Yes, three months would be great, Josh. I will be meeting with Councilwoman Pastor on the 6<sup>th</sup> to review our updated plans. We will also have our updated plan and General Conformance evaluation over to you and Adam early next week. The plan is shaping up.

Thank you both!

**Subject:** Continuance memo for Z-20-21-4 on the Sept. 7 City Council Agenda

Stephanie:

Can you please draft a continuance memo for Z-20-21-4 for next week's City Council Formal agenda? I have talked with the Vice Mayor about a three month continuance. Copied on the e-mail is the applicant, Alan Beaudoin.

Alan:

Based on our conversations you would like to request a three month continuance to allow your design team on the project to explore potential development of the site utilizing the existing zoning. Can you confirm that this is still the case and that three months is an adequate amount of time for the continuance?
