NOW, THEREFORE, having reached this complete agreement concerning wages, hours, and working conditions for the term specified, the parties submit this Memorandum to the City Council of the City of Phoenix with their joint recommendation that body resolve to adopt its terms and take such other action as may be necessary to implement its provisions.

ARTICLE 1: Rights

Section 1-1. Gender

Whenever any words used herein in the masculine, feminine or neutral, they shall be construed as though they were also used in another gender in all cases where they would so apply.

Section 1-2. City and Department Rights

- A.** The Union recognizes that the City and the Fire Chief retain, whether exercised or not, solely and exclusively, all express and inherent rights and authority pursuant to law with respect to determining the level of and the manner in which the Fire Department's service delivery activities are conducted, managed, and administered, and the Union recognizes the exclusive right of the Chief to establish and maintain departmental rules and procedures for the administration of the Fire Department during the term of this Memorandum provided that such rules and procedures do not violate any of the specific express provisions of the Memorandum.
- B.** The City and the Chief have the exclusive right and authority to schedule work and/or overtime work as required in the manner most advantageous to the City subject to the express terms of this Memorandum.
- C.** It is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described; nevertheless, it is intended that all such duties shall be performed by the employee.
- D.** The Chief and City Manager reserve the right to discipline or terminate employees for

just cause subject to Civil Service procedures.

- E.** The City and the Chief shall determine and establish methods and processes by which duties are performed subject to the express terms of this Memorandum.
- F.** The City and Chief shall have the right to transfer employees within the Department in a manner most advantageous to the City subject to the express terms of this Memorandum.
- G.** Except as otherwise specifically provided in the Memorandum, the City and the Chief retain unqualifiedly all rights and authority to which, by law, they are entitled.
- H.** The City shall have the authority to effect reorganizations of the Department. However, any such reorganization shall be discussed by the Labor-Management Committee prior to implementation.
- I.** The Union recognizes that the city has statutory and Charter rights and obligations in contracting for matters relating to municipal operations.
- J.** The inherent and express rights of the City and the Chief, including those herein specifically referred to, which are not expressly modified or restricted by a specific provision of this memorandum, are not, in any way directly or indirectly, subject to the Grievance Procedure herein.
- K.** Nothing herein shall be construed to diminish the rights of the City under Section 5 of Ordinance G-3032 or to diminish the provisions of the Civil Service Rules.

Section 1-3. Rights of the Union

- A.** The Union, as the authorized representative, has the exclusive right to serve as the meet and confer representative of all employees in the Fire Fighter's Unit as certified by the Phoenix Employment Relations Board on July 29, 1976.
- B.** The Phoenix community benefits from harmonious and cooperative relationships between the City and its employees. The Union plays an important role furthering this relationship and ultimately improving service to the City and its citizens. Accordingly, the City and the Union have negotiated various rights for unit employees as set forth in this MOU, in exchange for services to the City and in lieu of increased compensation. These bargained-for rights will promote and improve enhanced service delivery models and public safety, along with other tangible benefits to the City's residents.
- C.** The Phoenix City Council has determined, and Unit 5 agrees, there are specific activities that confer a public benefit; a dual public/private purpose or an exclusively public purpose, for which up to two (2) Unit 5 (IAFF) members may be released and

will perform these duties under City Business.

- D.** The City's Labor Relations Administrator or authorized designee will be responsible for coordinating the City Business Time. The Labor Relations Administrator shall work directly with Unit 5 in order to confirm any and all paid activity of the Authorized Employees is consistent with the activity approved below. The two Unit 5 members identified in Subsection B shall submit reports each pay period to the Labor Relations Administrator documenting the City Business and any leave (e.g., donated leave, vacation leave, sick leave, etc.) used during that pay period. The City has the right to audit time cards submitted. In the event there is disagreement, the parties will meet to discuss the matter at the request of Unit 5 or the City. The audit may result in Unit 5 reimbursing the City, by submitting Union Release hours, donated leave, personal leave, or monetary payment from the Union, for activity not deemed City Business under this Agreement.

E. City Business Time

The City has determined there are activities that confer a public benefit, a dual public/private purpose or an exclusively public purpose for which members of Unit 5 should be released from their official duties to perform. Unit 5 acknowledges its members will receive City Business time for the time spent performing the following activities:

1. Authorized Employees will attend trainings that have been authorized in advance by Administration.
2. Authorized Employees will facilitate communication between employees and management ensuring a safe and efficient delivery of services, as well as developing a heightened degree of labor/management cooperation.
3. In coordination with management, Authorized Employees will communicate new programs and/or policy changes to the broader City workforce that are members of the bargaining unit in order to streamline service delivery and ensure timely implementation of changes in policy or programs. Changes in safety or security policy and procedure will be prioritized.
4. In coordination with management, as a means of achieving a healthier workforce and driving down costs associated with workers' compensation, the cost of providing healthcare and the use of sick time, Authorized Employees will assist bargaining members with understanding coordination of benefits.
5. In order to ensure City resources are well coordinated, upon the direction of the City and consent of IAFF, Authorized Employees will participate in various City committees, labor management meetings, or labor management work groups as a member of the committee or group.

6. Participate in Department-authorized or City-sponsored authorized community projects and events.
7. Represent employees involved in critical incidents at the time of incident (e.g., personal injury related).
8. As a means of controlling administrative and litigation costs associated with employee matters in a large and complex City and with the goal of resolving matters at the earliest possible stage, at management's request Authorized Employees will assist bargaining unit members and management in matters related to employer/employee relations.

A union member who wishes to use City Business time must submit a written request (*e-mail will suffice*) as soon as the need for time is known but no later than 72 hours in advance, when practical, of the time requested to an individual designated by the Labor Relations Administrator or authorized designee. Any such request must specify what the time will be used for. A request for City

Business time will be approved only if the activity has either a dual public/private purpose or an exclusively public purpose. Upon Labor Relations Administrator approval, Fire Department time management will be notified of the approved leave for entry into Telestaff.

1. The Union may designate two (2) shift representatives for each of the three (3) twenty-four (24) hour shifts (Shift A, Shift B, and Shift C) and one (1) for the day shift with the understanding that the Union will make every effort to ensure that the shift representative works on the shift represented and shall notify the Fire Chief of such designations. The City shall, at the request of the Union, make changes in the amount of the

deduction hereunder during the term of this Memorandum at cost for implementing such change. The City shall not make dues deductions for Unit employees on behalf of any other employee organization during the term of this Memorandum. The City assumes no liability on account of any action taken pursuant to this paragraph. In addition, with sufficient notice the Union may request a change in dues deduction to either monthly or bi-weekly for the entire membership each July 1 or at other times agreed to by the parties. **By filling out and submitting a voluntary deduction form for membership dues, each unit member is clearly and affirmatively consenting to the deduction of the stated amount of money for membership dues from their pay check.**

- D.** The provisions of Section 2 (17) and section (13) of Ordinance G-1532, are incorporated into this Memorandum.

Article 2: Grievance/Arbitration/Labor Management

Section 2-1. Grievance Procedures

It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the employee's work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the employee's regular work shift in pursuit of benefits provided by this Article.

A. Informal Resolution

- 1. As a matter of good labor-management relations the parties encourage unit members who believe that they have a bona fide grievance to discuss and attempt to resolve it with their immediate non-unit supervisor.**
- 2. If the above informal discussion is held and does not resolve the grievance, the unit member may file a formal grievance in accordance with the following procedure.**

B. Definition of Grievance

- 1. A grievance is a written allegation by a unit member, submitted as herein specified, claiming violation(s) regarding the interpretation and/or application of the specific express terms of this Memorandum for which there is no other specific and formal method of review; and doesn't have a**

fact pattern that has been presented to and decided upon by the City Manager in a prior grievance. However, disputes specifically excluded in other Articles of this Agreement from the Grievance and Arbitration procedure shall not be construed as within the definition set forth above and shall not be handled in accordance with this procedure. It is agreed that such excluded disputes are not grievable or arbitrable under the terms of this Article or under this contract.

2. The City continues to retain the format used for grievances, including forms, technology, etc.
3. A grievance which does not meet the requirements set forth in this Article shall be null and void, and will not be processed in accordance with this procedure.

C. Procedure

All grievances covered by this Article shall be handled exclusively in the following manner:

A grievance must be reduced to writing, citing the specific Article and Section of this Memorandum alleged to have been violated.

1. Step 1

The unit member shall reduce the grievance to writing by signing and completing the grievance form provided by the City and submit it to the division head, or designee, within 14 calendar days of the initial commencement of the occurrence being grieved.

The division head, or designee, may investigate, further consider, and discuss the grievance with the grievant and the grievant's representative, if any, as deemed appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written mutual agreement may move the grievance to Step 2 of the grievance procedure.

2. Step 2

If the written response of the Step 1 does not result in a resolution of the grievance, the grievant may appeal the grievance by signing and completing the City form and presenting it to the department head, or designee within 14 calendar days of the grievant's receipt of the Step 1 response.

The department head, or designee, may further consider and discuss the grievance with the grievant and the grievant's representative, if any, as deemed appropriate, and shall, within 14 calendar days of having received the written grievance, submit a response thereto in writing to the grievant. The parties by written agreement may move the grievance to Step 3 of the grievance procedure.

3. Step 2.5

After the Step 2 response, but prior to review by the Grievance Committee, the parties involved may mutually agree to submit the grievance to Labor Relations. The grievance, as originally written and Step 1 and Step 2 responses, must be submitted to Labor Relations within 14 calendar days of receipt of the Step 2 response. Labor Relations shall, within 14 calendar days of the receipt of the grievance, meet with the department head, or designee, and the grievant and the grievant's representative, if any, in an attempt to resolve the grievance. Labor Relations shall then submit a written response to all parties within 14 calendar days of the meeting.

4. Step 3

- a. If the written response of the Step 2 (or 2.5 if applicable) does not result in a resolution of the grievance, the grievant may, within 14 calendar days of the Step 2 response, appeal the grievance by signing and completing the City form and presenting it to Labor Relations. A Grievance Committee hearing will be scheduled at which the grievant shall be afforded the opportunity to fully present his position and to be represented.

The Grievance Committee shall be composed of:

Chairman – A member of the City Manager's Office designated by the City Manager.

Member – The Union President, or designee.

Member – Mutually agreed upon by both of the above

The Grievance Committee shall submit findings and advisory recommendation(s) to the City Manager. The City Manager shall make the final determination of the grievance and submit it in writing to the grievant and his designated representative.

- b. If the grievant so elects in writing within the above time limit, in lieu of such hearing the grievance may be reviewed by an arbitrator. The parties, or their designated representatives, shall agree on an arbitrator, and if they are unable to agree on an arbitrator within a reasonable time, either party may request the Federal Mediation and Conciliation Service to

submit to them a list of 7 arbitrators who have had experience in the public sector. The parties shall, within 7 calendar days of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator. The arbitrator so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:

- i. The arbitrator shall be bound by the language of this Memorandum and departmental rules and regulations consistent therewith in considering any issue properly before him/her.
- ii. The arbitrator shall expressly confine him/herself to the precise issues submitted to him/her and shall have no authority to consider any other issue not so submitted to him/her.
- iii. The arbitrator shall be bound by applicable State and City law.
- iv. The cost of the arbitrator and any other mutually incurred costs shall be borne equally by the parties.

The arbitrator shall submit findings and advisory recommendations to the City Manager. The City Manager shall make the final determination of the grievance and submit it in writing to the grievant and his designated representative.

- c. The City is not under any obligation to accept grievances where the City Manager has previously decided on the same fact pattern.

D. Time Limits

Failure of City Management representatives to comply with time limits specified in Paragraph C shall entitle the grievant to appeal to the next level of review; and failure of the grievant to comply with said time limits shall constitute abandonment of the grievance; except however, that the parties may extend time limits by mutual written agreement in advance of the deadline.

E. Union Grievance

The Union may, in its own name, file a grievance that alleges violation by the City of the rights accorded to the Union by the specific terms of Article 1-3 of this Memorandum. The Union shall file such grievance at Step 3 of this Procedure.

F. Group Grievance

When more than one unit member claims the same violation of the same rights allegedly accorded by this Memorandum, and such claims arise at substantially the same time and out of the same circumstances, a single group grievance may be filed in the name of all such members. Such group grievances shall be filed at the Step of this Procedure which provides the lowest level of common supervision having authority over all named Grievants. Each unit member that is a party Grievant must be named and must sign such group grievance.

G. Employer Grievances

Should they occur as a result of official Union activities or actions, including the failure to act as required under the terms of this Memorandum, employer grievances will be presented directly to the Union president or any officer of the Union within 14 days of the occurrence prompting the grievance. The president, or designee, shall in each case provide a written answer within 14 days from receipt of the grievance. Unresolved employer grievances may be submitted to arbitration pursuant to Step 3.

- E. Engineers and Captains currently assigned, as Paramedics shall receive their regular step plus **assignment pay. The current assignment pay for all steps and classifications will increase by 2.23% in the first year and 1.67% in the second year.**
- F. It is understood that the pay rates set forth in Attachment "A" are interpreted to be specific with regards to steps, corresponding years of service and monthly salaries, except that performance related items including, but not limited to, special merit increases, special salary adjustments, demotions, assignment pay and extensions in merit pay anniversary dates resulting from extended leave without pay, industrial and light duty assignments, and reinstatements may alter an employee's step progression and monthly salaries as indicated in Attachment "A."

If an employee is not given his/her PMG by the annual review date, the employee may request his/her merit increase in writing by sending a memorandum directly to the Human Resources Officer. If the PMG is an overall "met," the request will be processed within twenty-one (21) calendar days of submittal and will be retroactive to the PMG annual review date.

- G. Employees assigned by the Fire Chief to staff assignments in authorized staff positions (40 hours) will be entitled to ten percent (10%) assignment pay if such assignment is to exceed two (2) consecutive pay periods, and shall continue to receive such assignment pay for the duration of such assignment. This provision shall not apply to employees attending recruit training or employees assigned to limited duty. Employees assigned to authorized forty (40) hour staff assignments and who begin

receiving staff assignment pay shall also be eligible to continue all other current assignment pays provided all required certifications are maintained. Employees assigned to limited duty shall continue to receive holiday pay and FLSA/work week adjustments (Section 4-1, Paragraph E, of Article 4) for the duration of their limited duty assignment, irrespective of their actual work hours.

- H. Employees assigned to any forty (40) hour staff positions shall receive two (2) eight (8) hour or ten (10) hour professional development days per year depending on their schedule. The employee shall decide the days and areas of development. These days shall be assigned through the vacation signup process. No employee shall receive these days in addition to the full amount of Tobin days.
- I. The Fire Department's 21-day pay schedule normally begins on **B-Shift** Mondays. In any leap year, ERSO, South Shift Command, Payroll and Local 493 will identify the first and most appropriate "Payroll Monday" to switch to a leap year schedule. Following is an example schedule that was utilized during the **2020** leap year:
- **Friday, February 7, 2020 (B-Shift Works)**
 - **Saturday, February 8, 2020 (C-Shift Works)**
 - **Sunday, February 9, 2020 (A-Shift Works)**
 - **Monday, February 10, 2020 (B-Shift normally scheduled; however, B-Shift will be converted to C-Shift to coincide with 21-day pay schedule)**
 - **Tuesday, February 11, 2020 (A-Shift works to begin regular A, B, C schedule)**
 - **Wednesday, February 12, 2020 (B-Shift works) and 24 hour shifts continue on as normal until next leap year (2024).**

Section 3-1A. Productivity Enhancement Pay

- A. In recognition of the significant increase in service delivery and cost savings to the City of Phoenix by the employees of the Phoenix Fire Department, the City agrees to implement the following Productivity Enhancement Pay formula for employees:
1. In December of each calendar year and June of each calendar year, employees who have completed at least seven (7) years of continuous full-time service and who meet the additional qualifications specified in Section 3-1A of Article 3 shall be paid eighty (\$80.00) dollars, pro-rated and included each pay period in the qualifying unit member's regular pay check throughout the year, for each full year of continuous full-time service in excess of five (5) years, up to a semi-annual maximum of two thousand dollars (\$2,000.00), annual maximum of four thousand dollars (\$4,000.00) at thirty (30) years.
 2. Employees on industrial leave shall qualify for this payment for only the first year of the industrial leave. However, the entire period of industrial leave shall qualify as continuous service when the employee returns to active employment.

3. Adjustments to payments will be made as soon as possible but no later than thirty (30) days of the qualifying date.
- B.** An employee must have achieved the overall performance rating of "meets standards" on his latest scheduled performance evaluation on file in the Human Resources Department.
 - C.** An employee who receives a below "meets standards" evaluation shall receive another evaluation within ninety (90) to one hundred twenty (120) days, and if that evaluation is "meets standards," he will be eligible for Productivity Enhancement Pay starting with the next qualifying date.

Section 3-2. Overtime

- A.** Employees who are assigned to be and are on duty beyond their scheduled work shift shall be compensated for such assigned overtime work at one and one-half (1 ½) times their regular rate, fifty-six (56) hours or forty (40) hours, after the first seven (7) minutes of assigned and worked overtime calculated to the nearest one-quarter (1/4) hour.
- B.** Employees shall have the option of being paid in cash for overtime, or allow the overtime to accrue as compensatory time up to a maximum of one hundred sixty-eight (168) hours for employees working a fifty-six (56) hour schedule, or one hundred twenty (120) hours for employees working a forty (40) hour schedule.
- C.** Overtime compensation shall not be paid twice for the same hours worked.
- D.** Use of compensatory time shall be in conformance with the requirements of the Fire Chief and shall take into consideration departmental scheduling and operational factors.
- E.** Payment for time worked shall be in conformance with the requirements of the Fire Chief and shall take into consideration departmental scheduling and operational factors.
- F.** The provisions of Section 3-2 of Article 3 shall not apply where an employee is assigned out-of-class to a non-Unit position.
- G.** Allocation and opportunities for overtime shall be discussed in the Labor/Management process.
- H.** Fire department "peak time" rescues will only be staffed by employees on an overtime basis. This item reflects an agreement between the Fire Department and the Union in

1984 on the future staffing of the rescues. The increased work-load and responsibility of the full time rescues was incented by agreement that there would be overtime opportunities on peak time rescues. Further, the department was reorganized through the RBO process in 1993 to enhance ALS and rescue capabilities throughout the city. This reorganization included a pool of employees to staff back rescues and guarantee that no new employee would have to work more than two hundred (200) shifts on a rescue. Employees agreeing to be in this pool are then entitled to work on the peak time rescues on an overtime basis when their name comes up in a rotation.

Section 3-2A. Call Out Pay

- A.** Call out time shall be at a minimum of three (3) hours at one and one-half (1 ½) times the employee's regular rate of pay, fifty-six (56) hours or forty (40) hours depending on assignment, after the first seven (7) minutes calculated to the nearest one-quarter (1/4) hour. If a unit member leaves a call out event without authorization prior to the termination of the event, Section 3-2A of Article 3 shall not apply.
- B.** The provisions of this Section shall not apply where an employee is assigned out-of-class to a non-Unit position.

Section 3-3. Out-of-Class Pay

Pursuant to A.R. 2.201, sixteen (16) hours of out-of-class work on a shift for employees will constitute a full shift of out-of-class assignment pay. There will be no out-of-class pay for working less than sixteen (16) hours.

In order to qualify to be eligible to receive out-of-class assignment pay, employees must complete eight (8) shifts of out-of-class assignment (16 hour minimum to constitute a full shift). As an alternative for qualifying only, 192 hours of out-of-class assignment shall satisfy the minimum qualifications required to become eligible for out-of-class pay. For the purpose of the 192 hour qualifier, out-of-class hours must be in increments of no less than seven (7) hours.

Employees on a forty (40) hour schedule will complete eleven (11) shifts, six (6) hours minimum of out-of-class assignment, to satisfy the minimum qualifications for out-of-class pay.

Section 3-4. Sick Leave Conversion at Retirement

Effective with the beginning of the last pay period in June 1996, the following benefit will apply:

3. An employee who has accumulated a minimum of twenty-four hundred (2,400) hours, or the forty (40) hour equivalent, or more of accrued and unused sick leave at the time of retirement shall be eligible for payment of an amount of compensation equal to sixty percent (60%) of his/her base hourly wage for all hours.
4. Effective July 1, 2014, and thereafter, an employee who has accrued 1286 hours or more of unused sick leave may elect to have 168 hours for a 56 hour unit member, or 120 hours for a 40 hour unit member paid out in a lump sum. Any unit member may only elect to exercise this benefit 3 times in their career, and not more than one time in a fiscal year. Eligible employees may elect to buy back their hours between July 1 and the last pay period in January each fiscal year.

3. In the event an employee's eligibility for participation or the amount of compensation is disputed, the dispute shall be submitted to the City Auditor for resolution.

Section 3-5. Deferred Compensation and Defined Contribution Plans

- A.** The City shall contribute an amount equal to four and forty-two hundredths percent (4.42%) of each employee's biweekly gross pay to the City's 401(a) Defined Contribution Plan. Pension contributions will be made by both the City and the employee on the contributions.
- B.** At the employee's separation, for either retirement or exiting the Deferred Retirement Options Program, the employee's sick leave payout amounts will be automatically contributed into the City's 401(a) plan. Any excess amount over the Internal Revenue Code 401(a) plan contribution maximum limits will be automatically contributed into the City's 457(b) plan. Any portion of the excess amount that cannot be contributed to the 457(b) plan because of Internal Revenue Code 457(b) plan contribution maximum limits will be paid as taxable income. The 401(a) Plan Document as approved by the Deferred Compensation Board will be the governing document.

Section 3-6. Non-Direct Payment of Compensation or Benefits

Various sections of this MOU contain a form of compensation, wages, or benefits that have been negotiated in good faith and may or may not provide a direct payment of wages or other benefit to each member. Those forms of compensation, wages, or benefits that do not provide a direct payment to each unit member have been negotiated in place of a direct payment and costed as part of the overall economic package. Examples include: life insurance, long term disability insurance, leave payouts, member donated release time, etc.

Article 4. Hours of Work/Working Conditions

Section 4-1. Hours of Work

All Fire Investigators, regardless of schedule will be paid overtime at the 40-hour rate.**

Fire Investigation employees assigned to the modified shift schedule will be required to work on City paid holidays when their regular schedule shift occurs on that day. Those employees required to work on a City holiday as a result of the shift schedule will receive pay in lieu of time off. The Fire Department shall continue its long-standing practice of using sworn Fire Captains as Fire Investigators.

The Fire Department will attempt to maintain staffing levels of the Investigations Section, in order to provide for investigatory needs of the Department. Any future proposed staffing level recommendations will be discussed through the labor/management process. A maximum of one vacation shift will be allowed per shift for those employees assigned to the modified A, B, C shift schedule, unless pre-approved by department head or designee.

- D. When an employee is required to change from one type of a schedule to another by the Fire Department, the Department shall allow a minimum of sixteen (16) hours between tours of duty.

In the event an employee attending Paramedic Training does not receive their regular Tobin Days (as per Section 3-1 (I) of this Memorandum of Understanding), any missed Tobin Days will be re-scheduled prior to the employee's return to the Operations Division.
- Schedule 2.** Employees may remain on their normal Operations schedule (A, B, or C Shift) and be provided paid Fire Department leave to attend Paramedic training when their training is scheduled on shift. When members are required to attend paramedic training on their days off, employees will be compensated at 1 ½ times their regular rate for the hours they are in attendance. Compensation and Tobin Days will remain the same as any other employee assigned to a 56-hour work week. The decision to utilize Schedule 1 or 2 will be discussed in a labor/management setting.
- G.** Each 56 hour unit employee shall receive four (4) shifts off per year. All shift exchanges are subject to the approval of the Fire Chief or his/her designee and shall be in conformance with regulations issued by the Fire Chief.

Section 4-3. Filling Vacancies

The Fire Chief will endeavor to permanently fill vacancies in regular positions, that are duly authorized to be filled, expeditiously within limitations imposed on him by administrative

and operational factors, and thereafter, consistent with applicable Civil Service Rules, based on length of service by classification when fitness and qualifications of interested employees for the particular vacancy are deemed to be equal by the Fire Chief. When requested, departmental management shall indicate the reason why an employee was or was not transferred into a vacancy as part of Labor-Management Committee proceedings. "Vacancy" hereunder is defined as a regular opening in any position created by death, retirement, dismissal, promotion, demotion, creation of a new regular position or transfer, provided, however, that with the filling of staff positions, all applicants shall be considered, and the Fire Chief shall make the final determination.

The voluntary donation will continue each subsequent year on the second paycheck in July, unless revoked by the unit member. This donated time is to be used by union officers and representatives for Union-related activities as determined by the Unit 5 Union President and Executive Board. It is recognized that all hours negotiated in lieu of additional pay and benefits have been donated by the members of Unit 5 from their bank of vacation leave. **By filling out and submitting a voluntary donation form, each unit member is clearly and affirmatively consenting to the donation of the stated number of hours from their bank of vacation leave.**
