

City of Phoenix

To: Ed Zuercher
City Manager

Date: May 1, 2019

From: Mario Paniagua
Deputy City Manager

Subject: CORRECTION TO ITEM 28 ON THE MAY 1, 2019, FORMAL AGENDA – FORM OF THE BALLOT FOR SPECIAL ELECTION TO BE HELD ON AUG. 27, 2019 (ORDINANCE S-45624)

This memo is to revise the staff recommended language in the proposed form of the ballot ordinance for Proposition 105 descriptive title and question to clarify the language and more closely match the initiative text.

The form of the ballot descriptive title should read as shown below (changes are formatted in bold, additions are underlined, and deletions are shown with strikethrough):

Proposed amendment to the Charter of the City of Phoenix to: (1) terminate all construction, development, extension or expansion of, or improvement to Phoenix light rail authorized by Proposition 104 (2015); (2) prohibit using any funds from any source for the construction, development, extension or expansion of, or improvement to any light rail or other fixed **rail line** transit system (except PHX Sky Train) constructed on or after August 27, 2018 and to instead use Proposition 104 tax revenues for other transportation ~~Infrastructure Improvements~~ **infrastructure improvements** in the City; (3) redirect the City's share of existing funding for the South Central Light Rail extension exclusively to other transportation infrastructure improvement projects located in South Phoenix; and (4) appropriate up to \$25,000 annually to the Citizens Transportation Committee to solicit public input and recommend City Council action on potential transportation infrastructure improvement projects.

The form of the ballot question should read as shown below:

Shall Chapter XXVIII be added to the Charter of the City of Phoenix to terminate all construction, development, extension or expansion of, or improvement to Phoenix light rail authorized by Proposition 104 (2015); to prohibit using any funds from any source for the construction, development, extension or expansion

of, or improvement to any light rail or any other fixed rail line transit system (except PHX Sky Train) constructed on or after August 27, 2018; to instead use Proposition 104 tax revenues for other transportation **Infrastructure Improvements** ~~infrastructure improvements~~ in the City of Phoenix; and as further described above?

YES

NO

Approved:

Ed Zuercher, City Manager

Acting Deputy City Manager

Subject: CORRECTION TO ITEM 28 ON THE MAY 1, 2019, FORMAL AGENDA – FORM OF THE BALLOT FOR SPECIAL ELECTION TO BE HELD ON AUG. 27, 2019 (ORDINANCE S-45624)

This memo is to revise the staff recommended language in the proposed form of the ballot ordinance for Proposition 106 descriptive title and question to clarify the language and more closely match the initiative text.

The form of the ballot descriptive title should read as shown below (additions are bold and underlined):

Proposed amendment to the Charter of the City of Phoenix to: (1) require the City to conduct an additional annual assessment of all of its pension liabilities; (2) impose a cap on budget growth for City programs including budgets for parks, libraries, and information technology but excluding budgets for police, fire, first responders, labor contracts **executed before January 1, 2018**, enterprise funds and voter-approved special revenues or revenue funds, if pensions are not at least 90% funded, and mandate that all funds above the budget cap be spent solely toward pension liabilities; and (3) require elected officials reimburse the City for all future pension contributions made by the City on the elected officials' behalf.

The form of the ballot question should read as shown below:

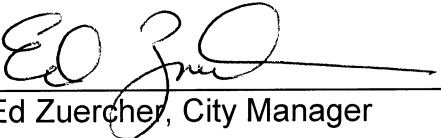

Shall Chapter XXIV, Article V be added to the Charter of the City of Phoenix to require the City to conduct an additional annual assessment of all of its pension liabilities; to impose a cap on budget growth for City programs including budgets for parks, libraries, and information technology but excluding budgets for police, fire, first responders, labor contracts **executed before January 1, 2018**, enterprise funds and voter-approved special revenues or revenue funds, if pensions are not at least 90% funded, and mandate that all funds above the budget cap be spent solely toward pension liabilities; and to require elected

officials to reimburse the City for all future pension contributions made by the City on the elected officials' behalf as described above?

YES

NO
