**From:** Racelle Escolar, AICP

**Subject:** ITEM NO. 5 (Z-69-23-6, CAMELBACK LAKES RESIDENTIAL PUD) -  
APPROXIMATELY 125 FEET NORTH AND 450 FEET EAST OF THE  
NORTHEAST CORNER OF 26TH STREET AND CAMELBACK ROAD

The purpose of this memo is to recommend modified stipulations in response to the Camelback East Village Planning Committee (VPC) recommendation and include additional stipulations agreed upon by the applicant and neighbor.

Rezoning Case No. Z-69-23-6 is a request to rezone 1.57 acres located approximately 125 feet north and 450 feet east of the northeast corner of 26th Street and Camelback Road from C-O CEPCSP (Commercial Office – Restricted Commercial, Camelback East Primary Core Specific Plan) to PUD CEPCSP (Planned Unit Development, Camelback East Primary Core Specific Plan) for the Camelback Lakes Residential PUD to allow multifamily residential.

The Camelback East VPC heard this request on April 2, 2024, and recommended approval, per the staff recommendation, with modifications and additional stipulations by a vote of 16-0.

Staff recommends the following updates:

- Stipulation No. 9 should be deleted, as the maximum height listed in the PUD Narrative is already 56 feet.
- Stipulation Nos. 10 and 22 should be deleted and incorporated into Stipulation No. 1.c, which addresses density.
- Stipulation No. 11.e and g should be deleted and incorporated into the landscaping development standards within the PUD Narrative. This is addressed in new Stipulation No. 1.e.
- The first sentence of Stipulation No. 12 should be deleted and added to the parking development standards within the PUD Narrative, and the last sentence regarding parking space width should be deleted. Section 702.B.2.b requires spaces located in surface parking lots that are single striped shall be a minimum of nine and one-half feet by eighteen feet. If the entire surface parking lot is double striped, 50 percent of the spaces provided in the lot must be nine and

one-half feet by eighteen feet wide, while the remainder of the spaces may be a minimum of nine feet wide. This is addressed in new Stipulation No. 1.f.

- Stipulation No.13 should be deleted and incorporated into the PUD Narrative. This is addressed in new Stipulation No. 1.d.
- Stipulation No. 14.a, b, c, d and f should be deleted and incorporated into the design standards of the PUD Narrative, Stipulation No. 14.e should be deleted and included in the Sign Section of the PUD Narrative, and the first sentence of Stipulation No. 14 should be deleted and incorporated into a new section of the PUD Narrative that includes items agreed upon by the developer and neighbors, but not enforceable by the City. These are addressed in new Stipulation Nos. 1.g, 1.h, 1.i, 1.j, 1.l, and 1.m.(1).
- Stipulation No. 15.a through 15.e should be deleted and incorporated into the PUD Narrative in an unenforceable section as noted above, as construction activity is not enforceable at the time of site plan review. Stipulation No. 15.f regarding the construction of an eight-foot high, block wall along the northeast side of the property should remain as a stand-alone stipulation. These are addressed in new Stipulation Nos. 1.m.(2) and 10.
- Stipulation No. 16 should be deleted and incorporated into the PUD Narrative in an unenforceable section as noted above, as it is not realistically enforceable. This is addressed in new Stipulation No. 1.m.(3).
- Stipulation No. 17 should be deleted and incorporated into the PUD Narrative. This is addressed in new Stipulation No. 1.d.
- Stipulation No. 18. should be reworded to require the disclosures to be provided to future tenants or owners and recorded. This has been renumbered to new Stipulation No. 11.
- Stipulation No. 19 should be deleted as it is not appropriate to stipulate an improvement on a property not within the PUD request area and with a separate property owner.
- Stipulation No. 20.a should be deleted and incorporated into the PUD Narrative. The item related to the prohibition on outdoor live music should be incorporated in the List of Uses Section and the remaining items should be added to an unenforceable section as noted above. This is addressed in new Stipulation Nos. 1.d and 1.m.(4). Stipulation No. 20.b should remain but is modified for clarity and renumbered to new Stipulation No. 13.

- Stipulation No. 21 should be deleted and incorporated in the Signs Section of the PUD Narrative. This is addressed in new Stipulation No. 1.k.

The applicant has continued to with the neighbors and has requested to include additional, mutually agreed upon stipulations. There are three modifications related to the construction agreement. Additionally, staff is recommending that any reference to the staging plan be updated to the Proposed Construction Plan, as that is the title of the plan. These are reflected in Stipulation Nos. 1.b, 1.m.(2)(d), 1.m.(2)(e), 1.m.(2)(f), and 1.n. The applicant has requested three added stipulations regarding the construction of wall with “Top Golf” type netting along the northeast property line, shrubs to be planted on the Arizona Biltmore golf course property, and finally, providing rules and regulations regarding golf course membership. These are addressed in new Stipulation Nos. 12, 1.m.(5), 1.m.(6)(iii) and 10, respectively.

Staff also recommends that the elevations referenced in the stipulations replace the ones in the PUD Narrative to avoid any future confusion. There is no difference in the elevations other than the specific date that was referenced. This is addressed in new Stipulation No. 1.n.

Staff recommends approval, per the modified stipulations in **bold** font below:
