Article 1: Rights

Section 1-1. Gender

Whenever any words used herein in the masculine, feminine or neutral, they shall be construed as though they were also used in another gender in all cases where they would so apply.

Section 1-2. City and Department Rights

- A. The Union recognizes that the City and the Fire Chief retain, whether exercised or not, solely and exclusively, all express and inherent rights and authority pursuant to law with respect to determining the level of and the manner in which the Fire Department's service delivery activities are conducted, managed, and administered, and the Union recognizes the exclusive right of the Chief to establish and maintain departmental rules and procedures for the administration of the Fire Department during the term of this Memorandum provided that such rules and procedures do not violate any of the specific express provisions of the Memorandum.
- B. The City and the Chief have the exclusive right and authority to schedule work and/or overtime work as required in the manner most advantageous to the City subject to the express terms of this Memorandum.
- C. It is understood by the parties that every incidental duty connected with operations

enumerated in job descriptions is not always specifically described; nevertheless, it is intended that all such duties shall be performed by the employee.

- D. The Chief and City Manager reserve the right to discipline or terminate employees for just cause subject to Civil Service procedures.
- E. The City and the Chief shall determine and establish methods and processes by which duties are performed subject to the express terms of this Memorandum.
- F. The City and Chief shall have the right to transfer employees within the Department in a manner most advantageous to the City subject to the express terms of this Memorandum.
- G. Except as otherwise specifically provided in the Memorandum, the City and the Chief retain unqualifiedly all rights and authority to which, by law, they are entitled.
- H. The City shall have the authority to effect reorganizations of the Department. However, any such reorganization shall be discussed by the Labor-Management Committee prior to implementation.
- I. The Union recognizes that the city has statutory and Charter rights and obligations in contracting for matters relating to municipal operations.
- J. The inherent and express rights of the City and the Chief, including those herein specifically referred to, which are not expressly modified or restricted by a specific provision of this memorandum, are not, in any way directly or indirectly, subject to the Grievance Procedure herein.
- K. Nothing herein shall be construed to diminish the rights of the City under provisions established in the Meet & Confer Ordinance, Chapter 2, Article XVII, of the City Code or to diminish the provisions of the Civil Service Rules.

Section 1-3. Rights of the Union

- A. The Union, as the authorized representative, has the exclusive right to serve as the meet and confer representative of all employees in the Fire Fighter's Unit as certified by the Phoenix Employment Relations Board on July 29, 1976.
- B. The Phoenix community benefits from harmonious and cooperative relationships between the City and its employees. The Union plays an important role furthering this relationship and ultimately improving service to the City and its citizens. Accordingly, the City and the Union have negotiated various rights for unit employees as set forth in this MOU, in exchange for services to the City and in lieu of increased compensation. These bargained-for rights will promote and improve enhanced

service delivery models and public safety, along with other tangible benefits to the City's residents.

- C. The Phoenix City Council has determined, and Unit 5 agrees, there are specific activities that confer a public benefit; a dual public/private purpose or an exclusively public purpose. Consistent with this mutually beneficial relationship, Local 493 desires to negotiate a resolution in alignment with recent legal precedent. Accordingly, up to 2 Unit 5 (IAFF) members may be released to perform these duties under City Business.
- D. The City's Labor Relations Administrator or authorized designee will be responsible for coordinating the City Business Time. The Labor Relations Administrator shall work directly with Unit 5 in order to confirm any and all paid activity of the Authorized Employees is consistent with the activity approved below. The two Unit 5 members identified in Subsection B shall submit reports each pay period to the Labor Relations Administrator documenting the City Business and any leave (e.g., donated leave, vacation leave, sick leave, etc.) used during that pay period. The City has the right to audit time cards submitted. In the event there is disagreement, the parties will meet to discuss the matter at the request of Unit 5 or the City. The audit may result in Unit 5 reimbursing the City, by submitting Union Release hours, donated leave, personal leave, or monetary payment from the Union, for activity not deemed City Business under this Agreement.
- E. City Business Time

The City has determined there are activities that confer a public benefit, a dual public/private purpose or an exclusively public purpose for which members of Unit 5 should be released from their official duties to perform. Unit 5 acknowledges its members will receive City Business time for the time spent performing the following activities:

1. Authorized Employees will attend trainings that have been authorized in advance by Administration.
2. Authorized Employees will facilitate communication between employees and management ensuring a safe and efficient delivery of services, as well as developing a heightened degree of labor/management cooperation.
3. In coordination with management, Authorized Employees will communicate new programs and/or policy changes to the broader City workforce that are members of the bargaining unit in order to streamline service delivery and ensure timely implementation of changes in policy or programs. Changes in safety or security policy and procedure will be prioritized.
4. In coordination with management, as a means of achieving a healthier workforce

and driving down costs associated with workers' compensation, the cost of providing healthcare and the use of sick time, Authorized Employees will assist bargaining members with understanding coordination of benefits.

5. In order to ensure City resources are well coordinated, upon the direction of the City and consent of IAFF, Authorized Employees will participate in various City committees, labor management meetings, or labor management work groups as a member of the committee or group.
6. Participate in Department-authorized or City-sponsored authorized community projects and events.
7. Represent employees involved in critical incidents at the time of incident (e.g., personal injury related).
8. As a means of controlling administrative and litigation costs associated with employee matters in a large and complex City and with the goal of resolving matters at the earliest possible stage, at management's request Authorized Employees will assist bargaining unit members/employees and management in matters related to employer/employee relations.
9. Legislative, lobbying or political activities with the approval of the City Manager or authorized designee.

F. Activities not eligible for City Business Time

Authorized Employees shall be prohibited from engaging in any of the following activities while on paid City Business time:

1. Lobbying. This includes letter writing or telephone calls, without approval of the City Manager or authorized designee.
2. Legislative Activity. This includes participating in the preparation or distribution of legislative proposals, without approval of the City Manager or authorized designee.
3. Organizing. This includes preparing and/or distributing union related materials.
4. Civil Service Discipline. This includes the representation of any bargaining unit member/employee in disciplinary matters before the Civil Service Board.
5. Bargaining/Negotiations. This includes any matters deemed to be a mandatory subject of bargaining.
6. Representation in grievance or disciplinary proceedings.

G. Requests for City Business Time

1. A union member who wishes to use City Business time must submit a written request (*e-mail will suffice*) as soon as the need for time is known but no later than 72 hours in advance, when practical, of the time requested to an individual designated by the Labor Relations Administrator or authorized designee. Any such request must specify what the time will be used for. A request for City Business time will be approved only if the activity has either a dual public/private purpose or an exclusively public purpose. Upon Labor Relations Administrator approval, Fire Department time management will be notified of the approved leave for entry into Telestaff.

H. Union Representatives

1. The Union may designate one (1) 493 Executive Director, three (3) 493 Directors, and four (4) Union Representatives to represent members of our unit when appropriate. The Phoenix Chapter President shall notify the Fire Chief of these designations. There shall be no obligation on the Department to change or adjust normal departmental scheduling or assignments of personnel as a result of such designations.
 2. Union representatives may attend mutually scheduled grievance, investigative, and disciplinary meetings and hearings with department representatives during duty hours by using the Bank of Donated Leave. Time spent during duty hours for any other union activity, such as gathering information, interviewing the grievant or witnesses, attending a union meeting, or preparing a presentation shall also be charged against the Bank of Donated Leave as described in Article 5, Section 5-5.
- I. Union members may be authorized in advance in writing to engage in Union related activities during duty hours on a non-paid basis by the Fire Chief at such time and in such instances when in the discretion of the Chief such will not in any manner interfere with the efficient and economical operations of the Department nor adversely impact the level of Fire Fighting services or support services.

The City shall, at the request of the Union, make changes in the amount of the deduction hereunder during the term of this Memorandum at cost for implementing such change. The City shall not make dues deductions for Unit employees on behalf of any other employee organization during the term of this Memorandum. The City assumes no liability on account of any action taken pursuant to this paragraph. In addition, with sufficient notice the Union may request a change in dues deduction to either monthly or bi-weekly for the entire membership each July 1 or at other times agreed to by the parties. By filling out and submitting a voluntary deduction form for membership dues, each unit member/employee is clearly and affirmatively consenting to the deduction of the stated amount of money for membership dues from their pay check.
- M. The City will continue to provide those bulletin boards as designated by the City in the past exclusively for posting of official Union literature that is not political in nature, abusive of any person or organization, or disruptive of the department's operations. Such requests shall be made through the Assistant Chief in charge of personnel. Any unusual costs incurred by the City in connection with this Section shall be borne by the Union.
- P. The Union and the Department will jointly present training to new Fire Fighter recruits about the activities that are mutually beneficial to the City and the Community. This time will be allotted sometime during the last 4 weeks of training of said recruits at the Training Academy. During such discussions, Union representatives shall avoid

the dissemination of information that is political in nature, abusive of any person or organization or disruptive of the Department's operation. City business time will be available for this purpose.

appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written mutual agreement may move the grievance to Step 2 of the grievance procedure.

2. Step 2

If the written response of the Step 1 does not result in a resolution of the grievance, the grievant may appeal the grievance by signing and completing the City form and presenting it to the department head, or designee within 14 calendar days of the grievant's receipt of the Step 1 response.

The department head, or designee, may further consider and discuss the grievance with the grievant and the grievant's representative, if any, as deemed appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written agreement may move the grievance to Step 3 of the grievance procedure.

3. Step 2.5

After the Step 2 response, but prior to review by the Grievance Committee, the parties involved may mutually agree to submit the grievance to Labor Relations. The grievance, as originally written and Step 1 and Step 2 responses, must be submitted to Labor Relations within 14 calendar days of receipt of the Step 2 response. Labor Relations shall, within 14 calendar days of the receipt of the grievance, meet with the department head, or designee, and the grievant and the grievant's representative, if any, in an attempt to resolve the grievance. Labor Relations shall then submit a written response to all parties within 14 calendar days of the meeting.

4. Step 3

- a. If the written response of the Step 2 (or 2.5 if applicable) does not result in a resolution of the grievance, the grievant may, within 14 calendar days of the Step 2 response, appeal the grievance by signing and completing the City form and presenting it to Labor Relations. A Grievance Committee hearing will be scheduled at which the grievant shall be afforded the opportunity to fully present his position and to be represented.

The Grievance Committee shall be composed of:

Chairman – A member of the City Manager's Office designated by the City Manager.

2 Members – Mutually agreed upon by City Manager's Office and Local 493.

The Grievance Committee shall submit findings and advisory recommendation(s) to the City Manager. The City Manager shall make the final determination of the grievance and submit it in writing to the grievant and

his designated representative.

- b. If the grievant so elects in writing within the above time limit, in lieu of such hearing the grievance may be reviewed by an arbitrator. The parties, or their designated representatives, shall agree on an arbitrator, and if they are unable to agree on an arbitrator within a reasonable time, either party may request the Federal Mediation and Conciliation Service to submit to them a list of 7 arbitrators who have had experience in the public sector. The parties shall, within 7 calendar days of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator. The arbitrator so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:
 - i. The arbitrator shall be bound by the language of this Memorandum and departmental rules and regulations consistent therewith in considering any issue properly before him/her.
 - ii. The arbitrator shall expressly confine him/herself to the precise issues submitted to him/her and shall have no authority to consider any other issue not so submitted to him/her.
 - iii. The arbitrator shall be bound by applicable State and City law.
 - iv. The cost of the arbitrator and any other mutually incurred costs shall be borne equally by the parties.

The arbitrator shall submit findings and advisory recommendations to the City Manager. The City Manager shall make the final determination of the grievance and submit it in writing to the grievant and his designated representative.

- c. The City is not under any obligation to accept grievances where the City Manager has previously decided on the same fact pattern.

D. Time Limits

Failure of City Management representatives to comply with time limits specified in Paragraph C shall entitle the grievant to appeal to the next level of review; and failure of the grievant to comply with said time limits shall constitute abandonment of the grievance; except however, that the parties may extend time limits by mutual written agreement in advance of the deadline.

E. Union Grievance

The Union may, in its own name, file a grievance that alleges violation by the City of the rights accorded to the Union by the specific terms of Article 1-3 of this Memorandum. The Union shall file such grievance at Step 3 of this Procedure.

F. Group Grievance

When more than one unit member/employee claims the same violation of the same rights allegedly accorded by this Memorandum, and such claims arise at substantially the same time and out of the same circumstances, a single group grievance may be filed in the name of all such members. Such group grievances shall be filed at the Step of this Procedure which provides the lowest level of common supervision having authority over all named Grievants. Each unit member/employee that is a party Grievant must be named and must sign such group grievance.

G. Employer Grievances

Should they occur as a result of official Union activities or actions, including the failure to act as required under the terms of this Memorandum, employer grievances will be presented directly to the Union president or any officer of the Union within 14 days of the occurrence prompting the grievance. The president, or designee, shall in each case provide a written answer within 14 days from receipt of the grievance. Unresolved employer grievances may be submitted to arbitration pursuant to Step 3.

Section 2-2. The RBO / Labor-Management Process

- A. The purpose of the Relationships by Objectives (RBO) committee is to enhance service delivery models and address public safety employee-related issues. The RBO process is done through the facilitation and open discussion of mutual concerns and problems which may include; implementation of major department programs and/or substantial modifications of existing major programs that will have a significant impact on service delivery or work schedules. Items of concern are then enacted as initiatives to be accomplished over the course of the year that follows.
- B. The RBO Committee shall meet annually at mutually scheduled times, and at other mutually agreed upon times as necessary. The RBO Committee process consists of a Correlating Team. The Correlating Team includes the following representatives from Labor and Management: the Fire Chief and Executive Staff (Assistant Fire Chiefs) and the Union President and Labor Executives. For each initiative mutually identified in the RBO process, a Committee is established consisting of representatives from labor and management and facilitated by co-chairs. Sub-committees are further developed to facilitate meetings to achieve goals as set forth in the agreed upon initiatives. Throughout the year, Committees and Sub-Committees will meet regularly to accomplish their RBO initiatives.

- C. There shall be a Fire Labor-Management Committee consisting of the Fire Chief and Union President. The Fire Labor-Management Committee provides oversight for the entire RBO / Labor-Management Process.
- D. A standing agenda will be developed. The members shall, in advance of a meeting, provide the co-chairs with proposed additional agenda items, and the co-chairs will provide the members with the meeting agenda. To ensure clarity and continuity, the parties agree that meetings should be audio recorded and the recordings maintained in a secure database accessible to both parties for future reference. The individuals assigned to record meeting minutes are encouraged to capture sufficient detail of discussions and any agreements reached, particularly when significant changes are considered, so that both parties may accurately reference these records in the future.
- E. Representatives of the Union on the Committee shall not lose pay or benefits for meetings mutually scheduled during their duty time.
- F. The Sub-Committees may be supplemented by representative(s) of the City Manager if it is proposed to discuss mutual aid or fire protection contract matters.
- G. The Sub-Committees may, if they deem proper, suggest recommendations to the Fire Chief and the City Manager for their consideration and determination.
- H. Employees who are designated by the Fire Labor-Management Committee as RBO/Labor Management Coordinators will be eligible for compensation from a bank of 2,112 hours. These individuals, limited to no more than 11 employees, will work with management on the priorities determined through the RBO (Relationships by Objectives) process. These initiatives pertain to enhancing operational efficiencies, service delivery, and improvements to employee safety and organizational performance.
- I. It is understood by the parties that the benefits granted by Section 2-2 of Article 2 shall not be interpreted or applied as requiring the employer to count as time worked any hours or fractions of hours spent outside the employee's work shift in pursuit of benefits provided by this Section. The employer shall count as paid leave any hours or fractions of hours spent within the employee's regular work shift in pursuit of benefits provided by this Section.
- J. The City will provide the professional services of a secretary for the labor-management process. The secretary will be assigned to the community affairs division of the Phoenix Fire Department and will work at the direction of the Fire Labor-Management Committee. The selection process for this position shall be determined by the Fire Labor-Management Committee.

In the interest of encouraging member total wellness and providing customer service delivery, the City of Phoenix Fire Department and Phoenix Fire Fighters Association Local 493 will develop a drug testing policy through the Fire Labor/Management process. The drug testing program will be administered and managed by the Fire Department.

Section 2-3. Productivity Discussions

- A. Recognizing the need to provide the highest practical level of fire protection and emergency medical service to the citizens of Phoenix, the City, Fire Department, and Union, pledge to continue to work towards increasing the productivity of the Phoenix Fire Department. In a continuing commitment towards increased productivity, the joint Labor-Management Productivity Committee shall meet on a regular basis during the term of the M.O.U. to discuss the development of structured productivity programs within the Phoenix Fire Department.
- B. The distribution of any demonstrated economic savings or other productivity rewarding measures resulting from the implementation of productivity programs shall be a proper subject for the Meet and Confer process pursuant to the provisions established in the Meet & Confer Ordinance, Chapter 2, Article XVII, of the City Code.
- C. It is understood by the parties that the benefits granted by Section 2-3 of Article 2 shall not be interpreted or applied as requiring the employer to count as time worked any hours or fractions of hours spent outside the employee's work shift in pursuit of benefits provided by this Section. The employer shall count as paid leave any hours or fractions of hours spent within the employee's regular work shift in pursuit of benefits provided by this Section.

Article 3: Compensation/Wages

Section 3-1. Wages

Wage Proposal Summary – Firefighter, Engineer, and Captain Classifications

- A. Phoenix continues to experience extraordinary growth, both in population and in Fire Department recruitment. This expansion presents an opportunity for the City to reaffirm its commitment to hiring and retaining the very best candidates as we meet increasing service demands.

In alignment with the Mayor's stated goal that "Public Safety is key to a successful city," the parties agree that base wage adjustments for Firefighters, Engineers, and Captains are essential to achieving the objective of making Phoenix Fire Department personnel the highest paid in the State of Arizona.

Through collaboration with City Human Resources following the Class and Compensation implementation, additional flexibility was created within the existing pay structure—allowing greater separation between the top Firefighter step and the entry step for the Engineer rank. Accordingly, the parties propose a **minimum five percent (5%) base hourly increase for the rank of Firefighter** as an initial adjustment to reflect this realignment.

This five percent increase establishes the minimum standard; however, both parties recognize that additional adjustments may be warranted to achieve and maintain the stated goal of ensuring Phoenix Fire Department personnel remain the highest paid in base wages among comparable Arizona fire service agencies.

This effort underscores a shared commitment to recruitment, retention, and operational excellence, ensuring that Phoenix Fire Department wages remain among the **top two highest paid public safety agencies in the State of Arizona**. To ensure Phoenix Fire Department wages stay among the top two highest paid public safety agencies in the State of Arizona the city of Phoenix will do an annual pay in comp study for firefighters starting in January of 2027.

- A. Employees assigned to, or assigned as rovers to, Special Operations Teams, canine search specialists team, and the ARFF program team, and who have also achieved and maintained the level of Technician, or equivalent, through specific training and education, shall receive Special Ops Team pay. Members certified in both hazmat (HMT) and technical rescue (TRT) and assigned to, or assigned as rovers to fill cross trained positions on the heavy rescue squads and/or C-957 shall receive Bi-Tech Team pay, which is the sum of HMT & TRT Special Ops Team pay combined.

An employee who is awarded a position on a team in this section shall receive their Team Pay no later than 6 months, if the Fire Department has not offered the employee a training spot in the required entry level Special Operations course within 6 months of accepting their team position.

If Employees who are required to obtain dual technician certification (C957 Captains and employees assigned to heavy rescue squads) do not have either team pay and employee has not been offered a training spot in the required entry level Special Operations course within 6 months of accepting their assignment, they will receive team pay for one of the two disciplines. If the employee has one technical certification in good standing and is receiving team pay, the member will receive assignment pay for the second discipline if the employee has not been offered a training spot in the required entry level Special Operations course within 6 months of accepting their team position.

- B. Employees who meet the Fire Department's linguistic skill qualifications and become certified, shall receive a premium of \$75.00 per month.

- C. It is understood that the pay rates set forth in Attachment "A" are interpreted to be specific with regards to steps as implemented in the classification and compensation and passed in Ordinance S-49802 by the City Council on May 31, 2023, except that performance related items including, but not limited to, special merit increases, special salary adjustments, demotions, assignment pay and extensions in merit pay anniversary dates resulting from extended leave without pay, industrial, and reinstatements may alter an employee's step progression and monthly salaries as indicated in Attachment "A."

If an employee is not given his/her performance evaluation by the annual review date, the employee may request his/her merit increase in writing by sending a memorandum directly to the Human Resources Officer. If the performance evaluation is an overall "met," the request will be processed within 21 calendar days of submittal and will be retroactive to the performance evaluation annual review date.

- D. Employees assigned by the Fire Chief to staff assignments in authorized staff positions (40 hours) will be entitled to 10% assignment pay if such assignment is to exceed 2 consecutive pay periods, and shall continue to receive such assignment pay for the duration of such assignment. This provision shall not apply to employees attending recruit training or employees assigned to limited duty. Employees assigned to authorized 40 hour staff assignments and who begin receiving staff assignment pay shall also be eligible to continue all other current assignment pays provided all required certifications are maintained. Employees assigned to limited duty shall continue to receive holiday pay and FLSA/work week adjustments (Section 4-1, Paragraph E, of Article 4) for the duration of their limited duty assignment, irrespective of their actual work hours.
- E. Employees assigned to any 40 hour staff positions shall receive 2 8 hour or 10 hour professional development days per year depending on their schedule. The employee shall decide the days and areas of development. These days shall be assigned through the vacation signup process. No employee shall receive these days in addition to the full amount of Local 493 days.
- F. The Fire Department's 21-day pay schedule normally begins on C-shift Mondays. In any leap year, ERSO, South Shift Command, Payroll and Local 493 will identify the first and most appropriate "Payroll Monday" to switch to a leap year schedule. The objective will be to balance out holiday shifts between A, B, and C shift.

In the event the Department and Local 493 mutually approve and implement an alternative Operations schedule, such as the proposed 1-3-2-3 model, the parties agree to collaboratively review and, if necessary, adjust the 21-day pay schedule and corresponding shift rotation to ensure proper alignment with payroll cycles and operational continuity. Any such adjustments shall be made jointly by ERSO, South Shift Command, Payroll, and Local 493 through the

Labor-Management process.

- G. Effective the first full pay period in July 2023, Unit 5 employees shall be paid Nightwork Pay of \$5.00 \$7.50 per hour on all hours actually worked between 2200 hours and 0600 hours. No employee shall receive the hourly Nightwork Pay while on paid leave.

Nightwork Pay must be accounted for in base wage computations for the purposes of any and all classification and compensation studies and comparisons.

The parties agree to evaluate this program during the term of the 2023-24 M.O.U.

H. Union Requested Job Classification Studies

- 1) The Union may submit a prioritized written request of classifications specific to the unit that they wish to have studied each contract term. All written requests shall include a full explanation of why the classification should be studied. This explanation shall indicate whether the Union is requesting a full classification study (including job levels and job architecture) or if the request is limited to a compensation review to assess market competitiveness and grade and salary levels. Requests from the Union will be prioritized with other standing requests.
- 2) The Union and the City have met regularly since the implementation of the 2023 class & comp study to resolve issues that resulted. As such, the Union and City Human Resources Department (including representatives from the Class & Comp Division) will meet with Union leadership monthly during the term of this MOU to discuss issues arising from the 2023 citywide classification and compensation study.

I. FEMA/USAR Deployment Wage Payment

Members who deploy on a FEMA or USAR event shall have wages paid within 30 days of return from the deployment.

Section 3-2. Productivity Enhancement Pay

- A. In recognition of the significant increase in service delivery and cost savings to the City of Phoenix by the employees of the Phoenix Fire Department, the City agrees to implement the following Productivity Enhancement Pay formula for employees:
1. In November of each calendar year and June of each calendar year, employees who have completed at least 7 years of continuous full-time service and who meet the additional qualifications specified in Section 3-1A of Article 3 shall be paid \$80.00, pro-rated and included each pay period in the qualifying unit

member's/employee's regular pay check throughout the year, for each full year of continuous full-time service in excess of 5 years, up to a semi-annual maximum of \$2,000.00, annual maximum of \$4,000.00 at 30 years.

2. Employees on industrial leave shall qualify for this payment for only the first year of the industrial leave. However, the entire period of industrial leave shall qualify as continuous service when the employee returns to active employment.
 3. Adjustments to payments will be made as soon as possible but no later than 30 days of the qualifying date.
- B. An employee must have achieved the overall performance rating of "meets standards" on his latest scheduled performance evaluation on file in the Human Resources Department.
- C. An employee who receives a below "meets standards" evaluation shall receive another evaluation within 90 to 120 days, and if that evaluation is "meets standards," he will be eligible for Productivity Enhancement Pay starting with the next qualifying date.

Section 3-3. Overtime

- A. Employees who are assigned to be and are on duty beyond their scheduled work shift shall be compensated for such assigned overtime work at 1 ½) times their regular rate, 56 hours or 40 hours, after the first 7 minutes of assigned and worked overtime calculated to the nearest 1/4 hour.
- B. Employees shall have the option of being paid in cash for overtime, or allow the overtime to accrue as compensatory time up to a maximum of 168 hours for employees working a 56 hour schedule, or 120 hours for employees working a 40 hour schedule.
- C. Overtime compensation shall not be paid twice for the same hours worked.
- D. Use of compensatory time shall be in conformance with the requirements of the Fire Chief and shall take into consideration departmental scheduling and operational factors.
- E. Payment for time worked shall be in conformance with the requirements of the Fire Chief and shall take into consideration departmental scheduling and operational factors.
- F. The provisions of Section 3-2 of Article 3 shall not apply where an employee is assigned out-of-class to a non-Unit position.

- G. Allocation and opportunities for overtime shall be discussed in the Labor/Management process.
- H. The Fire Department will maintain daily “peak time” opportunities on either 2 person rescues or 4 person units on a peak time basis only. Special events staffing and overtime opportunities outside of the 9-11 response system will not be counted as a peak time opportunity.

This item reflects an agreement between the Fire Department and the Union in 1984 on the future staffing of the rescues. The increased work-load and responsibility of the full time rescues was incented by agreement that there would be overtime opportunities on peak time rescues. Further, the department was reorganized through the RBO process in 1993 to enhance ALS and rescue capabilities throughout the city. This reorganization included a pool of employees to staff back rescues and guarantee that no new employee would have to work more than 200 shifts on a rescue. Employees agreeing to be in this pool are then entitled to work on the peak time rescues on an overtime basis when their name comes up in a rotation. The Fire Department and Local 493 will continue to work jointly through the RBO Process to determine the deployment of peak time units to ensure the greatest benefit to the service delivery system and provide adjustments, when needed.

The parties acknowledge the existence of a current side agreement between the Phoenix Fire Department and Local 493 regarding the deployment, staffing, and operation of peak-time rescue units. Recognizing that this agreement is active but not yet incorporated into the Memorandum of Understanding, both parties agree to include this item as a standing topic during the Meet and Confer process for review, clarification, and potential modification. Any mutually agreed-upon changes resulting from these discussions shall be formally incorporated into this Memorandum of Understanding upon ratification.

Section 3-4. Call Out Pay/Standby Pay

- A. Call out time shall be at a minimum of 3 hours at 1 ½ times the employee’s regular rate of pay, 56 hours or 40 hours depending on assignment, after the first 7 minutes calculated to the nearest 1/4 hour. If a unit member/employee leaves a call out event without authorization prior to the termination of the event, Section 3-2A of Article 3 shall not apply.
- B. The provisions of this Section shall not apply where an employee is assigned out-of-class to a non-Unit position.
- C. Standby pay shall be compensated at **five percent (5%)** of the employee’s regular hourly rate of pay for each hour assigned to standby status.

- D. If an employee is called out while on standby, those hours shall be compensated in accordance with the established **Call-Out Pay** formula which is noted above.

Section 3-5. Out-of-Class Pay

Pursuant to A.R. 2.201, 16 hours of out-of-class work on a shift for employees will constitute a full shift of out-of-class assignment pay. There will be no out-of-class pay for working less than 16 hours. Employees assigned to work out-of-class shall receive compensation at a rate of five percent (5%) above their base salary for the duration of the shift.

Employees who are deemed qualified to work in an out-of-class assignment shall receive out-of-class assignment pay immediately upon performing the duties of the higher classification. No minimum qualifying hours shall be required.

Employees on a 40 hour schedule will complete 11 shifts, 6 hours minimum of out-of-class assignment, to satisfy the minimum qualifications for out-of-class pay.

3. 100% of employees sick leave will be paid at the full hourly rate to dependents/beneficiaries/survivors in the event of a Non-Line of Duty Death.

Section 3-7. Deferred Compensation and Defined Contribution Plans

Examples include, but are not limited to: life insurance, 493 and Personal Development Days, long term disability insurance, leave payouts, member donated release time, etc.

Article 4. Hours of Work/Working Conditions

Section 4-1. Hours of Work

- A. The duty hours for employees assigned to Operations or Emergency Services, excluding 40 hour staff assignments, shall continue to average 56 hours per week. Shifts shall continue to be 24 and/or 48hours hours in duration. *Both parties acknowledge that discussions within the RBO process regarding alternative scheduling models, including the proposed 1-3-2-3 schedule, are ongoing, and agree to continue collaborative efforts to evaluate, refine, and formally codify any mutually agreed-upon changes to duty hours and shift structure through future amendments to this Memorandum. Any such implementation shall be designed to ensure cost neutrality to the City while guaranteeing that no Unit 5 member experiences any reduction in annual compensation or benefits as a result of the transition, and shall be executed in a manner that maintains the Department's operational readiness, service delivery standards, and commitment to public safety.*

- B. The work hours and schedule of employees assigned to an administrative staff assignment (Non-Operations/56-hour schedule) shall be 5 8 hour days (excluding authorized meal breaks), or 4 10 hour days (excluding authorized meal breaks) *at the preference of the employee, subject to operational needs and mutual agreement with the Department.*

The work hours and schedule of employees assigned to the Fire Investigations Section may only be mutually changed by the Fire Chief and the Union President through the Labor-Management process. Fire Investigation employees will be assigned to one of two 40-hour schedules that may include a 4/10 or a modified A, B, C shift schedule. All schedules will equal a 40-hour work week. All Fire Investigators, regardless of schedule will be paid overtime at the 40-hour rate.

- C. Fire Investigation employees assigned to the modified shift schedule will be required to work on City paid holidays when their regular schedule shift occurs on that day. Those employees required to work on a City holiday as a result of the shift schedule will receive pay in lieu of time off. The Fire Department shall continue its long-standing practice of using sworn Fire Captains as Fire Investigators.

The Fire Department will attempt to maintain staffing levels of the Investigations Section, in order to provide for investigatory needs of the Department. The staffing level shall be a minimum of 4 investigators on A, B, and C shift as soon as 15 investigators are fully trained. Any future proposed staffing level recommendations will be discussed through the labor/management process. A maximum of one vacation shift will be allowed per shift for those employees assigned to the modified A, B, C shift schedule, unless pre-approved by department head or designee. If implementation of the proposed 1-3-2-3 schedule requires adjustment to the Fire Investigation Section's work schedule, both parties will collaborate through the Labor-Management process to ensure any change remains cost neutral to the City and does not reduce member compensation, benefits, or operational effectiveness.

- C. When an employee is required to change from one type of a schedule to another by the Fire Department, the Department shall allow a minimum of 16 hours between tours of duty.
- D. The work week for employees on a 56 hour schedule shall be 53 hours. Employees will continue to work the existing 56 hour schedule. Employees working the existing 56 hour schedule will be compensated as follows: Provided, however, that if the 1-3-2-3 schedule currently under consideration in the RBO process is adopted after full review and agreement by both the members and the organization, the listed monetary figures may be adjusted as necessary to ensure that Unit 5 members experience no

reduction in their annual compensation.

1. The first 53 hours will be paid at the base 56 hour rate.
 2. The 54th hour will be paid at 1 ½ times the regular hourly rate.
 3. The 55th and 56th hours will be paid at 2 times the base 56 hour rate.

Employees shall be paid on a 40-hour work week until completion of the respective Training Program. In the event an employee attending the Training Program does not receive their regular Local 493 Days (as per Section 3-1 (I) of this Memorandum of Understanding), any missed Local 493 Days will be re-scheduled prior to the employee's return to the Operations Division.
- Schedule 2. Employees may remain on their normal Operations schedule (A, B, or C Shift) and be provided paid Fire Department leave to attend the Training Program when their training is scheduled on shift. When members are required to attend training on their days off, employees will be compensated at 1 ½ times their regular rate for the hours they are in attendance. Compensation and Local 493 Days will remain the same as any other employee assigned to a 56-hour work week. The decision to utilize Schedule 1 or 2 will be discussed in a labor/management setting.
- F. Each 56 hour unit employee shall receive 8 shifts off per year, referred to in this MOU as Local 493 days. This will allow for an hours reduction without specifying a specific number of hours in this reduction or reducing current rates of pay, FLSA, or hours reduction pay as specified in Section 4-1, Paragraph E, of Article 4. The rotation system shall be worked out between the Fire Chief and the Union President with the consent of the Labor Relations Division. These Local 493 Days shall be awarded based on total seniority as a sworn member of the Fire Department. Unit 5 employees may submit a request to work a Local 493 day. Management may hire members to work a Local 493 day in the event the constant staffing process is utilized to meet minimum staffing requirements. Employees who work a Local 493 day must work the entire 24-hour shift and shall be compensated at a rate of one and one-half (1½) times their regular rate of compensation, in addition to their regular pay.
