

City of Phoenix
FINANCE DEPARTMENT

TO: KATHLEEN GITKIN,
CHIEF FINANCIAL OFFICER

DATE: APRIL 17, 2023

FROM: ADRIANA PHILLIPS
ACTING DEPUTY FINANCE DIRECTOR

SUBJECT: 2023 PAST TERM CONTRACT EXTENSIONS

This memo requests authorization to extend the contract term and if necessary, request additional payment authority for the attached list of 253 contracts. The extensions requested are for one-year plus an additional option year, or up to five-years for those contracts which were approved through an exception to the competitive process.

Extending the contracts is critical to continue to provide uninterrupted goods and services citywide. The extensions will allow additional time to implement solutions to address the large volume of needed procurements. Contributing reasons for this action include:

1. Increased procurement needs due to a growing organization, federal funds, unplanned procurements, etc.
2. Continued significant vacancies on the Central Procurement Team.
3. Hiring challenges, both in attracting experienced candidates and satisfying salary expectations.
4. Insufficient number of staff compared to the number of procurements needed.

The extension of these contracts will provide time to focus on increasing hiring and training efforts, and implementing consistent, more efficient procurement processes and methodologies.

Contract Officers will maintain a copy of this memorandum in the electronic contract file for the contract extensions.

Approved by:

A handwritten signature in cursive script, reading "Kathleen Gitkin", written in black ink.
