OFFICIAL SUPPLEMENTARY ZONING MAP 1195 (G-6688)

Item 89, Official Supplementary Zoning Map 1195 and Ordinance (G-6688), is a request to administratively modify the zoning map to reflect the City Council approved rezoning of the parcel back in October 30, 2002. The parcel is approximately 143.30 acres located at the northeast corner of 59th Avenue and Dobbins Road.

This memo corrects the Council District to reflect that the area is within District 8. At the time of the City Council approval of the zoning it was in District 7.
