the Fund collected and available for such purpose.
- F. Any Fund participant who separates from the bargaining Unit prior to retirement, or who promotes out of the Unit shall receive an amount equal to all of his or her or her contributions to the Fund, plus interest based on the average annual interest earned by the Fund, but shall receive no other benefits and have no other claim on the Fund. Notwithstanding the foregoing, the Trustees may: (1) permit participants who promote out of the Unit to continue participation until retirement; and (2) permit participants who have severed employment to be reinstated in the Fund; either upon such terms and conditions as the Trustees may require.
- G. Upon the death of any **member** or retiree, the Fund will provide a benefit to assist with funeral expenses in an amount to be determined by the Trustees. The Fund Trustees may determine to provide to a surviving spouse of a deceased **member** or retiree a monthly stipend for application to the cost of their health/dental insurance.
- H. The Trustees shall prepare a booklet describing the Plan of Benefits for circulation to **members** and retirees, and shall prepare and circulate, in like manner, a summary of any modifications made to the Plan of Benefits during the term of this Memorandum of Understanding.
- I. If the Trust Fund is terminated for any reason, undistributed funds shall be distributed to those individuals (whether active or retired) who contributed to the Fund. Such distribution shall be pro rata based on the amount of the contribution of such individuals to the Fund less any disbursements they have received under the Plan of Benefits.

- J. Payments to retirees from the Trust Fund shall be in addition to current City contributions to retiree health insurance premiums.

In the event the decision of the court in Cheatham, et al v. Committee Guidelines to Support the Successful Implementation of Section 9

The Comprehensive 1-3-2-3 Organizational Impact Review Committee shall work to support the successful implementation of the Alternative Work Schedule (AWS), specifically the 1-3-2-3 schedule, and the Planned Earned Leave (PEL) program as integrated components of the Department's staffing and leave management strategy. These initiatives are intended to work in coordination with one another to improve staffing predictability, reduce reliance on unscheduled leave, and support firefighter health, wellness, and operational readiness.

In furtherance of these objectives, the committee shall evaluate operational impacts associated with implementation of the AWS and PEL programs, including leave usage, overtime, shift trades, and other attendance-related factors. The committee shall develop recommendations for reasonable operational adjustments necessary to support consistent staffing levels and sustain successful operation of the schedule and leave management framework.

Members shall retain the ability, consistent with Department staffing needs and applicable procedures, to discuss voluntarily working any scheduled PEL day.

The decision to implement the AWS (1-3-2-3) schedule shall be determined collectively through a vote of the membership conducted by the Association in coordination with the Department. Consistent with Section 5, implementation may occur through a pilot or phased approach. Upon adoption, the schedule shall be applied consistently in accordance with procedures established by the Department and the Association. The program shall remain in effect unless both parties mutually agree that operational impacts cannot be reasonably mitigated.

Nothing in the implementation of the AWS or PEL program shall result in a reduction of existing premium pays, negotiated compensation, or other contractual benefits. The AWS (1-3-2-3) schedule is intended to provide a reduction in scheduled work hours while maintaining existing compensation, premium pays, and negotiated benefits.

The committee shall also annually evaluate the number of vacation leave slots available throughout the Department and assess whether additional vacation slots are necessary to sustain appropriate staffing levels while ensuring members have reasonable and meaningful access to utilize their earned leave each year. Where deficiencies are identified, the committee shall develop recommendations for adjustments to the number and distribution of vacation slots necessary to meet these objectives.
