Phoenix, Arizona 85003

City Council Formal Meeting

Wednesday, December 2, 2020 **2:30 PM** **phoenix.gov**

CALL TO ORDER AND ROLL CALL

The Phoenix City Council convened in formal session on Wednesday, Dec. 2, 2020 at 2:35 p.m. in the Council Chambers.

Present: 9 - Councilman Sal DiCiccio, Councilmember Carlos Garcia, Councilman Michael Nowakowski, Councilwoman Laura Pastor, Councilwoman Debra Stark, Councilman Jim Waring, Councilwoman Thelda Williams, Vice Mayor Betty Guardado and Mayor Kate Gallego

The Mayor and Councilmembers attended the meeting virtually.

Councilman Waring disconnected from the meeting after the omnibus vote on Ordinances, Resolutions and New Business, and reconnected prior to the vote on Items 12 and 13. Councilman DiCiccio disconnected from the meeting after the vote on Item 29.

Mayor Gallego acknowledged the presence of Mario Barajas, a Spanish interpreter. In Spanish, Mr. Barajas announced his availability to the audience.

An affidavit was presented to the Council by the City Clerk stating that copies of the titles of Ordinances G-6703 and G-3771 through G-6777, S-47126, S-47130, S-47132 through S-47147 and S-47151 through S-47158, and Resolutions 21882 through 21884 were available to the public in the office of the City Clerk at least 24 hours prior to this Council meeting and, therefore, may be read by title or agenda item only pursuant to the City Code.

References to attachments in these minutes relate to documents that were attached to the agenda.

BOARDS AND COMMISSIONS

1 Mayor and Council Appointments to Boards and Commissions

Summary

This item transmits recommendations from the Mayor and Council for appointment or reappointment to City Boards and Commissions.

The following individuals were recommended for appointment/reappointment by Mayor Gallego and Councilmembers:

Paradise Valley Village Planning Committee

Reappoint Allison Barnett, to serve her first full term, to expire Nov. 19, 2022 as recommended by Councilmember Stark.

Reappoint Anita Mortensen, to serve her first full term, to expire Nov. 19, 2022 as recommended by Councilmember Stark.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be approved. The motion carried by the following voice vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

LIQUOR LICENSES, BINGO, AND OFF-TRACK BETTING LICENSE APPLICATIONS

Mayor Gallego requested a motion on liquor license items. A motion was made, as appears below.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that Items 2-8 be recommended for approval; noting Item 9 has been withdrawn by the applicant. The motion carried by the following voice vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

2 Liquor License - Fast Market #4594

Request for a liquor license. Arizona State License Application 122471.

Summary

Applicant
Joey Danielson, Agent

License Type
Series 10 - Beer and Wine Store

Location
2409 W. Union Hills Drive
Zoning Classification: C-1
Council District: 1

This request is for a new liquor license for a convenience store that sells gas. This location was previously licensed for liquor sales and may currently operate with an interim permit.

The 60-day limit for processing this application is Dec. 5, 2020.

Pursuant to A.R.S. 4-203, a spirituous liquor license shall be issued only after satisfactory showing of the capability, qualifications and reliability of the applicant and that the public convenience and the best interest of the community will be substantially served by the issuance. If an application is filed for the issuance of a license for a location, that on the date the application is filed has a valid license of the same series issued at that location, there shall be a rebuttable presumption that the public convenience and best interest of the community at that location was established at the time the location was previously licensed. The presumption shall not apply once the licensed location has not been in use for more than 180 days.

Other Active Liquor License Interest in Arizona
This applicant does not hold an interest in any other active liquor license

in the State of Arizona.

Public Opinion
No protest or support letters were received within the 20-day public comment period.

Applicant's Statement
The applicant submitted the following statement in support of this application. Spelling, grammar and punctuation in the statement are shown exactly as written by the applicant on the City Questionnaire.

I have the capability, reliability and qualifications to hold a liquor license because:
"GPM Investments, LLC and its affiliates ("GPM") operate over 1,300 convenience stores in 27 states. Most of our stores are licensed to sell alcohol. GPM regularly trains its employees on age-restricted sales, requires employees to sign acknowledgment forms regarding such laws on a regular basis, and in many stores has software that prevents sales of age-restricted items without scanning a driver's license. GPM has a zero-tolerance policy regarding underage sales of alcohol and tobacco."

The public convenience requires and the best interest of the community will be substantially served by the issuance of the liquor license because:
"GPM strives to comply with all regulations and to maintain a favorable and collaborative relationship with the communities that GPM serves."

Staff Recommendation
Staff recommends approval of this application.

3 Liquor License - West Coast Petroleum LLC

Request for a liquor license. Arizona State License Application 122700.

Summary

Applicant
Felicity Heron, Agent

License Type
Series 10 - Beer and Wine Store

Location
3501 W. Union Hills Drive
Zoning Classification: PSC
Council District: 1

This request is for a new liquor license for a convenience store that sells gas. This location was previously licensed for liquor sales and may currently operate with an interim permit.

The 60-day limit for processing this application is Dec. 8, 2020.

Pursuant to A.R.S. 4-203, a spirituous liquor license shall be issued only after satisfactory showing of the capability, qualifications and reliability of the applicant and that the public convenience and the best interest of the community will be substantially served by the issuance. If an application is filed for the issuance of a license for a location, that on the date the application is filed has a valid license of the same series issued at that location, there shall be a rebuttable presumption that the public convenience and best interest of the community at that location was established at the time the location was previously licensed. The presumption shall not apply once the licensed location has not been in use for more than 180 days.

Other Active Liquor License Interest in Arizona
The ownership of this business has an interest in other active liquor license(s) in the State of Arizona. This information is listed below and includes liquor license violations on file with the AZ Department of Liquor Licenses and Control and, for locations within the boundaries of Phoenix, the number of aggregate calls for police service within the last 12 months for the address listed.

West Coasts Petroleum LLC (Series 10)

3610 E. Bell Road, Phoenix
Calls for police service: 24
Liquor license violations: None

West Coasts Petroleum LLC (Series 10)
1602 E. Bell Road, Phoenix
Calls for police service: 22
Liquor license violations: None

West Coasts Petroleum LLC (Series 10)
8350 E. McDowell Road, Scottsdale
Calls for police service: N/A - not in Phoenix
Liquor license violations: None

West Coasts Petroleum LLC (Series 10)
2891 W. Valencia Road, Tucson
Calls for police service: N/A - not in Phoenix
Liquor license violations: None

Public Opinion
No protest or support letters were received within the 20-day public comment period.

Applicant's Statement
The applicant submitted the following statement in support of this application. Spelling, grammar and punctuation in the statement are shown exactly as written by the applicant on the City Questionnaire.

I have the capability, reliability and qualifications to hold a liquor license because:
"I have completed the required basic and management title 4 Liquor Law training and certifications. I have the capacity to understand the moral responsibility to implement all of the liquor law training and uphold all governing laws."

The public convenience requires and the best interest of the community will be substantially served by the issuance of the liquor license because:
"It is my goal to serve our community by providing a safe and convenient

place to shop by always considering the health, safety and well being of my employees and our customers first and foremost."

Staff Recommendation
Staff recommends approval of this application.

6 Liquor License - Brightside Studios

Request for a liquor license. Arizona State License Application 122570.

Summary

Applicant
Jeffrey Miller, Agent

License Type
Series 12 - Restaurant

Location
839 E. Camelback Road
Zoning Classification: C-2
Council District: 4

This request is for a new liquor license for a restaurant. This location was not previously licensed for liquor sales and does not have an interim permit. This location requires a Use Permit to allow outdoor dining and outdoor alcohol beverage consumption. A Use Permit hearing has been scheduled.

The 60-day limit for processing this application is Dec. 6, 2020.

Pursuant to A.R.S. 4-203, a spirituous liquor license shall be issued only after satisfactory showing of the capability, qualifications and reliability of the applicant and that the public convenience and the best interest of the community will be substantially served by the issuance. If an application is filed for the issuance of a license for a location, that on the date the application is filed has a valid license of the same series issued at that location, there shall be a rebuttable presumption that the public convenience and best interest of the community at that location was established at the time the location was previously licensed. The presumption shall not apply once the licensed location has not been in use for more than 180 days.

Other Active Liquor License Interest in Arizona

This applicant does not hold an interest in any other active liquor license in the State of Arizona.

Public Opinion
No protest or support letters were received within the 20-day public comment period.

Applicant's Statement
The applicant submitted the following statement in support of this application. Spelling, grammar and punctuation in the statement are shown exactly as written by the applicant on the City Questionnaire.

I have the capability, reliability and qualifications to hold a liquor license because:
"All of Brightside Studio's employees will be required to attend liquor law training classes to e compliance with liquor laws."

The public convenience requires and the best interest of the community will be substantially served by the issuance of the liquor license because:
"Along with great music, art store, and delicious coffee for the public, Brightside Studios will offer a bustling atmosphere of color and charm. Weather you are working in the studio area or enjoying a freshed brewed cup of coffee we will also provide adult beverages for guests of age to chose to have one."

Staff Recommendation
Staff recommends approval of this application noting the applicant must resolve any pending City of Phoenix building and zoning requirements, and be in compliance with the City of Phoenix Code and Ordinances.

ORDINANCES, RESOLUTIONS, AND NEW BUSINESS

Mayor Gallego requested a motion on the remaining agenda items. A motion was made, as appears below.

Note: After the vote, Councilman Waring disconnected from the meeting.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that Items 10-65 be approved or adopted except Items 11-13, 15-16, 24, 28-33, 35, 42, 60 and 62-64; Items 25, 29 and 63 are as revised. The motion carried by the following vote:

Yes:	9 -	Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	

Items 10, 14, 17-18, Ordinance S-47130 was a request to authorize the City Controller to disburse funds, up to amounts indicated for the purpose of paying vendors, contractors, claimants and others, and providing additional payment authority under certain existing city contracts. This section also requested continuing payment authority, up to amounts indicated below, for the following contracts, contract extensions and/or bids awarded. As indicated below, some items below require payment pursuant to Phoenix City Code section 42-13.

10 Superior Cleaning Equipment, Inc.

For $33,655.14 in payment authority to purchase two Landa pressure washers for the Public Works Department. The pressure washers are used by the Facilities Operations Division for cleaning various types of heating ventilation and air conditioning equipment, and to clean the areas adjacent to work being performed on City buildings. The high powered pressure washers will help remove graffiti and sanitize areas on and around City buildings.

This item was adopted.

14 Payment of Judgment for Englehorn v. City of Phoenix

For $53,574.46 to pay a judgment entered against the City of Phoenix in *Englehorn v. City of Phoenix* in Maricopa County Superior Court Case No. CV2017-001742,16-9000-001, for the Finance Department, pursuant to Phoenix City Code chapter 42.

This item was adopted.

17 City of Glendale

For $27,273.00 in payment authority for the Office of Government Relations and Aviation Department to remit the City of Phoenix's portion of the shared cost under the Baker, Donelson, Bearman, Caldwell & Berkowitz agreement. The agreement provides West Valley Partner Communities comprehensive federal and legislative consulting services to protect and enhance Luke Air Force Base.

This item was adopted.

18 City of Goodyear - Annual Water Utility Payment

For $134,038.00 in payment authority to the City of Goodyear for Phoenix Goodyear Airport (GYR) annual water utility charges, as provided in the GYR's annual operating budget. GYR is physically located in the City of Goodyear and the airport is required to pay for the monthly water utilities received from the City of Goodyear.

This item was adopted.

19 (CONTINUED FROM NOV. 18, 2020) - Canvass of Vote - November 2020 Mayor and Council Election

Canvass of the vote for the Tuesday, Nov. 3, 2020 Mayor and Council

Election for the City Council to canvass the votes and announce and declare the results of the election.

Summary

On Tuesday, Nov. 3, 2020, the City of Phoenix held a Mayor and Council Election for registered voters in Phoenix to elect a mayor for a full four-year term and to decide on the approval or rejection of one ballot proposition. Also, registered voters in Council Districts 1, 3, 5 and 7 voted to elect council members to full four-year terms. There was no election for council members in Districts 2, 4, 6 and 8 because the terms of the city council members are staggered. This Mayor and Council Election was conducted by Maricopa County as part of the 2020 State General Election.

Citizen Notification

Voters on the Permanent Early Voting List (PEVL) received notification of the election from Maricopa County in early May 2020, and early ballots were mailed approximately 27 days before the election. The City mailed a Publicity Pamphlet in late September, before early ballots were mailed, to each household with an eligible registered voter. The Pamphlet contained general information about the election, including the deadline to return early ballots by mail, in-person voting options, and voter identification requirements. The Pamphlet also contained a list of names of the qualified candidates for Mayor and Council, the full text of the ballot proposition, a summary of the proposition and any arguments filed supporting or opposing the proposition. Election information was available at phoenix.gov/elections and maricopa.vote. Additionally, information was provided through multiple publications, news releases, and the official Phoenix election Twitter account, @PHXClerk. All election information was available at phoenix.gov/elections and provided in English and Spanish.

Concurrence

Maricopa County was responsible for the tabulation of ballots and provided election results for the Mayor and Council races and the City ballot proposition.

This item was approved.

20 Acceptance and Dedication of Easements for Sidewalk and Public Utility Purposes (Ordinance S-47138)

Request for the City Council to accept and dedicate easements for sidewalk and public utility purposes; further ordering the ordinance recorded.

Summary

Accepting the property interests below will meet the Planning and Development Department's Single Instrument Dedication Process requirement prior to releasing any permits to applicants.

Easement (a)
Applicant: Mountain Banyan Qualified Opportunity Zone Business, LLC, its successor and assigns
Purpose: Sidewalk
Location: 5321 E. Washington St.
File: FN 200581
Council District: 6

Easement (b)
Applicant: Haron Properties, LLC, its successor and assigns
Purpose: Sidewalk
Location: 5324 N. 16th St.
File: FN 200578
Council District: 6

Easement (c)
Applicant: Bella Casa Rentals, LLC its successor and assigns
Purpose: Public Utility
Location: 6835 N. 13th Place
File: FN 200591
Council District: 6

Easement (d)
Applicant: Chamberlain Development, L.L.C., its successor and assigns
Purpose: Sidewalk
Location: 6950 W. Buckeye Road

File: FN 200594
Council District: 7

Easement (e)
Applicant: Mach Holdings, Inc., its successor and assigns
Purpose: Sidewalk
Location: 1246 E. Broadway Road
File: FN 200580
Council District: 8

This item was adopted.

21 Acceptance of an Easement for Drainage Purposes (Ordinance S-47141)

Request for the City Council to accept an easement for drainage purposes; further ordering the ordinance recorded.

Summary
Accepting the property interests below will meet the Planning and Development Department's Single Instrument Dedication Process requirement prior to releasing any permits to applicants.

Easement (a)
Applicant: Chamberlain Development, L.L.C., its successor and assigns
Purpose: Drainage
Location: 6950 W. Buckeye Road
File: FN 200594
Council District: 7

This item was adopted.

22 Authorization to Grant an Easement on City-owned Property Across the Salt River, East of the S. 7th Street Bridge (Ordinance S-47142)

Request to authorize the City Manager, or his designee, to grant an easement for fiber optic purposes to Wanrack, LLC across City-owned property located across the Salt River, east of the S. 7th Street bridge for consideration in the amount of the appraised value and other considerations. Further request authorization for the City Treasurer to accept all funds related to this item.

Summary
The easement, approximately 9,835 square feet, is required to accommodate fiber optic facilities for the federally funded E-Rate Program awarded to the Phoenix Union School District (PUSD) to improve internet access and speed for its students. The program will allow the PUSD to utilize the network for cameras, teacher apps, lunch card services and emergency services, and will have unlimited bandwidth to meet future technological needs.

The location of this easement has been reviewed and approved by the United States Army Corps of Engineers Los Angeles District for boring and installation of fiber optic across the Salt River.

Financial Impact
Compensation for the easement will be reflective of market value.

Location
Across the Salt River, east of S. 7th Street bridge
Council District: 8

This item was adopted.

23 Enterprise Storage Equipment and Services - Requirements Contract - IFB 21-026 (Ordinance S-47154)

Request to authorize the City Manager, or his designee, to enter into a contract with Transource Services Corporation, doing business as Transource Computers, to purchase enterprise storage equipment and services for the Information Technology Services Department. The aggregate contract value including the option years will not exceed $5,205,074. In addition, Transource Computers is offering a trade in credit for hardware in the amount of $30,000. Further request authorization for the City Controller to disburse all funds related to this item.

Summary
This contract will allow the Information Technology Services Department (ITS) to replace the City's current storage infrastructure, which is approaching 11 years of service with components that have not been

supported by its manufacturer since 2018. ITS can no longer expand storage to meet City and Departmental applications. The current storage infrastructure hosts the majority of enterprise and departmental data and applications, including key financial, security, customer-facing, and departmental business systems. Data storage is a critical service provided to the enterprise by ITS. This contract will allow ITS to replace existing unsupported storage infrastructure with a system capable of supporting current data needs as well as projected growth. The purchase will include the required equipment and professional services for installation, configuration, and data migration from the legacy storage environment to the new environment. It will also include training and six years of annual maintenance and support. The new solution will satisfy current infrastructure needs for storage, provide resiliency necessary for business continuity, and can be configured to support varying workloads and enterprise departmental needs for data and application storage.

This item has been reviewed and approved by the Information Technology Services Department.

Procurement Information

Multi-Step Invitation for Bid (IFB) 21-026 was conducted in accordance with Administrative Regulation 3.10. There were eight offers received by the Procurement Division on Sept. 25, 2020 for Phase I, which were evaluated for responsiveness to technical specifications and solicitation requirements. Six offers were deemed non-responsive for non-compliance with the solicitation's requirements and for not providing documentation to demonstrate that their proposed solution meets all minimum requirements. The remaining two responsive offers moved to Phase II, which consisted of obtaining pricing and reviewing for responsibility in providing the required goods and services. The lowest-priced offer was determined to be fair and reasonable based on previous purchases. The bid notification was sent to 215 suppliers and was publicly posted and available for download from the City's website.

The Finance Deputy Director recommends the bid from Transource Services Corporation, doing business as Transource Computers, be accepted as the lowest-priced, responsive and responsible bidder.

Contract Term

The three-year contract term will begin on or about Dec. 15, 2020. Provisions of the contract will include an option to extend the term of the contract with one additional three-year period, which may be exercised by the City Manager or his designee.

Financial Impact

The aggregate contract value including the option years will not exceed $5,205,074. In addition, Transource Computers is offering a trade in credit for hardware in the amount of $30,000. Funds are available in the Information Technology Services Department's budget. Funds for the enterprise storage equipment and services are available from existing excise tax bond proceeds.

This item was adopted.

25 Amend Personnel Rules (Ordinance S-47151)

Request City Council approval of amendments to City of Phoenix Personnel Rules 1 though 23. This action establishes final rules and adopts changes to update and streamline the City's Personnel Rules.

Summary

The proposed rule changes are designed to accurately reflect and improve current City practices, utilize gender-neutral language and pronouns, align language with federal and state agency regulations, and update “Personnel” references to “Human Resources” except where referring to City Charter language (**Attachment A - Personnel Rules**).

Public Outreach

A public meeting was conducted by the Human Resources Department on Nov. 12, 2020, to formally solicit comments on the proposed amendments.

This item was adopted as revised.

26 Agreement with Databank IMX, LLC for OnBase System Upgrade and Maintenance Services - Amendment (Ordinance S-47143)

Request to authorize the City Manager, or his designee, to execute an amendment to Agreement 146238 with Databank IMX, LLC to provide additional spending authority for annual licensing, maintenance fees and professional services related to the Phoenix Municipal Court’s Electronic

Document Management System (OnBase). Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The additional fee for goods and services included in this agreement will not to exceed $120,000.

Summary

The Phoenix Municipal Court recently completed upgrades through grant funding to the state standard court Electronic Document Management System (OnBase) in preparation for a project to digitize case files, as well as to support the statewide AZPoint project. Additional payment authority in the amount of $120,000 for Agreement 146238 is requested to cover ongoing annual licensing, maintenance fees resulting from the upgrades, as well as a contingency for professional services and additional modules that may be required to support data exchanges between the Phoenix Municipal Court and the Arizona Supreme Court's respective OnBase systems.

Financial Impact

The initial agreement for OnBase System Upgrade and Maintenance Services was authorized for a fee not-to-exceed $170,000.

A payment ordinance increased the agreement by an additional $45,000.

This amendment will increase the agreement by an additional $120,000 for a new total not-to-exceed agreement value of $335,000.

Funding for this agreement is available in the Phoenix Municipal Court’s operating budget.

Concurrence/Previous Council Action

The City Council approved:

OnBase System Upgrade and Maintenance Services Agreement 146238 (Ordinance S-) on Oct. 18, 2017; and

OnBase System Upgrade and Maintenance Services Agreement 146238 Payment Ordinance (Ordinance S-45018) on Oct. 3, 2018.

This item was adopted.

27 Additional Expenditures for Custodial Services IFB 17-045B - Requirements Contract (Ordinance S-47156)

Request to authorize the City Manager, or his designee, to allow additional expenditures under Contract 144492 with Allied Universal Janitorial Services for custodial services for the Human Services Department. Further request authorization for the City Controller to disburse all funds related to this item.

Summary

The Human Services Department (HSD) and their custodial vendor have mutually agreed upon termination of their current custodial services contract, effective Dec. 31, 2020. To avoid a lapse in custodial services, HSD is being added as an authorized user of another current custodial services contract with Allied Universal Janitorial Services. This contract will provide custodial services for HSD's senior center locations throughout the City. Services include general cleaning of the interior and exterior of these locations, which include floor cleaning/disinfecting and restroom cleaning/disinfecting. The additional funds will allow HSD to continue to maintain the senior centers during this current COVID-19 environment.

Contract Term

This contract is effective from March 1, 2017 through Feb. 28, 2022.

Financial Impact

Upon approval of $389,812 in additional funds, the revised aggregate value of the contract will not exceed $6,962,957. Funds are available in the Human Services Department's budget.

Concurrence/Previous Council Action

This contract was originally approved by City Council on Jan. 25, 2017, and additional expenditures were approved by City Council on Aug. 26, 2020.

This item was adopted.

34 Materials Recovery Facility Operations and Materials Marketing (North Gateway and 27th Avenue Transfer Stations) Requirements Contract Amendment (Ordinance S-47157)

Request to authorize the City Manager, or his designee, to amend

Contract 131492, Materials Recovery Facility (MRF) Operations and Materials Marketing (North Gateway and 27th Avenue Transfer Stations) between the City of Phoenix and ReCommunity (now Republic Services). Further request authorization for the City Treasurer to accept, and for the City Controller to disburse, all funds related to this item.

Summary

Republic Services/ReCommunity operates the City's two MRFs and is responsible for marketing recyclable commodities that are captured in those processes. The contract was originally approved by City Council on June 8, 2011, for a 10-year term with three, one-year options to extend, and has been amended several times over the term to address changing market conditions. On Sept. 30, 2015, in response to depressed commodity sales values and increased processing expenses, Council amended the contract to increase the revenue share percentage to the Contractor from a flat 10% to a tiered scale from 9% to 23% depending on commodity values. On Feb. 6, 2019, Council amended the contract to authorize the Contractor to purchase and install new specialized equipment at the North Gateway MRF (S-45359). This amendment was completed to improve capture of recyclables and reduce operating expenses. On June 5, 2019, Council amended the contract to modify the revenue share percentage to the Contractor from a tiered scale of 9% to 23% depending on commodity values, to a flat 15%; increase the processing fee by $15.00 per ton; and remove the guaranteed minimum floor prices for all commodities and set all floor prices to zero (S-45781). This amendment was completed in response to depressed commodity sales values due to China’s National Sword policy and increased processing expenses.

Republic Services/ReCommunity is reporting that current operating expenses at the MRFs exceed the current processing fees. This was confirmed in an independent audit reviewed by the City, particularly at the 27th Avenue MRF. At this time, the option of early contract cancellation and a rebid is not recommended as the recycling industry is under extreme financial pressure and a rebid may result in less-favorable contract conditions for the City.

The proposed contract amendment includes the following; other contract

terms remain the same:

Effective Jan. 1, 2021, the City will retain from the most recent contract amendment the processing fee addition of $15.00 per recycle ton processed and the zero dollar guaranteed minimum floor prices for all commodities; in addition, the City will add a one-time minimum wage adjustment of 1.25% (the same adjustment percentage authorized by state law) and add $8.00 per ton to all recycle tons processed at the North Gateway MRF. The result will be a processing fee of $65.08 per ton for the first 100,000 tons processed and a processing fee of $57.95 per ton for each ton thereafter.

Effective Jan. 1, 2021, the City and the Contractor will consolidate MRF operations at the North Gateway MRF; recycle volume will be transported by the City to the North Gateway MRF for processing.

Effective Jan. 1, 2021, modify the revenue share to a fixed amount of 88% share to the City and 12% share to the Contractor.

Effective Jan. 1, 2021, modify performance standards for the Recyclables Residue Guarantee from 1% to 5%, with a financial penalty if going above 10%.

Contract Term

Contract 131492 was approved by City Council on June 8, 2011, for a 10-year term with three, one-year options to extend. This amendment applies to calendar year 2021, with three, one-year options to extend to Jan. 31, 2025.

Financial Impact

This amendment is estimated to add $1,435,634 million in additional processing expenses from Jan. 1, 2021 through the end of the initial contract term of Jan. 31, 2022. Actual fees and revenues from this contract and amendment may be higher or lower depending on recycling tonnage collected and commodity sales. Funding is available in the Public Works Department Solid Waste operating budget.

Concurrence/Previous Council Action

Contract 131492 was approved by City Council on June 8, 2011. City Council approved contract amendments on Sept. 30, 2015, Feb. 6, 2019 (S-45359) and June 5, 2019 (S-45781).

Location
North Gateway Material Recovery Facility, 30205 N. Black Canyon Hwy.
27th Avenue Material Recovery Facility, 3060 S. 27th Ave.
Council Districts: 2 and 7

This item was adopted.

36 2020 Congestion Mitigation and Air Quality Alley Dustproofing - Design-Bid-Build Services - ST87400272 (Ordinance S-47132)

Request to authorize the City Manager, or his designee, to accept VSS International, Inc. as the lowest-priced, responsive and responsible bidder and to enter into an agreement with VSS International, Inc. for Design-Bid-Build Services for the 2020 Congestion Mitigation and Air Quality (CMAQ) Alley Dustproofing project. Further request to authorize the City Controller to disburse all funds related to this item. The fee for services will not exceed $2,094,120.

Summary
The purpose of this project is to provide dustproofing treatment of various alleys for dust control using Liquid Asphalt and Fractured Aggregate Surface Treatment within Phoenix.

VSS International, Inc. services include, but are not limited to: approximately 183,683 square yards of clearing, grubbing, and subgrade preparation, including removal, hauling, and disposal of deleterious materials and degraded asphalt millings; 168,508 square yards of single application of Liquid Asphalt and Fractured Aggregate Surface Treatment (MC-250) and precoated fracture aggregate; weed control; traffic control; and other miscellaneous items in various alleys within the City of Phoenix.

This agreement is essential to the health, safety, and welfare of the public and critical operations for the City.

Procurement Information
The selection was made using an Invitation for Bids procurement process set forth in section 34-201 of the Arizona Revised Statutes. Four bids were received on August 25, 2020 and were sent to the Equal Opportunity Department for review to determine subcontractor eligibility

and contractor responsiveness in demonstrating responsiveness to Disadvantaged Business Enterprise (DBE) program requirements.

The Engineer's Estimate and the three lowest responsive, responsible bidders are listed below:

Engineer's Estimate: $2,445,555.61
VSS International, Inc.: $2,094,120.00
Cholla Pavement Maintenance, Inc.: $2,288,744.38
Cactus Asphalt, A Division of Cactus Transport, Inc.: $2,406,978.57

Bidders who were deemed non-responsive are listed below, in alphabetical order:
The Fishel Construction Company, (FN)

The bid award amount is within the total budget for this project.

The reason for the variance from the Engineer's Estimate to the lowest responsive and responsible bid is the Engineer's Estimate was based on historical bid prices submitted on a prior year project with similar scope of work, which advertised within the last two years, and accounted for two years of inflation. The Engineer's Estimate was found to be within five percent of the current average bids.

Contract Term
The term of the agreement is 120 calendar days from issuance of the Notice to Proceed. Work scope identified and incorporated into the agreement prior to the end of the term may be agreed to by the parties, and work may extend past the termination of the agreement. No additional changes may be executed after the end of the term.

Financial Impact
The agreement value for VSS International, Inc. will not exceed $2,094,120, including all subcontractor and reimbursable costs.

This project will utilize federal funds and is subject to the requirements of 49 Code of Federal Regulations Part 26 and the U.S. Department of Transportation DBE Program. Funding is available in the Street

Transportation Department 's Capital Improvement Program budget. The Budget and Research Department will separately review and approve funding availability prior to execution of any amendments. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

Concurrence/Previous Council Action
The City Council approved submittal of an application for federal transportation funding and the acceptance of funds for this project (Ordinance S-42066) on Sept. 30, 2015.

This item was adopted.

37 Street Transportation Department Soils and Materials Testing On-Call Services for Calendar Years 2021-22 (Ordinance S-47133)

Request to authorize the City Manager, or his designee, to enter into separate agreements with the 15 consultants listed on Attachment A, to provide Soils and Materials Testing On-Call services for the Street Transportation Department. Further request to authorize execution of amendments to the agreements as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The total fee for services will not exceed $1.5 million for each agreement.

Additionally, request to authorize the City Manager, or his designee, to take all action deemed necessary to execute all utilities-related design and construction agreements, licenses, permits, and requests for utility services relating to the development, design, and construction of the project and to include disbursement of funds. Utility services include, but are not limited to: electrical; water; sewer; natural gas; telecommunications; cable television; railroads; and other modes of transportation. This authorization excludes any transaction involving an interest in real property.

Summary
The On-Call consultants will be responsible for providing On-Call Soils and Materials Testing services that include, but are not limited to: miscellaneous geotechnical, materials testing, and laboratory services not limited to: sampling; laboratory and field testing of soil, concrete and asphalt; asphalt, concrete and aggregate plant inspections; and analyses

and preparation of reports. The consultants will have appropriate certifications such as: Occupational Safety and Health Administration Trench Safety, Mine Safety Health Administration, American Concrete Institute, Arizona Technical Testing Institute, Concrete and Cement Reference Laboratory, and American Association of State Highway and Transportation Officials.

These Agreements are essential to the health, safety, and welfare of the public and critical operations for the City.

Procurement Information
The selections were made using a qualifications-based selection process set forth in section 34-604 of the Arizona Revised Statutes (A.R.S.). In accordance with A.R.S. section 34-604(H), the City may not publicly release information on proposals received or the scoring results until an agreement is awarded. Twenty-one firms submitted proposals and are listed in **Attachment A.**

Contract Term
The term of each agreement is up to two years, or up to $1.5 million, whichever occurs first. Work scope identified and incorporated into the agreement prior to the end of the term may be agreed to by the parties, and work may extend past the termination of the agreement. No additional changes may be executed after the end of the term.

Financial Impact
The agreement value for each of the On-Call consultants will not exceed $1.5 million, including all subconsultant and reimbursable costs. The total fee for all services will not exceed $22.5 million.

Funding is available in the Street Transportation Department's Capital Improvement Program and Operating budgets. The Budget and Research Department will review and approve funding availability prior to issuance of any On-Call task order of $100,000 or more. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

This item was adopted.

38 Booster Pump Station Improvements - Construction Manager at Risk Preconstruction Services - WS85100032, WS85500451 & WS85400007 (Ordinance S-47135)

Request to authorize the City Manager, or his designee, to enter into an agreement with Hunter Contracting Co. (Hunter) to provide Construction Manager at Risk (CMAR) Preconstruction Services for the Booster Pump Station (BPS) Improvements project. Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The fee for services will not exceed $75,000.

Summary

The purpose of this project is to make improvements and upgrades to Booster Pump Station 10A-B1, and increase pumping capacity. This booster pump station generally serves the area along Cave Creek Road north of Dove Valley Road.

Hunter will begin in an agency support role for CMAR Preconstruction Services. Hunter will assume the risk of delivering the project through a Guaranteed Maximum Price agreement.

Hunter's services include, but are not limited to: extensive coordination with the Water Services Operations team as well as with the Town of Cave Creek and their representatives, performance of construction activities in parallel within a tight construction schedule and budget. Hunter will also be involved with coordinating with staff to develop shutdown plans for the Booster Pump Station and associated pipelines. A Small Business Enterprise goal will be established for this project upon substantial completion of Preconstruction Services and prior to the start of construction.

This Agreement is essential to the health, safety, and welfare of the public and critical operations for the City.

Procurement Information

The selection was made using a qualifications-based selection process

set forth in section 34-603 of the Arizona Revised Statutes (A.R.S.). In accordance with A.R.S. section 34-603(H), the City may not publicly release information on proposals received or the scoring results until an agreement is awarded. Seven firms submitted proposals and are listed.

Selected Firm
Rank 1: Hunter Contracting Co.

Additional Proposers
Rank 2: Felix Construction Company
Rank 3: PCL Construction, Inc.
Rank 4: Garney Construction, Inc.
Rank 5: MGC Contractors, Inc.
Rank 6: Haydon Building Corp.
Rank 7: Schofield Civil Construction, LLC

Contract Term
The term of the agreement is five years from issuance of the Notice to Proceed. Work scope identified and incorporated into the agreement prior to the end of the term may be agreed to by the parties, and work may extend past the termination of the agreement. No additional changes may be executed after the end of the term.

Financial Impact
The agreement value for Hunter will not exceed $75,000, including all subcontractor and reimbursable costs.

Funding is available in the Water Services Department's Capital Improvement Program budget. The Budget and Research Department will separately review and approve funding availability prior to execution of any amendments. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

39 Cave Creek and Lone Mountain Waterline Connection - Construction Manager at Risk Preconstruction Services - WS85100032, WS85500451 & WS85400007 (Ordinance S-47136)

Request to authorize the City Manager, or his designee, to enter into an agreement with Garney Companies, Inc. (Garney) to provide Construction Manager at Risk (CMAR) Preconstruction Services for the Cave Creek and Lone Mountain Waterline Connection project. Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The fee for services will not exceed $125,000.

Summary

The purpose of this project is to construct approximately one mile of new 16" waterline to connect between existing infrastructure south of Carefree Highway and the new 10A-B1 Booster Pump Station (BPS). Approximately one mile of new 16" waterline will also be constructed along Lone Mountain Road for system resiliency when the BPS is operational. Garney will begin in an agency support role for CMAR Preconstruction Services. Garney will assume the risk of delivering the project through a Guaranteed Maximum Price agreement.

Garney’s services include, but are not limited to: extensive coordination with the Water Services Operations team as well as with the Town of Cave Creek and their representatives; perform construction activities in parallel within a tight construction schedule and budget; and coordinate with Remote Facilities and Distribution for shutdown and isolation of the BPS and waterlines. A Small Business Enterprise goal will be established for this project upon substantial completion of Preconstruction Services and prior to the start of construction.

This agreement is essential to the health, safety, and welfare of the public and critical operations for the City.

40 Phoenix Sky Harbor International Airport Terminal 4 South 1 Concourse Concrete Apron Construction Administration and Inspection - Engineering Services - AV08000083 FAA (Ordinance S-47137)

Request to authorize the City Manager, or his designee, to enter into an agreement with Jacobs Engineering Group Inc. to provide engineering services that include construction management and construction administration and inspection (CA&I) services for the Phoenix Sky Harbor International Airport (PSHIA) Terminal 4 South 1 (T4S1) Concourse Concrete Apron project. Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The fee for services will not exceed $750,000.

Additionally, request to authorize the City Manager, or his designee, to take all action deemed necessary to execute all utilities-related design and construction agreements, licenses, permits, and requests for utility services related to the development, design, and construction of the project and to include disbursement of funds. Utility services include, but are not limited to: electrical, water, sewer, natural gas, telecommunication, cable television, railroads and other modes of transportation. This authorization excludes any transaction involving an interest in real property.

Summary

The purpose of the project is to construct approximately 48,000 square yards of new concrete aircraft apron located at PSHIA T4S1. Construction management and CA&I services will be performed in conjunction and cooperation with ongoing construction of the T4S1 Concourse.

Jacobs Engineering Group Inc.'s services include, but are not limited to: supplying resident project representative or resident engineer, Federal

Aviation Administration (FAA) document control; initial review for completeness of requests for information, construction submittals, and shop drawings; filing FAA weekly construction reports; inspecting major work items in coordination with City of Phoenix Aviation Department inspections; responding to construction related issues; reviewing and commenting on the applicability of construction change requests, time extensions, and schedule reviews; preparing and reviewing punch lists and closeout documentation; and other related services required to successfully implement the construction of the project.

The agreement is essential to the health, safety, and welfare of the public and critical operations for the City.

Procurement Information

The selection was made using a qualifications-based selection process set forth in section 34-603 of the Arizona Revised Statutes (A.R.S.). In accordance with A.R.S. section 34-603(H), the City may not publicly release information on proposals received or the scoring results until an agreement is awarded. Six firms submitted proposals and are listed below.

41 Amendment to Pavement Management Software Contract (Ordinance S-47140)

Request to authorize the City Manager, or his designee, to amend Contract 151298 with Deighton Associates Limited (Deighton) for software technical support, maintenance, on-site support, and training for the Deighton Total Infrastructure Management Software (dTIMS) used by the Street Transportation Department for pavement management to upgrade to a new enterprise service version with additional hosting and security services for the pavement management data base, and to approve additional expenditures in an amount not to exceed $305,000. Further request authorization for the City Controller to disburse all funds related to this item.

Summary

The Street Transportation Department (Streets) requires an increase to the existing contract to make upgrades to the software and data storage used for the Pavement Management System (PMS). The dTIMS software, developed and maintained by Deighton, is a configurable asset management program currently used by Streets to manage the City's pavement asset. The PMS provides objective pavement condition index data and recommendations which form the basis of the Pavement Maintenance Program including the Accelerated Pavement Maintenance Program.

Deighton has provided software and service for the PMS for over 10 years. With the current service, the software (dTIMS CT Version 9) is installed locally on a single computer operated by Streets staff with data storage, backup and security support provided by the City's Information Technology Services Department. Deighton provides software maintenance and technical user support services. The new iteration of dTIMS (dTIMS Business Analytics) migrates the software interface, database storage and analysis from a singular machine located and maintained in City Hall to an internet-based platform housed and maintained by the vendor. This enables enterprise level of service capable of seamlessly integrating other assets and providing access for up to 5 users remotely. Upon migrating to the new version, Deighton will take on additional responsibility of hosting the data on its servers, assume database storage, security and backup responsibilities, software upgrades and enhancements. The net cost increase in the new service package equates to $61,000 per contract year.

The benefits for upgrading to the new software version include a new enterprise service capable of integrating other assets, data storage and security, improved speed and performance, the ability to upgrade to the newest features for the PMS, ability to perform cross-asset optimization, better communication and collaboration via a web-based platform, relief of City's IT staff and resources require for data storage and security. This contract amendment will add capacity to allow for the upgrade to take place.

Procurement Information

The original contract was procured in accordance with Administrative Regulation 3.10. Normal competition was waived as a result of a Determination Memo citing the unusual nature of the goods or services as Deighton Associates Limited is the creator of the dTIMS software, which is the core component of the City's Pavement Management System.

Contract Term

The five-year Service Agreement began Dec. 1, 2019 and expires on

Nov. 30, 2024.

Financial Impact

This Amendment is requesting $305,000, which will bring the total contract value to a not-to-exceed amount of $520,639. Funds are available in the Street Transportation Department's operating budget.

Concurrence/Previous Council Action

Council approved the original contract on Sept. 18, 2019 (S-46012).

This item was adopted.

43 Salt River Project Design and Construction Agreement for Aquifer Storage and Recovery Well 304 (Ordinance S-47145)

Request to authorize the City Manager, or his designee, to enter into a contract with Salt River Project (SRP) for design and construction services for the aquifer storage and recovery well 304 located at Deer Valley Water Treatment Plant, in an amount not to exceed $66,000. Further request authorization for the City Controller to disburse all funds related to this item. Further request the City Council to grant an exception pursuant to Phoenix City Code 42-20 to authorize inclusion in the documents pertaining to this transaction of indemnification and assumption of liability provisions that otherwise would be prohibited by Phoenix City Code 42-18.

Summary

The contract with SRP is for design and construction for installation of a 2500KVA transformer and a 2400/4160v service for the well located at the Deer Valley Water Treatment Plant, for the Water Services Department. This new transformer and service is needed to power the new well. SRP responsibilities under this contract include installation of the new transformer and service including purchase of equipment, design and construction.

Contract Term

The contract term is for two years, beginning on or about Dec. 1, 2020 through Dec. 1, 2022.

Financial Impact

The contract value will not exceed $66,000, including all subconsultant and reimbursable costs.

Funding is available in the Water Services Department's Capital Improvement Program budget. The Budget and Research Department will separately review and approve funding availability prior to execution of any amendments. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

44 91st Avenue Wastewater Treatment Plant Solids Rehabilitation Phase 1 - Construction Manager at Risk Construction Services - WS90100111 (Ordinance S-47146)

Request to authorize the City Manager, or his designee, to enter into an agreement with PCL Construction, Inc. (PCL) to provide Construction Manager at Risk (CMAR) Construction Services for the 91st Avenue Wastewater Treatment Plant Solids Rehabilitation Phase 1 project. Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The fee for services will not exceed $45,351,000.

Summary
The purpose of this project is to rehabilitate, replace, and make improvements to the solids thickening, solids digestion, and solids dewatering equipment, piping, instrumentation and process at the 91st Avenue Wastewater Treatment Plant.

PCL’s initial services will include preparation of a Guaranteed Maximum Price (GMP) proposal for the Construction Services provided under the agreement and participating with the City in a process to establish a Small Business Enterprise (SBE) goal for the project. PCL will be responsible

for construction means and methods related to the project and fulfilling the SBE program requirements. PCL Construction, Inc. will be required to solicit bids from prequalified subcontractors and to perform the work using the City's subcontractor selection process. PCL may also compete to self-perform limited amounts of work.

PCL's services include, but are not limited to: make improvements to replace and rehabilitate equipment per final plans and specifications, solicitation of bids for major portions of work, schedule and manage site operations, acquisition and maintenance of required permits and licenses, coordinate schedules and activities with other contractors, engineers, City of Phoenix departments, utility companies and other agencies as required.

The 91st Avenue Wastewater Treatment Plant is owned by the Sub-Regional Operating Group (SROG), consisting of the cities of Phoenix, Mesa, Scottsdale, Glendale, and Tempe, and operated by the City of Phoenix.

This agreement is essential to the health, safety, and welfare of the public and critical to operations for the City.

Procurement Information
The selection was made using a qualifications-based selection process set forth in section 34-603 of the Arizona Revised Statutes. Scoring and selection were made in conjunction with the CMAR Preconstruction Services selection process.

Contract Term
The term of the agreement is 270 calendar days from issuance of the Notice to Proceed. Work scope identified and incorporated into the agreement prior to the end of the term may be agreed to by the parties, and work may extend past the termination of the agreement. No additional changes may be executed after the end of the term.

Financial Impact
The agreement value for PCL Construction, Inc. will not exceed $45,351,000, including all subcontractor and reimbursable costs.

Funding is available in the Water Services Department's Capital Improvement Program budget. The Budget and Research Department will separately review and approve funding availability prior to execution of any amendments. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

Concurrence/Previous Council Action
The SROG advisors:
Authorized the project on June 10, 2020.

The City Council approved:
Professional Services Agreement 152491 (Ordinance S-46821) on July 1, 2020; and
CMAR Preconstruction Services Agreement 152492 (Ordinance S-46823) on July 1, 2020.

45 Baseline Road Fiber Enhancement - Engineering Services - ST89360036 (Ordinance S-47153)

Request to authorize the City Manager, or his designee, to enter into an agreement with Kimley-Horn and Associates, Inc., to provide Engineering Services that include assessment, project management, design, and possible construction administration and inspection (CA&I) services for the Baseline Road Fiber Enhancement project. Further request to authorize execution of amendments to the agreement as necessary within the Council-approved expenditure authority as provided below, and for the City Controller to disburse all funds related to this item. The fee for services will not exceed $400,000.

Additionally, request to authorize the City Manager, or his designee, to take all action deemed necessary to execute all utilities-related design

and construction agreements, licenses, permits, and requests for utility services related to the development, design and construction of the project and to include disbursement of funds. Utility services include, but are not limited to: electrical, water, sewer, natural gas, telecommunication, cable television, railroads and other modes of transportation. This authorization excludes any transaction involving an interest in real property.

Summary

The purpose of this project is to extend the City's real-time transportation management capability along Baseline Road (a key roadway corridor) and enable a more reliable network routing for Intelligent Transportation System (ITS) devices in the area. The Baseline Fiber Enhancement project is proposing to install 13 miles of fiber optic infrastructure including ITS devices, and a Layer 3 switch to serve as a fiber node facility in the southern part of Phoenix along Baseline Road, from the approximate area of Congressman Ed Pastor Freeway (State Route 202-South Mountain Freeway) to Interstate 10.

Kimley-Horn and Associates, Inc.'s services include, but are not limited to: preparing construction documents which consist of data collection, designing fiber optic conduit; utility and pothole coordination through City staff; creating cost estimates and specifications; supporting public meeting; and other services as required for a complete project.

This project is essential to the health, safety, and welfare of the public and critical operations of the City.

Procurement Information

Kimley-Horn and Associates, Inc. was chosen for this project using a Direct Select process set forth in section 34-103 of the Arizona Revised Statutes (A.R.S.). The Direct Select process will reduce the time to procure professional design services as opposed to an advertised selection process; meeting the project deadline. This procurement method will ensure meeting the funding obligation deadline of May 2021 by completing the design phase of the project by April 2021.

Contract Term

The term of the agreement is five years from the issuance of the Notice

to Proceed. Work scope identified and incorporated into the agreement prior to the end of the term may be agreed to by the parties, and work may extend past the termination of the agreement. No additional changes may be executed after the end of the term.

Financial Impact

The agreement value for Kimley-Horn and Associates, Inc. will not exceed $400,000, including all subconsultant and reimbursable costs.

Funding is available in the Street Transportation Department's Capital Improvement Program budget. The City of Phoenix will administer this project in its entirety in cooperation with the Arizona Department of Transportation utilizing Federal Aid funding for construction, under the Congestion Mitigation and Air Quality (CMAQ) program. CMAQ funding will require that all approval and clearances required by the Federal Highway Administration - Federal Aid process be obtained during the design process, including any environmental clearance, utility clearance and right-of-way clearance. The Budget and Research Department will separately review and approve funding availability prior to execution of any amendments. Payments may be made up to agreement limits for all rendered agreement services, which may extend past the agreement termination.

Location

Baseline Road: Congressman Ed Pastor Freeway (State Route 202-South Mountain Freeway) to Interstate 10.
Council Districts: 6, 7 and 8

This item was adopted.

46 Additional Expenditures for Illuminated Street Sign Fabrication and Installation Services - IFB 19-025A (Ordinance S-47134)

Request to authorize the City Manager, or his designee, to authorize additional expenditures under Contract 148743 with Fluoresco Services, LLC. Further request to authorize the City Controller to disburse all funds related to this item. The additional amount of $1.25 million is needed for the fabrication and installation of illuminated street signs for the Street Transportation Department.

Summary

This contract is used by the Street Transportation Department's Traffic Signal Shop for the fabrication and installation of various sizes of single-sided and double-sided illuminated street signs and components. Illuminated street name signs are the standard at the City's signalized intersections. The additional authorized expenditures are necessary to address needed replacement of existing illuminated street name signs that have exceeded their useful life.

Contract Term

The five-year contract term is Dec. 1, 2018 to Nov. 30, 2023, and is not changed.

Financial Impact

Upon approval of the additional $1.25 million, the revised total contract value will not exceed $7.5 million. Funds are available in the Street Transportation Department's operating budget.

Concurrence/Previous Council Action

The City Council approved Illuminated Street Signs Fabrication and Installation Agreement 148743 (Ordinance S-45090) on Nov. 7, 2018.

This item was adopted.

47 Purchase Supply of Silica Dioxide - Amendment 3 (Ordinance S-47139)

Request to authorize the City Manager, or his designee, to execute an amendment to Agreement 143832 with Thatcher Company of Arizona to provide additional funding to the contract. Further request to authorize the City Controller to disburse all funds related to this item. The additional expenditures for goods included in this agreement will not exceed $50,000.

Summary

The purpose of this agreement is to provide the Water Services Department (WSD) Deer Valley Water Treatment Plant with an additional supply of Silica Dioxide.

This amendment is necessary to accommodate a previously-approved price increase that took effect Nov. 2019 as well as the extended term of the Agreement. Without a supply of Silica Dioxide for the Deer Valley

Water Treatment Plant, WSD would lack the ability to filter out particles and other solids from treated drinking water.

Financial Impact

The initial agreement for the Silica Dioxide Contract was executed for an expenditure not-to-exceed $186,000. Amendment 1 extended the contract term from Nov. 1, 2019 to Oct. 31, 2020, and increased the price of Silica Dioxide from $380 per ton to $476 per ton. Amendment 2 extended the contract term from Nov. 1, 2020 to Oct. 31, 2021. Amendment 3 will increase the agreement by an additional $50,000, for a new total not-to-exceed agreement value of $236,000.

Funding is available in the Water Services Department's Operating budget.

Concurrence/Previous Council Action

The City Council approved the supply of Silica Dioxide Contract 143832 (Ordinance S-42951) on Oct. 19, 2016.

65 Additional COVID-19 Testing (Ordinance S-47158)

Request to authorize the City Manager, or his designee, to extend community testing beyond Dec. 30, 2020, given the current COVID-19 conditions that are existing in the City of Phoenix. Under the present rules of engagement all COVID-19 response activities that are reliant upon Federal dollars as the funding source will cease by Dec. 30, 2020. In fact, in order to ensure that final invoices are processed on time several

activities would need to be curtailed by mid-December.

To facilitate this request, staff is asking that additional funds in the total amount of $3,500,000 through June 30, 2021 be authorized to be added for the following existing contracts for COVID-19 testing: Contract No. 152825 with Vincere Physicians Group PLLC ($2,150,000); Contract No. 152654 with Family Tree Healthcare L.L.C ($650,000); and Contract No. 152430 with Equality Health Foundation, Sonora Quest Laboratories, LLC, and Equality Care Center ($700,000). Funding is available through the Coronavirus Relief and Economic Security Act and the General Fund. Further request authorization for the City Controller to disburse all funds related to this item.

Summary
The City Council declared a local emergency due to the COVID-19 pandemic on March 20, 2020. Due to limited COVID-19 testing available to City residents, the City entered into contracts with multiple entities to conduct testing events open to the public. Due to the increasing numbers of positive COVID test results, demand for additional testing events exists throughout the City. With the uncertainty surrounding when the vaccine will actually be available it is possible that testing activities may be altered along the way.

Contract Term
The extensions will begin upon execution and continue through June 30, 2021.

Financial Impact
In response to the COVID-19 pandemic and the recent spike in positive test results throughout the city, county and state, staff recommends that City Council approve an aggregate amount of $5,500,000 to support the community testing efforts outlined in this report. This request includes the $3,500,000 requested in this report plus the year-to-date expenses of approximately $2,000,000. The cost of these efforts will be offset using a combination of Coronavirus Relief Funds and General Funds.

This item was adopted.

Items 11-13, 15-16, Ordinance S-47130 was a request to authorize the City Controller to disburse funds, up to amounts indicated for the purpose of paying vendors, contractors, claimants and others, and providing additional payment authority under certain existing city contracts. This section also requested continuing payment authority, up to amounts indicated below, for the following contracts, contract extensions and/or bids awarded. As indicated below, some items below require payment pursuant to Phoenix City Code section 42-13.

11 Alliance for Innovation, Inc.

For $9,000.00 in payment authority to purchase FY 2020-21 membership dues for the Budget and Research Department. The City of Phoenix has been a member of the Alliance for Innovation since its establishment in 2006. Located in downtown Phoenix, the Alliance for Innovation was established in cooperation with Arizona State University (ASU) and is an international network of local governments and partners committed to driving innovation to enhance organizations' operations and build stronger communities. The membership advances those values by sharing emerging practices, cutting-edge research, and professional development opportunities. The Alliance partners with ASU to promote excellence in local government and build a community of innovative local governments. With the help of ASU, the Alliance seeks to bring together the best local government practitioners along with private sector partners and academic scholars. Over the years, staff has presented and participated at the Alliance's annual Transforming Local Government (TLG) Conference. The City also hosts the annual TLG conference.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Williams, that this item be adopted. The motion carried by the following vote:

Yes:	7 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	1 -	Councilman DiCiccio
Absent:	1 -	Councilman Waring

Note: Following the vote, Councilman Waring reconnected to the meeting.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Pastor, that Items 12-13 be adopted. The motion carried by the following vote:

Yes: 7 - Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 2 - Councilman DiCiccio and Councilman Waring

12 United States Conference of Mayors

For $40,235.00 in payment authority for Fiscal Year 2019-20 annual membership dues for the City of Phoenix. The United States Conference of Mayors (USCM) is the official non-partisan organization of cities with populations of 30,000 or more. Mayors contribute to development of national urban policy by serving on one or more of the conference's standing committees. USCM develops policy positions adopted by the nation's mayors that are distributed to the President of the United States and Congress. Task forces are also assembled to examine and act on issues like civic innovation, exports, hunger and homelessness. The membership ensures that Phoenix's interests are being represented by the USCM.

This item was adopted.

13 National League of Cities

For $41,010.00 in payment authority for Fiscal Year 2020-21 annual membership dues for the City of Phoenix. The National League of Cities (NLC) is an organization focused on strengthening local government. NLC provides training, education programs and conferences. City officials have access to information and publications on federal regulations, solutions to problems, and future challenges. The City benefits from the NLC's efforts to ensure that local governments have influence in the White House, Congress and other federal agencies.

This item was adopted.

15 Settlement of Claim(s) Garcia v. City of Phoenix

To make payment of up to $68,223.09 in settlement of claim(s) in *Garcia v. City of Phoenix*,19-0686-001,GI, BI, for Finance Department pursuant to Phoenix City Code chapter 42.

Discussion

Walter Gray spoke in favor, and noted he was a community activist in west Phoenix. He asked for a brief report on Item 15.

Mayor Gallego replied this item was for an automobile accident.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

16 Settlement of Claim(s) Whitaker v. City of Phoenix

To make payment of up to $3,000,000.00 in settlement of claim(s) in *Whitaker v. City of Phoenix*, 19-1273-001, GL, BI, for the Finance Department pursuant to Phoenix City Code chapter 42.

Discussion

Vice Mayor Guardado made a motion to adopt Item 16.

Councilwoman Pastor seconded the motion.

Councilmember Garcia read a quote from Ryan Whitaker's sister, and noted she said no amount of money could ever bring back her brother. He mentioned it was hard to read the article from Mr. Whitaker's sister, and said the City failed this family in policy and through finding out what really happened. He noted Council voted against civilian oversight of police a couple weeks ago, and said he would be supporting this settlement.

Councilman DiCiccio expressed apologies for the Whitaker family, and added Mr. Whitaker did everything right that night. He stated Mr. Whitaker was an outstanding young man, and commented no amount of money could replace a life. He took issue with the City not calling for immediate medical assistance for Mr. Whitaker, and added that was unacceptable

whether it was policy or not. He talked about how he could not imagine what the Whitaker family was dealing with.

Walter Gray spoke in favor, and said he supported the comments made by Councilmember Garcia and Councilman DiCiccio. He commented Councilman DiCiccio was a long-time advocate of the Police Department, and added his comments were noteworthy.

Marcus Reid spoke in favor, and offered his condolences to the Whitaker family. He stated as a community member he had been trying to get changes in the Police Department.

Prior to her vote, Councilwoman Pastor stated it was very important for Council to push for the Office of Accountability and Transparency.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Pastor, that this item be adopted. The motion carried by the following vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

24 Various Amendments to Pay Ordinance S-45840 (Ordinance S-47152)

Request City Council approval of amendments to Pay Ordinance S-45840 revising timing and eligibility requirements for merit increases, special merit increases, premium pay and promotions, and the approval authority for special merit increases and accrued sick leave payouts.

Summary

The proposed changes to sections 9(e), 10(x), 11(q), 11(r), 18(f), and 19(j) of the current Pay Ordinance (S-45840) (**Attachment A**) modify the approval authority for special merit increases, expand the eligibility criteria for premium pay and special merit increases, clarify the requirements for non-military deployment pay, eliminate the requirement to reset the anniversary date upon receipt of a special merit increase, clarify the merit

increase date for promotions with pay increase of less than three percent, and clarify accrued sick leave payouts. These proposed changes are designed to update and streamline the Pay Ordinance by accurately reflecting and improving current City practices. Many of the proposed changes were recommended by the ASPTEA Labor-Management Committee. The intent is to give management greater flexibility to recognize and reward high performing employees.

Financial Impact

There is no budgetary impact. The cost of all actions taken related to these ordinance changes would be paid for within established department budgets.

Concurrence/Previous Council Action

The Pay Ordinance (S-45840) was approved by the City Council on June 19, 2019.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

28 Contract Extension with 2020 COVID-19 Recovery Consultants, LLC for Public Health Advisory Services (Ordinance S-47155)

Request authorization for the City Manager, or his designee, to (a) extend the term of the contract with 2020 COVID-19 Recovery Consultants, LLC for an additional six months until June 30, 2021, (b) to revise the scope to include compensation for all City health related services and to (c) add $200,000 of additional funds to continue providing professional consulting services on the City of Phoenix's public health efforts. Further request authorization for the City Controller to disburse all funds related to this item.

Summary

On June 29, 2020, Gov. Doug Ducey signed Executive Order 2020-43: Pausing of Arizona's Reopening - Slowing The Spread of COVID-19, which prohibited organized public events of more than 50 people unless a city has approved the event, and only if adequate safety precautions are implemented, including physical distancing measures. In response to this Executive Order, the City of Phoenix developed a team comprised of staff from numerous departments to review permit applications for special events with over 50 individuals in attendance. In order to ensure adequate safety precautions are implemented, as required by the Governor's Executive Order, the City Council authorized staff to enter into contract with 2020 COVID-19 Recovery Consultants, LLC.

The 2020 COVID-19 Recovery Consultants have advised the City of Phoenix on special events applications, provided technical advice on reopening City facilities, assisted staff in redesigning workspaces and shared the most up-to-date guidance from the Centers for Disease Control (CDC) related to the COVID-19 pandemic. Staff requests this contract extension due to the continued prevalence of the virus and increased demand for the public health consultant’s services by city departments and community partners. Furthermore, the 2020 COVID-19 Recovery Consultants will provide additional assistance to staff through supporting the City’s ongoing pandemic response efforts and by guiding the implementation of public health precautions for future major events, large gatherings and the restoration of community services.

Contract Term

The initial contract term was for six months with an exemption from Phoenix City Code sec. 42-19 to the extent necessary to indemnify the contractor. The contract will be extended for six months until June 30, 2021.

Financial Impact

City staff is tracking all expenses related to the COVID-19 pandemic separately and regularly reporting these expenses to the City Council. The aggregate value of this contract shall not exceed $280,000. Funding will be provided through the City’s General Fund offset by the Coronavirus Relief Fund.

Concurrence/Previous Council Action
On Sept. 16, 2020, the City Council approved Ordinance S-46951 providing authority to execute a contract for $80,000 with 2020 COVID-19 Consultants, LLC for public health advisory services.

Discussion
Councilwoman Pastor made a motion to adopt Item 28 with the Health Expert role being a more proactive advisor, and noted an example would be proactively updating Council on COVID-related trends and creating a plan for each department with criteria on closing down and reopening. She added to the motion she would like to add an additional $50,000 to move a total of $250,000 for the extension of this contract.

Vice Mayor Guardado seconded the motion.

Councilman DiCiccio said he would be supporting the motion, and added he liked that Councilwoman Pastor added to the motion about being more proactive. He commented councilmembers didn't have to agree on policy, but that it was good to have people telling Council what trends they saw happening and were able to project expectations forward. He mentioned he wasn't in favor of any type of shutdown, but repeated his support for the motion.

Councilmember Garcia commented he had been asking to have experts on board since the beginning of the pandemic, and said he was supportive of this item. He asked of a clearer benchmark on how the city can reopen, and requested a conversation on having a permanent public health office on a future agenda. He commented he was grateful the City went in this direction, and repeated the importance of having a public health office permanently at the City.

Mayor Gallego mentioned it was a complicated process to add City departments, and added public health debates would continue to go on for quite a while. She expressed support for Item 28 because the consultants were important partners who have made data-driven decisions to lead with public health first. She said the City had learned a lot during this period fighting COVID-19, and concluded there would still

be more to learn.

A motion was made by Councilwoman Pastor, seconded by Vice Mayor Guardado, that this item be adopted as amended to include the Health Expert role be a more proactive advisor, and additional direction given to add $50,000 to the extension to make it $250,000. The motion carried by the following vote:

Yes: 9 - Councilman DiCiccio, Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

29 Review of Field Allocations and Tournaments

This report provides information regarding Parks and Recreation Department field allocations, field reservations, and tournaments; and requests guidance from the City Council on whether to continue, modify or cancel field allocations and reservations, including the tournaments scheduled for City Parks fields, during a time of increased COVID-19 exposure in Phoenix.

Summary

As a result of the City Council's COVID-19 pandemic emergency declaration on April 2, 2020, the Parks and Recreation Department closed the use of certain park amenities including athletic fields.

On Sept. 2, 2020, with improved pandemic conditions indicated by the Arizona Department of Health Services (AZDHS) Community Spread Benchmark (**Attachment A**), the City Council approved partial restoration of Parks and Recreation services. Service restoration included reopening athletic fields and associated restrooms, allowing tournaments on City Parks fields with COVID-19 prevention plans in place by league directors and tournament organizers. Athletic field use also includes field allocations and reservations for local leagues, team practices and games.

Tournaments and leagues were required to follow new COVID-19 safety guidelines, which included:

Teams and organizations must follow CDC guidelines and Parks and Recreation restrictions.
Teams and organizations must commit to informing parents and coaches of those guidelines.
Spectators, officials, and coaches must wear a mask or face covering at all times.
Athletes not playing on the field are required to wear a mask or face covering and maintain six feet of physical distancing.
Physical distancing is encouraged among participants unless they are from the same household.
There will be six feet of space maintained between the sports field and spectator area.
City staff will implement modified allocation schedules, to include time for any necessary cleaning between use and to reduce the potential for crowding.
Each team or organization will agree to self-monitor their practices and games.
Each team or organization will agree to have an on-site compliance person who will work with on-site City staff.
Organizers are required to submit their own COVID safety plans to the Parks and Recreation Department, which are also distributed to their participants.

As shown in **Attachment A**, as of the Nov. 19, 2020 report on AZDHS Community Spread Benchmark indicated COVID-19 positivity rates in Phoenix at 10.2 percent, which is in the Substantial Risk category, as well as significant increases in cases per 100,000 since September.

Given the change in AZDHS COVID benchmarks, staff is seeking City Council guidance on continuation of field allocations, field reservations, and tournaments for youth and adult play.

For reference, there are currently 30 soccer and softball tournaments scheduled from December 2020 to February 2021. The major tournaments for this timeframe at Rose Mofford and Reach 11 complexes are detailed in **Attachment B**. Those tournaments consist of nearly 4,000 teams, of which nearly 1,900 are from outside of Arizona.

(There are also many tournaments already scheduled for March and later.) Tournaments with out-of-state teams particularly involve lead time for logistics, lodging and travel by participants. Changes to the field allocation should be done with as much lead time as possible, while also recognizing the need to keep participants and the community safe during a pandemic.

Given the AZDHS benchmarks of Community Spread shown in **Attachment A**, staff recommends considering the following options beyond the status quo:

Maintain field allocations/reservations and tournaments as currently scheduled, while requiring stringent limitations to mitigate COVID spread, including not allowing spectators and allowing only in-state teams until AZDHS benchmarks return to Sept. 6, 2020 levels. Between December 2020 and February 2021, the in-state-only approach would affect 22 tournaments with approximately 1,900 out-of-state teams.

Cancel all field allocations/reservations effective Dec. 3, 2020 (30 tournaments/3,984 teams cancelled from December 2020 through February 2021 as well as many practices and league games) and allow no use until benchmarks return to the Sept. 6, 2020, level.

Staff will provide to the City Council a weekly update of AZDHS benchmarks in **Attachment A.**

Discussion

Deputy City Manager Inger Erickson mentioned Parks and Recreation Department Acting Director Tracee Hall was present to provide information regarding field allocations, reservations and tournaments for the use of sports fields in Phoenix parks, and to seek guidance for upcoming use of sports fields in the City.

Ms. Hall stated because of the Governor's Executive Order, the City closed athletic fields by April 2, 2020, and said on Sept 2, 2020 Council approved outdoor athletic fields to be reopened together with restaurants associated with those fields. She said since then, all athletic fields had been open for reservations, allocations and tournaments. She commented in September of this year, COVID-19 reports indicated

Maricopa County was in the moderate transmission category, and added since the reopening of athletic fields the City had seen consistent use of the fields. She cited three were over 6,000 allocations and reservations with 1,500 of those for December, and noted the City had not yet allocated beyond December at the time. She listed examples of sports for field allocations, and said these included lights for evening play from 6:00 p.m. to 10:00 p.m. She stated these reservations were paid for in advance, and mentioned there were 37 tournaments hosted in September and an additional 30 tournaments scheduled for February 2021. She said these reservations were often scheduled a year in advance, and the City had over 80 tournaments scheduled for 2021. She commented these tournaments included as few as 10 teams and up to 500 teams, and added deposits were required but full fees were not collected until the tournaments were played. She showed data from the Arizona Department of Health Services regarding COVID-19 transmission, and said the community spread percent positivity changed from minimal range in September to moderate range in October.

Ms. Erickson introduced Dr. Saskia Popescu and stated she was online to provide insight on the question of what the medical community recommended related to sports tournaments, games and practices.

Dr. Popescu mentioned Arizona had seen a 59 percent increase over 14 days for COVID-19 cases, and said she was concerned because of the upcoming holiday season when people tend to be indoors. She talked about seeing a lot of COVID-19 cases occurring on teams, and added sports were challenging from an infectious disease standpoint. She recommended not having tournaments at this time given the nature of the COVID-19 outbreak in Arizona and the rest of the country, and noted if there were local small games there should be no spectators and athletes should wear masks. She said there were studies that showed athletes could wear masks 100 percent of the time and do so safely, and commented the most concern would be tournaments bringing many people together.

Councilman DiCiccio inquired how many COVID-19 cases were related to these sporting events.

Dr. Popescu replied there was concern about hockey and soccer tournaments, but said she couldn't give a specific number because that would be provided by Maricopa County. She stated there had been outbreaks related to specific teams, and gave an example of a hockey team in the country that had 20 players test positive. She noted if one person got COVID-19 it would be hard to mitigate control measures, and added some of this was private health information.

Councilman DiCiccio stated there should be some sort of data that showed this was a real problem, and added he did not see anything like that from Maricopa County. He asked Dr. Popescu if she had seen that happening here with team sports.

Dr. Popescu answered the issue wasn't just the team sports, because it was with tournaments that had dozens of teams come in. She said she would work with Maricopa County to see if there is a number, but noted that information tended to be private until it would be published through a peer review article or with the Centers for Disease Control (CDC).

Councilman DiCiccio questioned if she had seen problems with football teams.

Dr. Popescu responded any gathering of people is considered high risk, and said when bringing a large amount of people together for tournaments it would inherently be high-risk for disease transmission especially with COVID-19.

Mayor Gallego commented there were multiple different entities that have shut down programs because of COVID-19 outbreaks.

Vice Mayor Guardado thanked Dr. Popescu for being at the meeting, and asked her what her recommendation was in terms of what the City should do at the parks.

Dr. Popescu stated the first step would be to not have sports tournaments at parks, the second step would be to require masks for small local games and if that could not be done then don't allow the games. She talked about how parks were an important place for people,

and noted outbreaks can occur in high congregation areas like ramadas. She recommended with the current cases rising in Arizona and the country, to not allow tournaments and have a mask requirement for any games that occur at the park as well as a lack of spectators.

Vice Mayor Guardado asked if Dr. Popescu would recommend keeping playgrounds open with a requirement for children to wear masks.

Dr. Popescu replied the park should be a place that required masks and access to hand hygiene. She said the more independent games were fine as long as there wouldn't be spectators, and added playgrounds were okay because she had not seen associated outbreaks because families had social-distanced with masks.

Vice Mayor Guardado questioned if Dr. Popescu recommended barbecue grills be removed.

Dr. Popescu said because those areas were where people congregated in groups, that she would consider that high risk.

Vice Mayor Guardado inquired about bathrooms being high risk.

Dr. Popescu commented there was no reason why bathrooms would need to be closed as long as people wear a mask at all times in the bathroom.

Councilwoman Pastor mentioned when she went to the park the majority of people were not wearing masks, and asked if Dr. Popescu recommended people wearing masks at the park.

Dr. Popescu replied the guidance would be if you were socially-distanced outdoors you would not necessarily need to wear a mask, but if you come into close contact with people outside your home even if it was outside, you would need to wear a mask. She noted the CDC recommended children down to the age of two wear a mask, and suggested a mask requirement for that. She stated it was important for the City to communicate wearing a mask.

Councilwoman Pastor asked if there was a mask requirement at the parks and who would be enforcing it.

Mr. Zuercher responded in the parks it would depend on Parks and Recreation Department staff or park rangers to do that, and noted there were not enough staff at the parks or enough rangers to be able to monitor every group or every piece of equipment or playground. He said the City would need to communicate as has been done, but added the City could not enforce that at all times in all situations at parks.

Councilwoman Pastor mentioned if the City could not enforce it then there would be some challenges regarding that. She stated this was why it was important to have a health expert come and tell Council what the City needed to do to stop the spread, and asked for a comprehensive plan to figure out what the City needed to do from here forward regarding opening.

Councilwoman Stark inquired if it was acceptable to let kids go outside to enjoy the parks and be outside, but if kids came into contact there would be greater risk.

Dr. Popescu responded it was not just children but adults as well with coming together for sports events. She said being outside did help, but with athletes being in close contact breathing heavy could be an issue. She stated she had not seen outbreaks associated with playgrounds, and added if the City did not have a mask mandate at parks then she would really recommend communicating people should wear a mask when in close contact with other people. She stated parks were important areas, and mentioned the importance of providing better communication about when a mask is required.

Councilwoman Stark asked for clarification if parks could still be open with having the City communicate parks couldn't be used for tournaments.

Dr. Popescu replied yes.

Councilwoman Stark stated barbecues and ramada areas where people gathered were not a good idea.

Dr. Popescu responded that's right and said smaller games without spectators and with athletes wearing masks would be a lower risk. She said this was accepted and approved by several organizations, and if that could not be achieved then sports would be higher risk.

Councilmember Garcia stated it was not shocking the second wave of COVID-19 infections came, and added he was shocked the City did not have metrics to determine best practices would be. He talked about how politics became involved in this discussion, and asked what the City could do regarding public education.

Dr. Popescu commented the country and public health in general had struggled with communication, and noted that along with stating what not to do, communication should also offer safer alternatives.

Councilmember Garcia talked about staff not being prepared to reopen September, and mentioned if staff could be put at risk having to go up to people and talk to them. He asked what recommendations are there for staff to keep them safe.

Dr. Popescu discussed how education was the best strategy, and mentioned there were protocols that could be put into place regarding safety in the workplace.

Councilmember Garcia discussed his concern with reopening because of what happened in September based on Maricopa County numbers, and asked if reopening could be done in an equitable way. He asked if it would be equitable to base reopening by zip codes.

Dr. Popescu replied there was an approach for this based on data-driven protocols, and said that was a bigger conversation for another day. She noted there were a lot of ways the City could use information to make it more specific and equitable.

Mayor Gallego asked if Mr. Zuercher wanted to explain enforcement capabilities.

Mr. Zuercher said the issues is perfect enforcement or enforcement, and gave an analogy about stop signs and not having enough police officers to monitor those. He said the City relied on personal responsibility for compliance, and noted the Parks and Recreation Department staff were really committed to enforcement. He stated the City couldn't guarantee everyone and every park at every time could comply with the rules, but that it didn't mean it shouldn't be communicated.

Mayor Gallego thanked Mr. Zuercher, and stated she believed people in the community wanted to keep their families safe and healthy by following best practices and science.

Vice Mayor Guardado asked how should the City make sure these small leagues wear masks, and noted it was complicated because she would see parks in west Phoenix where people did not wear masks or socially-distance. She stated enforcement was a big issue to her, and added some areas in her district were still in the red because people had to go out and work and expose themselves without knowing how to protect themselves. She questioned how the City should deal with enforcement at parks regarding signage or messaging.

Dr. Popescu responded enforcement was particularly challenging to any public health guidance, and said if people could not follow the rules then the City might have to not allow these games to happen. She discussed if there were concerns about compliance, then games should not be done, but if teams and parents take precautions seriously then the City should look at allowing them. She stated she preferred to give people the opportunity to be compliant, and added if that could not happen then games should not happen.

Councilman Nowakowski thanked Parks and Recreation Department staff and Ms. Erickson for being at parks on a four-day weekend to ensure the tournaments turned out well. He talked about the conversation earlier about the number of tournaments coming up in February, and said his concern was when should the City take into consideration closing parks down or stopping tournaments. He mentioned cases have increased since the previous City Council formal meeting, and asked about how many people were coming into Phoenix from different parts of the

country for tournaments.

Ms. Hall replied 30 tournaments were scheduled between December 2020 and February 2021, with 3,984 teams total and 1,849 being teams from out of state.

Councilman Nowakowski asked how many of those 30 tournaments were considered small tournaments.

Ms. Hall responded for December there were tournaments that ranged from 200 teams to 15 teams, with the last tournament in December being 500 teams.

Councilman Nowakowski inquired how many of those teams were out of state.

Ms. Hall answered all but one of those tournaments have teams from out of state, with the smallest at five teams, and the largest being 400 teams from out of state.

Councilman Nowakowski asked Dr. Popescu what her recommendation was given the increase in infections and the new information.

Dr. Popescu responded tournaments are at a higher risk with teams from out of state, and mentioned if these teams came from a lower-risk state, then they would be exposed to a risk. She talked about not getting focused on if the teams were local or not, but that larger tournaments with people coming together would increase exposure.

Councilman Nowakowski commented his vote in September was based on local teams and not teams from all over the country. He stated staff had been doing a great job trying to do the best they can, and added people off the field including players and family members were wearing masks. He mentioned Council should give them resources with extra masks to offer to those not wearing a mask instead of kicking them out of the parks. He asked Dr. Popescu if she was consulted in approving tournaments.

Dr. Popescu responded she was not involved in discussions about tournaments, but more generally about parks.

Mayor Gallego requested a motion for Item 29, and then hear testimony from the public.

Vice Mayor Guardado made a motion that Item 29 be approved as amended to cancel all field allocations and reservations effective Dec. 3, 2020 including: closing ramadas and areas of high volume; and keep playgrounds and restrooms open. Educate residents on best practices including having bilingual signage and public education, and not allow the restricted uses until benchmarks are back to Sept. 6, 2020 levels.

Councilmember Garcia seconded the motion.

Mayor Gallego noted there were 95 electronic comments submitted in support, 72 in opposition, 19 without indicating a position, and two who were neutral on Item 29.

Dr. Marjorie Bethel spoke in favor of option B, and mentioned Banner Medical Center provided care to a large portion of COVID-19 patients in Arizona. She said she was the Chief Clinical Officer for Banner Health and was a physician. She said she expected the surge to increase about 100 percent of ICU bed occupancy by Dec. 9, 2020 and added this over saturation would significantly stress the hospitals. She commented option B was needed to preserve capacity for COVID-19 and non-COVID-19 patients.

Ann-Marie Alameddin spoke in favor of option B, and noted she was the Chief Executive Officer of the Arizona Hospital and Health Care Assocation that represented over 70 hospitals across Arizona. She said if action isn't taken today, the crisis would grow and result in more unnecessary deaths and illnesses.

Nicole Lang spoke in opposition, and mentioned her son played for Phoenix Rising Soccer Club in Anthem. She stated Arizona Soccer Association had proven their commitment to follow guidelines, and gave examples of how they socially distance at games. She asked Council to

keep parks and fields open for organized sports to reserve and use for competitions, and asked for a compromise for option A to allow spectators or at minimum a guardian.

Mary Conant spoke in favor, and mentioned she had two children who grew up playing youth sports. She commented every state was projecting an increase in COVID-19 infections, and said it was the responsibility of the City to act now to put in place at least option A, or be more proactive and implement option B.

Micah Coleman spoke in opposition, and mentioned he coached a club team and urged Council to implement option A. He said all of his players wore masks and were socially-distanced, and asked Council to consider the mental health of youth if they were to go with option B.

Christina Junge spoke in opposition, and said she was a grandmother of children who loved sports. She mentioned the infection rate for children was low, and added there had only been nine deaths in Arizona for people aged 1 to 20. She talked about how youth have been affected mentally over the past year, and suggested children needed to be with their friends and have a normal life.

Mario Barajas provided Spanish interpretation for Rosa Pastrana. Ms. Rosa spoke in favor, and mentioned her community had been affected by COVID-19. She said soccer was not a priority given the rise in infections, and added she felt the need to protect the kids and community.

Brent Kleinman spoke in opposition. He said he was fine with canceling the tournaments until the infection rate was under control, but he would ask Council and the Parks and Recreation Department if there was a way to at least let teams practice or have some events where proper mitigation could be implemented. He asked Council to reconsider and allow the parks to maintain reservations for teams and small group gatherings for practices because of the mental health for youth.

Jason Stringfield spoke neutrally. He mentioned coaches and spectators wore masks while players were kept apart while practicing and playing

games, and stated after taking the previous comments into consideration, the City should look at option A based on data and Dr. Popescu's recommendations.

Jamin West spoke in favor, and said her family fully supported option A. She suggested it wasn't necessary to punish the kids, and asked Council to let the kids play.

Councilwoman Williams asked for the motion to be repeated.

City Clerk Denise Archibald repeated the motion made by Vice Mayor Guardado, seconded by Councilmember Garcia.

Councilwoman Williams asked if the motion had a date in it.

Vice Mayor Guardado said the motion included once back to Sept. 6, 2020 levels.

Mayor Gallego commented it would be driven by the virus, not by calendar.

Councilwoman Stark stated the City wasn't closing the parks, just the tournaments and reservations for the field. She noted children and their parents were welcome to go to parks and get exercise, and asked Vice Mayor Guardado for clarification on that part of the motion.

Vice Mayor Guardado said the intention was related to tournaments and organized activity. She mentioned parents and their children could find an area at the park to practice and would be allowed if they were wearing masks when other people were around. She talked about how that would be part of the education the City would perform, and clarified what she was saying with the motion was to avoid massive gatherings.

Councilwoman Stark asked for clarification that children could still get exercise and be outdoors to release stress, and added those opportunities would be afforded to children and their families.

Vice Mayor Guardado clarified that was correct.

Councilwoman Pastor asked for clarification on what areas of high volume meant.

Mr. Zuercher mentioned Ms. Erickson would clarify what they interpret that to mean, and make sure it complies with what is intended.

Ms. Erickson replied this would be related to sports complexes that have basketball and tennis courts where you would see many individuals together, and added the City would go back to the restrictions before with the exception of playgrounds and restrooms.

Councilwoman Pastor inquired if pickle ball, tennis and golf were fine activities to continue.

Ms. Erickson clarified the only reason the two sports complexes would have those kinds of situations would be because the City could not close off just basketball and just volleyball, and added for regular parks with one or two courts, those would still stay open for pickle ball and tennis. She noted for basketball, you would be in close proximity to each other so those would have to be closed.

Councilwoman Pastor asked if tennis courts, pickle ball and golf would remain open.

Ms. Erickson responded yes, only other than those sports complexes mentioned.

Councilman Nowakowski stated there were 185 parks that did not have the resources to staff all of them, and said that was a concern of his because he was receiving calls before September saying people were using the fields. He talked about the difficulty of being able to staff those fields, and questioned what type of enforcement would there be if these fields were being used.

Ms. Hall replied the City would lead with education on the rules requesting them wear masks, and added if people did not comply, the City would look at further enforcement that could impact their ability to reserve fields

in the future.

Councilman Nowakowski asked for something in writing in the future about the amount of education needed each time there is a violation and what type of enforcement would be used. He asked for a friendly amendment to the motion to receive a report on a weekly basis on the state of the City from the public health consultants to allow the City to govern by data on a weekly basis. He noted this would allow Council to receive a weekly report from the City's public health consultants to offer recommendations for City departments, and added this was because the City operated a variety of different facilities. He asked if Vice Mayor Guardado would allow that to be in the motion.

Mayor Gallego commented the City could look at the existing reports and if there might be ways to make sure Councilman Nowakowski gets a response to his request for data.

Mr. Zuercher responded his intention would be the benchmarks that Vice Mayor Guardado included in her motion would be benchmarks used to update Council on a weekly basis. He talked about how the City would work with the public health consultants to determine how much further the City could get into the data from the Arizona Department of Health Services, and can report back to Council. He mentioned he would make it clear what the City was able to do in addition to the reporting being done already.

Councilman Nowakowski said what he would like to see is the individuals contracted by the City look at the high-impact areas such as Sky Harbor Airport or the Convention Center. He commented if Council knew there was an increase in COVID-19 numbers on Nov. 9, 2020, he would have loved to have that information for the following City Council Formal Meeting to have this conversation sooner.

Mr. Zuercher said as the City reopens areas like the Convention Center, the contract approved by Council would allow the City to use those consultants to give the City advice. He noted the City would continue to work with the consultants about what information can be provided to Council, and clarified the metrics used originally on Page 152 of the

agenda updated yesterday were a little misleading because the latest date from the Arizona Department of Health Services is data put together from the week of Nov. 8, 2020. He commented the City would receive new data from the Arizona Department of Health Services every Thursday.

Councilman Nowakowski stated he was concerned that the City had hired consultants who were experts, and when he asked a question about if they were involved in giving permission for tournaments that they weren't involved in that process. He said he would like to see if there were to be an event of 50 people or more, that these consultants have some input and councilmembers have data to make a clear decision.

Councilman Waring asked for confirmation if the motion were approved, those coming from out of state for a tournament would see their tournament canceled.

Ms. Hall replied that would be correct, and the City would contact the organizations to notify their teams the tournament would be canceled.

Councilman Waring questioned if these fields were owned and controlled by the City.

Ms. Hall responded yes.

Councilman Waring commented out-of-state visitors had already spent money on travel and accommodation, and asked if those visitors could sue the City over canceling the tournaments.

Ms. Hall said she would defer to City Attorney Cris Meyer for those legal questions, and added the field organizers reserved the fields. She noted the City required a deposit, and mentioned this would be refunded if not used. She stated in the Facility Use Agreement there was language that referenced the ability to cancel tournaments in an emergency during unsafe conditions.

Councilman Waring commented this would cost people a lot of money because their travel and accommodations would still be paid for, and said

the flights, hotel and restaurants would continue to operate so those visitors would still visit. He said it would be confusing for visitors to see professional teams playing games and traveling to Maricopa County and playing in government-sponsored facilities, and commented he had a hard time with just canceling this today. He stated he wasn't sure if this was a coherent message to be sending out about protecting public health, and added he could not support this motion. He mentioned he appreciated everyone's efforts, and cited the amount of cases present in Council District 2 at about 6,500 cases. He cited other Council districts that had more cases, and noted he agreed with Councilmember Garcia that different areas aren't being affected equally. He concluded he was not sure if canceling tournaments made the city or visitors safer.

Vice Mayor Guardado commented a weekly report sounded like a good idea, but said she did not see how it would fit in the motion. She mentioned she thought Mr. Zuercher would come back to Council and give a full report on how Council could receive a weekly report, because she believed Council would be asked questions about reopening libraries, community centers and other facilities.

Councilman Nowakowski said he only asked about a weekly report on parks because the City did not have an end date, and noted the end date would be based on data from the experts. He stated he would like to see that data so he could have answers to those questions from people regarding opening of the parks.

Mayor Gallego asked Councilman Nowakowski if he was just looking for a weekly update as to whether or not the City has met the September 6, 2020 levels.

Councilman Nowakowski responded that was correct.

Mayor Gallego said that made sense, and added she thought he was looking for new policy recommendations every week.

Councilman Nowakowski commented in the future he would like to see that, but for now just focus on parks.

Mr. Zuercher stated he wasn't sure that needed to be in the motion because that would be something the City would do as a management response to the motion to communicate weekly on the data how that compares to Sept. 6, 2020 levels. He said he would plan on doing that as a follow-up to this if the motion passes.

Mayor Gallego mentioned Councilman Nowakowski made a good point that communication was needed that showed this was based on public health and not a specific date, and clarified if this motion passes the metrics would be based on public health levels. She talked about how the CDC Director testified the upcoming months would be the worst time for public health in the country in a lifetime because of the impact of COVID-19 on the health care system. She stated many doctors wrote to Council asking them to take this item seriously, and added based on testimony from the leaders on health care in Arizona that said bars, restaurants and sporting events were the top three contributors to COVID-19, that was something the City could control. She mentioned the City did not require tournaments or anyone to report COVID-19 infection numbers, and noted there were imperfect numbers coming from schools because students were not required to report to their schools or do contract tracing. She stated this was an important step towards reducing the spread of COVID-19, and added the City was looking at this problem from many different lenses. She discussed how this would not be the last difficult decision Council would have to make during the pandemic, and commented vaccines results were very promising. She said these were tough times for everyone in the community, and concluded the Council would try to do their best to balance, listen to, and find innovative solutions to difficult problems.

Councilwoman Stark asked Ms. Hall if other cities in Maricopa County had soccer and activity fields.

Ms. Hall replied that was correct.

Councilwoman Stark inquired if other cities or towns in Maricopa County were taking similar action regarding closing tournaments.

Ms. Hall mentioned some cities have taken steps to close down

tournaments such as: Surprise, Goodyear, Tempe, Tuscon and Buckeye, have all canceled tournaments or have not reinstated tournament play.

Councilwoman Stark stated this was happening elsewhere in the county and the state, and added she agreed with Mayor Gallego that these are unprecedented times. She commented the City needed to take this seriously because hospitals were at capacity, and mentioned she received several letters from doctors saying this was the worst point of the pandemic.

Councilwoman Pastor said she wanted to comment about Councilman Nowakowski's request to have data for all areas, and talked about having two kids in her house and understanding the mental health issues children have faced in the pandemic. She discussed the importance of needing outlets to relieve stress during this time, and said as an elected official she would follow the science to make a decision for the greater good of the community. She commented she hoped the vaccine would come out sooner and faster, and mentioned she heard all of the concerns and would make a decision that was for the greater good of the community.

Vice Mayor Guardado stated she also had two children and talked about the need for them to relieve stress during the pandemic. She said she felt for all of the essential workers during the pandemic that had to provide for their families, and added the confusion that Councilman Waring mentioned earlier was due to a lack of leadership at the state and that cities have had to make their own decisions during the pandemic. She talked about the calls she would receive hearing about victims from the pandemic, and added Councilman Waring was right that west and south Phoenix had the most cases of COVID-19 and the City needed to figure out why that was and how those people could be protected. She thanked Mayor Gallego, Mr. Zuercher, Ms. Erickson, Ms. Holt and everyone on the leadership team for helping make this happen, and said she would sleep better knowing Council did the best they could today.

Prior to his vote, Councilman DiCiccio advocated for kids to be in school and on the playgrounds, and suggested this would be nothing more than a knee-jerk reaction that would hurt kids. He took issue that leadership on the Council has not made a bold move regarding the pandemic, and

added other cities and governors have made bold moves. He said it was easier to focus on kids rather than making tough decisions that took political courage.

Prior to her vote, Councilwoman Williams advocated for keeping the parks open, and added she was very concerned that the City did not have a firm date to reopen. She noted this was the right move for now, and said because Phoenix was in a crisis situation the City needed to do something now.

After the vote, Mayor Gallego thanked health care providers for their important work, and added she hoped this would make the community a little safer.

Note: After the vote, Councilman DiCiccio disconnected from the meeting.

A motion was made by Vice Mayor Guardado, seconded by Councilmember Garcia, that this item be approved as amended to cancel all field allocations and reservations effective Dec. 3, 2020 including: closing ramadas and areas of high volume; and keep playgrounds and restrooms open. Educate residents on best practices including having bilingual signage and public education, and not allow the restricted uses until benchmarks are back to Sept. 6, 2020 levels. The motion carried by the following vote:

Yes:	7 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	2 -	Councilman DiCiccio and Councilman Waring

30 Housing Phoenix Plan City-Owned Land Reservation with Associated Phasing Plan

This report identifies City-owned land in accordance with the third initiative of the City's Housing Phoenix Plan and requests City Council approval to set aside the identified parcels for the development of affordable or mixed-income housing as well as approval of the associated phasing plan. There is no impact to the General Fund.

Summary

On June 16, 2020, Phoenix City Council approved nine policy initiatives listed in the Housing Phoenix Plan; with a goal of creating or preserving 50,000 homes by 2030. As a part of the third initiative to Redevelop City-Owned Land with Mixed-Income Housing, the Housing Department has identified City-owned parcels that would be ideal for affordable or mixed-income housing development and is requesting to set aside the parcels listed in **Attachment A** for the development of affordable or mixed-income housing. The Housing Department is proposing to release Requests for Proposals (RFPs) for some of the identified parcels using the below phasing plan. Additional Council approval will be obtained prior to releasing RFPs for the parcels identified in the phasing plan.

The phasing plan is listed below for reference:

Phase I
RFP 2021 - 22
16th and South Broadway (District 8)
Single Family Parcel - Monroe and 16th Street (District 8)
Single Family Parcels - Lynwood Neighborhood (District 4)
Glendale and 27th Avenue (District 5) *pending Parks Board approval*

Phase II
RFP 2022 - 23
Single Family Parcels - 24th Street and Broadway (District 8)
24th Street and Broadway - Four Corners Area (District 8)
Central and Broadway (District 7)
32 E. Columbus (District 4)

Phase III
RFP 2023 - 24
Jefferson and 9th Street - Section 8 Office and Parking Lot (District 8)
Dunlap and 19th Avenue Transit Parcels (District 5)
Van Buren and 5th Avenue - Ambassador West (District 7)

Staff will continue to explore other City-owned land that would be ideal for affordable and/or mixed-income housing development and the

co-location of uses.

Financial Impact
This item will not require the expenditure of funds and will not have a financial impact to the General Fund.

Concurrence/Previous Council Action
The Housing Phoenix Plan was unanimously approved by City Council at the June 16, 2020, Policy meeting. This item was recommended for approval at the Land Use and Livability Subcommittee meeting on Nov. 18, 2020, by a vote of 4-0.

Location
Various locations listed in **Attachment A**.
Council Districts: 3, 4, 5, 7 and 8

Discussion
Mayor Gallego commented this item was important for continuing the work the City had done on the affordable housing plan, and thanked everyone for taking on this important issue being one of the top issues in the community.

Vice Mayor Guardado made a motion to adopt Item 30.

Councilwoman Stark seconded the motion.

Walter Gray spoke without indicating a position, and suggested this was very bad City and federal policy. He stated people were being moved to subsidized housing without being given an opportunity to advance their social-economic condition, and talked about how people with low income were being split up to not concentrate poverty. He said there wasn't a good job training or job placement program for people in the Roosevelt area or generally in downtown Phoenix, and commented Council should delay this item until after the inauguration of President Joe Biden.

Mayor Gallego explained this item was about City-owned land and associated planning that involved parcels in multiple Council districts that would be consistent with community plans that had been developed for

these neighborhoods. She commented this included vision workforce development with access to jobs and recreational amenities, and noted the City had a goal of creating or preserving 50,000 homes by 2030. She said this was an important issue for Council to move forward on, and thanked the City departments that worked on this.

Note: One electronic comment was submitted in favor of Item 30.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

31 U.S. Department of Housing and Urban Development Project-Based Vouchers for Deck Park Vista and Choice Neighborhoods Update (Ordinance S-47147)

Request authorization for the City Manager, or his designee, to allocate 75 Section 8 project-based vouchers to the Deck Park Vista redevelopment project's ownership entity, to serve as Choice Neighborhoods off-site replacement units, and enter into any related contracts or agreements. There is no impact to the General Fund.

Summary

In 2018, the Housing Department was awarded a $30 million Choice Neighborhoods (CN) Implementation Grant from the U.S. Department of Housing and Urban Development (HUD) to revitalize the Edison-Eastlake Community (EEC), an area with the largest concentration of public housing in the state. The six-year comprehensive community-driven implementation will transform the EEC into a vibrant mixed-income neighborhood, linking housing redevelopment with new amenities, upgraded infrastructure, neighborhood economic growth and social services. CN grant funds provide for the redevelopment of 577 obsolete public housing units into 1,011 mixed-income, energy efficient modern

housing units.

Implementation progress to date includes:

Soluna Apartments, Phase 1 of housing development, is under construction. Soluna has 177 mixed-income, one to five-bedroom units, and is scheduled to be completed in fall 2021.

Demolition of Frank Luke Homes, a 230-unit public housing property built in 1941, has begun. The Frank Luke Homes site will be redeveloped into Harmony at the Park, 310 units of mixed-income multi-family rental housing. New development will also include 39 homeownership townhomes adjacent to a new linear park. Harmony at the Park is scheduled for completion in December 2022.

A new Edison Park Activity Hub has been constructed, providing a large shaded stage, electricity, a grassy area, and three custom ramadas for hosting events. Vibrant colors and art are incorporated in the design. The grand opening will occur in December 2020.

A new HAWK pedestrian crossing at 18th Street and Roosevelt was completed by the Street Transportation Department in June 2020.

The Imperial Apartments, a Lafferty Development project, began construction in February. The project will add 140 units of workforce housing to the EEC and will be completed in January 2021.

The Aeroterra Community Center was designated by HUD as the first EnVision Center in Arizona. The EnVision Center offers all community residents a centralized hub to receive support from partnering organizations in economic empowerment, educational advancement, health and wellness, and character and leadership.

Housing completed the acquisition, received historic designation, and rezoned the historic Crippled Children's Hospital. Adaptive reuse of this historic building will create the Edison Impact Hub, providing residents with walk-in services for health care, behavioral health, small business assistance, and access to other non-profit service providers.

As part of the Choice Neighborhoods application to HUD, the Housing Department is required to provide 150 off-site Section 8 project-based voucher units in areas of opportunity for Choice Neighborhoods residents who may choose to relocate to other areas of the city. The Housing Department is proposing to allocate 75 vouchers from this pool of 150 to Deck Park Vista, a redevelopment project previously approved by City

Council. Deck Park Vista will provide 216 new affordable and workforce housing units at 1125 N. 3rd St. This location meets all site and neighborhood standards for an area of opportunity and will provide a relocation option for Choice Neighborhoods residents who may be interested in residing in the downtown core.

Financial Impact
There is no impact to the General Fund. Section 8 is a federally funded program.

Concurrence/Previous Council Action
On April 17, 2019, the City Council approved the request to issue the Request for Proposals for the Deck Park Vista redevelopment project. On June 24, 2020, the City Council approved the award for the redevelopment of Deck Park Vista Apartments. On Nov. 18, 2020, the Land Use and Livability Subcommittee recommended approval for 75 Section 8 project-based vouchers at Deck Park Vista, with a vote of 4-0.

Location
Deck Park Vista, 1125 N. 3rd St.
Council District: 8

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

32 Gated Alley Program Pilot - Expand Grant Funding Eligibility

Request City Council approval to use census tract income level as an evaluation criterion, rather than a minimum requirement, to prioritize funding alley segments in the expanded Gated Alley Program Pilot.

Summary

On March 18, 2020, City Council approved expansion of the Gated Alley Program Pilot citywide to include 10 alley segments per Council district, including entering into any necessary agreements to implement the expanded pilot, and using $400,000 in Neighborhood Block Watch Grant Program (NBWGP) funds for the costs associated with the installation of alley gates. The approved motion included direction that the grant criteria should be based upon need as demonstrated by crime, graffiti and illegal dumping data, as well as economic need. Staff included a minimum requirement that neighborhoods receiving grant funding be in low-income census tracts.

At an estimated cost of $5,000-per-gate, and a minimum of two gates per alley, staff estimated a maximum of 40 alley segments could be funded through the available grant funds - or about half of the gates allowed under the expanded pilot. On Aug. 13 and 19, 2020, staff held meetings to engage with residents who lived adjacent to the first alleys selected by City Council offices to explain the details of the grant opportunity, including the application process, signature prerequisite, and the minimum requirement that neighborhoods receiving grant funding be in low-income census tracts. Staff implemented the grant funding application process with a first phase of $200,000 of available funding with an application deadline of Sep. 14, 2020 to give residents time to collect the necessary signatures.

In total, applications were received for 29 alley segments, representing Council Districts 1, 3, 4, 5, 7, and 8. Staff worked with neighborhood leaders to validate signatures and evaluate proposals. After evaluation, 19 alley segments met eligibility criteria for grant funding. Of the remaining alley segments, one was ineligible because the alley segment was not included in the initial City Council alley selection, one was ineligible due to the physical limitations of the alley, six were ineligible due to the lack of required signatures, and two were ineligible because the alley is located outside of a qualifying low-income census tract.

Staff helped neighborhoods obtain quotes for the 19 alleys that were eligible, which resulted in an average cost of about $5,000-per-alley segment--which is lower than the previously estimated cost. At $5,000

per alley segment, it is estimated that approximately 60 additional alley segments can be funded with the $400,000 of total available funding. The staff estimate was based upon a conservative analysis of a 20-foot wide commercial gate that had recently been installed.

Due to the lower costs of the gates, and broad interest in grant funding, staff is requesting to use census tract income level as an evaluation criterion, rather than a minimum requirement, to prioritize funding alley segments in the expanded Gated Alley Program Pilot, to allow for more gates to be funded and installed.

Concurrence/Previous Council Action

The Land Use and Livability Subcommittee approved a recommendation to expand the Gated Alley Program Pilot to all Council districts to include up to 10 alley segments per Council district by unanimous vote (4-0) on Jan. 15, 2020.

The Neighborhood Block Watch Grant Program Fund Oversight Committee approved a recommendation to reallocate $400,000 in NBWGP funds to cover the expense of installing gates at the ends of alley segments located within neighborhoods designated as part of the expansion of the Gated Alley Program Pilot, by a vote of 8-1-1 on Feb. 5, 2020.

The Public Safety and Justice Subcommittee approved a recommendation to reallocate $400,000 in NBWGP funds to cover the cost of gates within eligible neighborhoods that are part of the expanded citywide Gated Alley Program Pilot, by unanimous vote (4-0) on Feb. 12, 2020. The motion included direction that the grant criteria should be based upon need as demonstrated by crime, graffiti and illegal dumping data as well as economic need.

City Council approved expansion of the Gated Alley Program Pilot citywide, including entering into any necessary agreements to implement the expanded pilot, and using $400,000 in Neighborhood Block Watch Grant Program funds for the costs associated with installation of gates, by unanimous vote (9-0) on March 18, 2020. The motion included direction that the grant criteria should be based upon need as demonstrated by crime, graffiti and illegal dumping data as well as economic need.

Discussion

Vice Mayor Guardado made a motion to adopt Item 32.

Councilwoman Stark seconded the motion.

Councilwoman Pastor commented she wanted to make sure with staff there would be a rubric that would identify when there would be money with Census Tract Neighborhoods to moderate- and high-income neighborhoods.

Neighborhood Services Director Spencer Self explained the intent of Item 32 was to relax the minimum requirement for neighborhoods that receive funding in low- and moderate-income areas, but still would keep that as a critical criteria for evaluating which neighborhoods receive funding. He noted if there was a tie in the criteria, the low- and moderate-income neighborhood would receive priority for funding rather than moderate- or high-income neighborhoods.

Councilwoman Pastor thanked Mr. Self, and mentioned she wanted to make sure there was equity happening, especially for low-income areas.

Councilwoman Williams talked about a flyer that was given out to neighborhoods by the Neighborhood Services Department, and mentioned 12 people applied because of the amount of action in their alleys. She commented these were not wealthy neighborhoods, but they did qualify in every other way to have a gate.

Councilwoman Pastor thanked Councilwoman Williams for advocating for those neighborhoods.

Mayor Gallego commented Councilwoman Williams was a great advocate for her community and for the City, and added the City had a great Council who tried to get stronger neighborhoods.

Prior to her vote, Vice Mayor Guardado thanked staff and everyone who had worked on this. She noted it was not easy to notify people this was something they could qualify for, and thanked everyone for being patient with the City. She said this was key for Phoenix communities, and

commented there were tons of staff that would be excited to not have to go out to the alleys for clean ups.

Note: Five electronic comments were submitted for Item 32, with four in favor and one indicating no position.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

33 (CONTINUED FROM NOV. 18, 2020) - Light Rail Small Business Financial Assistance Program Pilot (Ordinance S-47126)

Request to authorize the City Manager, or his designee, to implement a proposed Light Rail Small Business Financial Assistance Program (SBFAP) Pilot working with Valley Metro and to enter into a grant, and other agreements as necessary, for the Phoenix Community Development and Investment Corp (PCDIC) to supplement the SBFAP Pilot with $500,000 in grant funding. Further request to authorize the City Treasurer to receive, and the City Controller to disburse, all funds related to this item.

Summary

The South Central Extension/Downtown Hub (SCE/DH) and Northwest Extension Phase II (NWEII) projects are both currently under construction, which combined will expand the light rail system in the City by nearly eight miles.

Early-action business assistance within the SCE/DH corridor began in May 2018 through a Federal Transit Administration (FTA) Transit Oriented Development (TOD) Grant. Using funding from the SCE/DH TOD Grant, the City and Valley Metro worked with a consulting team to complete an inventory of more than 472 businesses along the SCE/DH corridor (from Van Buren Street to South Mountain Avenue, between 3rd

Street and 3rd Avenue).

Currently, the City works with Valley Metro to provide a comprehensive business assistance program, utilizing individual business assessments, best practices, and work plans that address the unique needs of the affected businesses. The current business assistance program provides technical assistance to provide guidance and support in areas such as marketing and advertising programs and strategies, financial accounting and bookkeeping, website and e-commerce development and deployment, human resources, diversification of revenue streams, and other assistance that could improve business efficiencies.

The SBFAP Pilot would add a new element to light rail business assistance by providing financial assistance to help offset economic impacts to locally-owned small and micro businesses determined to have been directly impacted by construction along the SCE/DH and NWEII light rail extension corridors. This Pilot is proposed as a one-year program, but if successful and sustainable, could be extended for the duration of construction of both projects. This Pilot is intended only to apply to light rail projects with construction of three years or more with impacts to businesses located directly along, or accessed directly from, the alignment. The Pilot's aim is to help mitigate financial impacts and support the business retention of directly affected small and micro businesses. The Pilot would have a two-tiered approach, as outlined further in this report.

Several factors went into the creation of the proposed SBFAP Pilot, including but not limited to:
Feedback and input received from impacted local business owners;
Feedback from Phoenix business owners impacted by previous light rail projects;
The unique nature and duration of construction for light rail projects and their impact on businesses directly located along the affected corridor;
Research of business assistance programs for similar transportation projects in other cities;
Recommendations from the TOD Business Assistance Grant Consultants;
Staffing levels;

Legal requirements/considerations; and
Availability of funds.

This Pilot will be assessed to evaluate participation levels, funding availability, effectiveness, and other considerations.

Funding

Tier I

The first tier of financial assistance would offer $1,000 in financial assistance to offset operational costs for small and micro businesses that meet the eligibility criteria, as outlined further in this report. If the SBFAP Pilot is approved to continue after the first year, the amount would be available annually for the duration of construction impacts to the businesses. Tier I does not require businesses to be able to provide detailed financial records demonstrating lost business revenue due to construction impacts. Due to the lower amount of less-restrictive funding currently available, Tier I provides a lower level of financial assistance. However, if additional funding resources, such as grants or donations, become available to help fund this program, those funding resources would increase the amount available to businesses and potentially raise the level of Tier I financial assistance.

Tier II

The second tier of financial assistance would offer up to $5,000 in financial assistance to offset operational costs for small and micro businesses that meet the eligibility criteria, as outlined further in this report. If the SBFAP Pilot is approved to continue after the first year, the amount would be available annually for the duration of construction impacts to the businesses. The amount awarded under Tier II will be based on the business' revenue reduction up to the maximum. Tier II funding includes the use of T2050 funds currently allocated for light rail business assistance. Although a higher assistance amount is available through Tier II, these funds have more stringent legal requirements, which is why a review of financial records is necessary for businesses to access these funds.

Eligible business expenses for the SBFAP Pilot funds under both Tiers I and II will be specifically for the business' operational costs, including: (1) utilities; (2) rent or mortgage payments; (3) insurance; and (4) other types of documented business-related operational expenses, which may be requested and considered. Local, state, and federal taxes are not eligible operating expenses for purposes of the Pilot's assistance.

In addition to the financial assistance provided by the SBFAP Pilot, businesses will continue to be eligible to receive technical assistance for guidance and support in areas such as financial accounting/bookkeeping, marketing and advertising programs and strategies, website and e-commerce development and deployment, human resources, diversification of revenue stream, and other assistance that could improve business efficiencies.

Eligibility

Businesses seeking financial assistance grants will be required to apply to the SBFAP. To receive a financial assistance grant, a business must meet the following eligibility criteria.

Tier I

Affected business location must be physically located on, or directly accessed from: (1) Central Avenue, between Jefferson Street and Baseline Road (for SCE/DH); (2) Dunlap Avenue, between 19th and 25th Avenues (for NWEII); (3) 25th Avenue, between Dunlap Avenue and Mountain View Road (for NWEII); (4) Mountain View Road, from 25th Avenue to the former Metrocenter Mall property (for NWEII); or (5) the Metrocenter Mall property, as eligible businesses in the former Metrocenter Mall property are also within the program boundaries (for NWEII);

Be a locally-owned business with 15 or fewer employees and $500,000 or less in annual revenue for the overall business;

Be currently open and operational on the affected light rail construction alignment with posted hours of operation, as well as open and operational for at least 24 months prior to: (1) June 19, 2020 (for SCE/DH); and July 28, 2020 (for NWEII);

Conduct business directly with consumers where transactions primarily

take place at the location on the affected construction alignment;
Be able to provide all necessary documents to verify program eligibility;
Be in good standing with all local, state, and federal taxing and licensing authorities; and
Sign a waiver releasing the City, Valley Metro, and any contractors selected to run the SBFAP Pilot from any claims related to revenue impacts arising out of light rail planning, design, and construction activities in order to receive this Pilot's funding support.

Tier II

Meet all the requirements of Tier I; and
Demonstrate, via financial business records, a loss in revenue after the commencement of construction and related activities in comparison with the same period in the year prior to the start of construction.

Staff estimates there are approximately 145 businesses in the SCE/DH corridor and about 60 businesses in the NWEII corridors that may be eligible under this program.

Ineligible Businesses

Businesses that would not be eligible include: residential property(ies); places of worship; schools; banks; hotels; government agencies; utility companies; businesses generating over 60 percent of revenues from the sale of alcoholic beverages; businesses generating revenues from the sale of marijuana; sexually oriented businesses or topless bars (as defined in the Phoenix City Code); and unoccupied buildings.

Program Administration

Valley Metro will implement program operation in conjunction with a Program Administrator. The Program Administrator will be responsible for reviewing applications, determining and monitoring eligibility, processing payments, providing overall customer service to businesses interested in the SBFAP, as well as thorough program documentation and regular financial and programmatic reporting. The City will ensure that regular audits of the SBFAP are conducted by the City Auditor and/or Valley Metro Auditor.

Financial Impact

The Phoenix Community Development and Investment Corporation (PCDIC) recently awarded a $500,000 grant to assist with funding the SBFAP Pilot. Combined with $1.86 million of T2050 funds currently allocated and available for light rail business assistance, the total budget currently available for distribution to businesses, including program administration, is approximately $2.36 million. Efforts are also underway to seek additional financial support from various community, private, and philanthropic organizations. Funding is available in the Public Transit Capital Improvement Program.

Concurrence/Previous Council Action

The Citizens Transportation Commission approved this item on Oct. 22, 2020, by a vote of 11-0.

The Transportation, Infrastructure and Innovation Subcommittee recommended this item for approval on Nov. 4, 2020, by a vote of 4-0.

Location

The Northwest Extension Phase II will run along Dunlap Avenue to 25th Avenue, then north to Mountain View Road, and then west across Interstate 17, via an elevated structure over the freeway, to its terminus adjacent to Metrocenter Mall.
Council Districts: 1, 3 and 5

The South Central Extension Downtown Hub will run along Central Avenue, from Jefferson Street to Baseline Road.
Council Districts: 7 and 8

Discussion

Councilman Nowakowski thanked everyone who participated in the community meetings in 2018 and 2019. He mentioned the community center for light rail in south Phoenix was an office space for people who could get help and use the center for their own benefits. He noted this program was something else that was different that the City had never done before, and mentioned the City learned from the 19th Avenue light rail extension that there needed to be as much help as possible. He commented this item was a team Phoenix approach, and repeated his thanks for City leadership making this happen.

Councilmember Garcia said it was important to recognize these neighborhoods and businesses that were going through a lot with COVID-19 and the light rail extension. He talked about having worked with some of the organizations and businesses in this area before being a councilmember, and stated he was supportive of this and was glad the amount could be raised. He discussed how south Phoenix needed to preserve its' identity and culture, and made a motion to adopt Item 33 per the Dec. 1, 2020 memo from the Light Rail Administrator. He noted he wanted to continue to work with councilmembers and staff to find more resources for these businesses affected by light rail and the pandemic.

Councilman Nowakowski seconded the motion.

Councilwoman Pastor expressed appreciation for everyone's efforts from the Council. She commented businesses were facing a pandemic and light rail construction, adding any financial assistance would help them move forward.

Councilwoman Williams expressed appreciation of the Northwest Light Rail Extension 2, and mentioned there were relatively new businesses along the route. She thanked staff and councilmembers who were involved in taking the lead on this to make it happen.

Mayor Gallego stated there were approximately 145 businesses in the south central corridor and 50 businesses in the Northwest Extension 2 corridor that would be impacted by this.

Walter Gray spoke without indicating a position, and commented this was a good move by the City to do this for the small businesses that were greatly impacted. He suggested this was far too little of money for these businesses, but added this was a pilot project so it would be good to test this out.

Salvador Reza spoke without indicating a position, and mentioned he had been working with the business community along the light rail construction. He said he hoped Phoenix would learn from other cities that have helped businesses along light rail routes, and added businesses would accept any money right now. He suggested the City exempt these

businesses from paying taxes, water bills and other utilities, and asked the City to come up with more money for these businesses.

Councilman Nowakowski thanked Mr. Reza for all of his work with the small businesses in south Phoenix, and stated the Council was working with staff to find extra money for those small businesses. He thanked Councilwoman Williams for her advocacy on extending the light rail up to Metro Center.

Silvia Herrera spoke without indicating a position, and mentioned she had years of experience working with communities in the valley that have been affected by light rail. She noted communities were affected by light rail in three ways with the residents, the businesses and the cultural integrity of the community. She talked about small businesses in south Phoenix that came together to have their voices heard one year ago, and added she supported this item because this was a stepping stone to assure small businesses along south Central Avenue would not be devastated by the disruption of light rail construction. She commented it was imperative the City provide financial assistance to these businesses because of the disruption from the light rail construction and the restrictions that had been imposed by the pandemic.

A motion was made by Councilmember Garcia, seconded by Councilman Nowakowski, that this item be adopted as amended per the Dec. 1, 2020 memo from the Light Rail Administrator. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

35 Downtown Shared Electric Scooter Pilot Program - Amend Ordinance G-6602 to Extend the Sunset Provision (Ordinance G-6772)

Request to authorize the City Manager, or his designee, to amend Ordinance G-6602 to extend the sunset provision until Dec. 31, 2021, to

allow shared electric scooters to continue to operate within the Downtown Shared Electric Scooter Pilot Program area. This extension is necessary to accommodate the six-month extension of the Downtown Shared Electric Scooter Pilot Program (G-6676), which was delayed to the COVID-19 pandemic.

Summary

On June 26, 2019, City Council unanimously approved the Downtown Shared Electric Scooter Pilot Program, which allowed shared electric scooter vendors to obtain a permit to operate within the City of Phoenix. As part of the Pilot Program, City Council approved Ordinance G-6602, amending the Phoenix City Code to allow shared electric scooters to operate on public streets. The Ordinance amendment also included definitions for an electric scooter and authorized the City of Phoenix Police Department or peace officer to issue civil traffic citations for, among other things, speed limit violations, yielding the right-of-way, parking violations, and riding on the sidewalk. Additionally, the Ordinance amendment included a one-year sunset provision, which effectively would repeal the Code changes on June 25, 2020.

The initial six-month Pilot Program was to end on March 16, 2020. On Feb. 19, 2020, City Council approved extension of the Pilot Program for an additional six months and to open the permit application process to allow new vendors to apply for the Pilot Program. City Council also approved amending Ordinance G-6602 to extend the sunset provision until Dec. 31, 2020. Due to the COVID-19 pandemic, the start of the second six-month pilot program was delayed.

In October 2020, staff issued permits for the second six-month Pilot Program to two electric scooter vendors: Razor and Spin. The second six-month Pilot Program commenced on Oct. 1, 2020, and is scheduled to end on March 31, 2021.

The amendment of Ordinance G-6602 is necessary to extend the sunset provision to Dec. 31, 2021, to allow adequate time for the second six-month Pilot Program and staff evaluation of the Pilot Program.

Financial Impact

There is no financial impact to the City of Phoenix to amend Ordinance G-6602 to extend the sunset provision.

Concurrence/Previous Council Action

The Aviation and Transportation Subcommittee recommended approval of the initial Pilot Program on Jan. 22, 2019, by a vote of 3-0.

The Planning and Economic Development Subcommittee was provided information on the initial Pilot Program on Feb. 5, 2019, and also received an update for information and discussion on June 4, 2019.

The Aviation and Transportation Subcommittee reviewed this item on June 25, 2019.

City Council approved the Pilot Program on June 26, 2019.

The Transportation, Infrastructure and Innovation Subcommittee was provided with a three-month update on the Pilot Program on Jan. 7, 2020.

The Transportation, Infrastructure and Innovation Subcommittee recommended approval of the Pilot Program extension on Feb. 5, 2020, by a vote of 4-0.

City Council unanimously approved the Pilot Program extension and amendment of Ordinance G-6602 on Feb. 19, 2020 (G-6676).

Location

The main boundaries of the Pilot Program are from 7th Avenue to 7th Street and from Buckeye Road to McDowell Road. The Pilot Program boundary includes an extension of the area bounded by Roosevelt Street and Grand Avenue, and a reduction of the northern boundary to Portland Street between 7th Avenue and Central Avenue.
Council Districts: 4, 7 and 8

Responsible Department

This item is submitted by Deputy City Manager Mario Paniagua and the Street Transportation Department.

Discussion

City Clerk Denise Archibald read the title of Ordinance G-6772.

A motion was made by Vice Mayor Guardado, seconded by Councilwoman Stark, that this item be adopted. The motion carried by the following vote:

Yes: 8 - Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

Absent: 1 - Councilman DiCiccio

42 **Intergovernmental Agreement with the Arizona Department of Transportation for Safety Improvements at the 27th Avenue and Thomas Road at the BNSF Railroad Crossings - Amendment 1 (Ordinance S-47144)**

Request authorization for the City Manager, or his designee, to execute Amendment 1 to the Intergovernmental Agreement (IGA) with the Arizona Department of Transportation (ADOT) to increase the City's share of the total project costs up to $448,200 for the upgrade of the Burlington Northern Santa Fe Railroad (BNSF) crossings at 27th Avenue and Thomas Road. Further request to authorize the City Treasurer to accept, and the City Controller to disburse, all funds related to this item.

Summary

The railroad crossings at Thomas Road and 27th Avenue intersections are two of the highest railroad collision locations in the nation. For that reason, completing this project is critical to the City, ADOT, BNSF and the Arizona Corporation Commission (ACC). Through continued collaboration, since the original agreement was executed, the project design has evolved to include additional safety improvements at both crossings including gates, cantilevers and flashers. The additional safety improvements impacted the project design, which resulted in the need to widen the roadway.

On April 6, 2016, the Street Transportation Department received Council approval to enter into an IGA with ADOT to design and construct safety improvements for two BNSF railroad crossings at the 27th Avenue and Thomas Road intersections. The City was the lead agency on this federally funded project using Section 130 railroad funds to design and construct crossing upgrades, new traffic equipment and sidewalk improvements. The total project cost was estimated to be $1,015,914 of which $815,328 was eligible for federal reimbursement. The remaining

$200,586 was to be shared by both the City and BNSF. There are three categories that the City is responsible to fund with Section 130 railroad funding. They include a 5.7 percent local match, a local cash match and non-eligible Section 130 project costs. The City's estimated project cost was $90,683, which included $28,273 for the 5.7 percent local match, $7,410 for the local cash match and $55,000 for the non-eligible project costs. BNSF's estimated project cost was $109,903. The City was invoiced and paid ADOT $7,410 for the local cash match when the IGA was executed.

The additional safety improvements incorporated into the project design resulted in an increased total project cost from $1,015,914 to $3,072,000. Since the original agreement, ADOT changed its federal participation match requirement for all Section 130 federal railroad projects in the State of Arizona from a 94.3/5.7 to a 90/10 percent split. Under this change, 90 percent of the eligible project costs are reimbursable to the lead agency with federal funds, and 10 percent of eligible projects costs require a local match. The federally eligible project costs for reimbursement increased from $815,328 to $2,251,800. The remaining $820,200 will continue to be shared by the City and BNSF. The City's new estimated total project cost is $448,200, which includes $124,200 for the 10 percent local match, $24,000 for the local cash match and $300,000 for the non-eligible project costs. BNSF's estimated project cost is $372,000. ADOT will invoice the City $16,590, which is the difference in the local cash match previously approved, upon execution of Amendment 1.

Contract Term

The IGA will expire upon completion of the project and once all IGA related payments are made. Any provisions for maintenance will be perpetual.

Financial Impact

The total project cost associated with this agreement will not exceed $3,072,000. Federal funding eligible for reimbursement to the City is $2,251,800. The City's participation will not exceed $448,200, which was previously $90,863 as explained above. Within the total authorized amount, upon execution of this IGA, ADOT will invoice the City $16,590,

which is the difference paid to date for the local cash match. Funding is available in the Street Transportation Department's Capital Improvement Program.

Concurrence/Previous Council Action
The City Council approved the original IGA on April 6, 2016 (Ordinance S-42430).

Location
27th Avenue and Thomas Road Railroad Crossings
Council Districts: 4 and 7

Discussion
Councilwoman Pastor made a motion to adopt Item 42, and asked staff for an update on this item.

Councilwoman Williams seconded the motion.

Street Transportation Director Kini Knudson mentioned this project included two railroad crossings at the intersection of 27th Avenue and Thomas Road, and added this had been under design for a number of years because of the close coordination the City had with the Arizona Department of Transportation, Arizona Corporation Commission and others. He noted there were a number of redesigns to make sure all parties in the agreement were happy with this, and said the increase in cost was why this item was brought forward to Council today. He stated he anticipated the design would continue for another year, and said he expected construction to start in 2022.

Councilwoman Pastor inquired if the 27th Avenue/Thomas Road and Indian School Expansion would be affected by construction at the same time.

Mr. Knudson replied staff would be working on the schedule for that, but mentioned there was flexibility in the schedule when this started. He stated once the design is accepted by the Federal Highways Administration and other parties, the City would need to go through the federal obligation approval process. He said staff could coordinate with the 35th Avenue and Indian School project that would be going on as

well.

Councilwoman Pastor requested the City have coordination on being able to start construction, and to start talking to members in the community about what the impact would be.

Mr. Knudson commented the City would include that as part of the project process as done usually to make sure the public is included as to what the schedule would look like.

Councilwoman Pastor asked if there would be some business assistance.

Mr. Knudson responded staff did not get that far in the process, and added that was something the City typically did not do. He noted the City looked at the impacts of a project like this and the duration with the impacts it might have on traffic and business. He said those conversations could be had if there were impacts on the businesses.

A motion was made by Councilwoman Pastor, seconded by Councilwoman Williams, that this item be adopted. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

60 Amend City Code - Ordinance Adoption - Rezoning Application Z-8-19-8 (MCP Holdings/ELS PUD) - Approximately 550 Feet East of the Southeast Corner of 32nd Street and Southern Avenue (Ordinance G-6773)

Request to amend the Phoenix Zoning Ordinance, Section 601, the Zoning Map of the City of Phoenix, by adopting Rezoning Application Z-8-19-8 and rezone the site from S-1 BAOD (Ranch or Farm Residence, Baseline Area Overlay District) to PUD BAOD (Planned Unit Development, Baseline Area Overlay District) to allow a landscaping

contractor facility and nursery.

Summary

Current Zoning: S-1 BAOD
Proposed Zoning: PUD BAOD
Acreage: 14.81 acres
Proposed Use: Planned Unit Development to allow a landscaping contractor facility and nursery

Owner: MCP Holdings, LC
Applicant: Jack Gilmore, Gilmore Planning and Landscape Architecture
Representative: Jack Gilmore, Gilmore Planning and Landscape Architecture

Staff Recommendation: Approval, subject to stipulations.
VPC: The South Mountain Village Planning Committee heard the request for information only on June 11, 2019.
VPC Action: The South Mountain Village Planning Committee heard the request on Dec. 10, 2019 and continued the item by a 13-0 vote.
VPC Action: The South Mountain Village Planning Committee heard the request on Oct. 13, 2020, and made no recommendation due to lack of quorum prior to taking action.
PC Action: The Planning Commission heard this case on Nov. 5, 2020, and recommended approval, per the staff recommendation with additional stipulations by a 9-0 vote.

Location

Approximately 550 feet east of the southeast corner of 32nd Street and Southern Avenue
Council District: 8
Parcel Address: 3301, 3307, and 3315 E. Southern Ave.

Discussion

Paul Van Buren spoke in opposition, and expressed appreciation for the way Council had worked through this pandemic. He mentioned he lived at this property for 17 years and when the applicants purchased the property he began to have scorpion issues. He noted his only objection to this case was that the property owners stored a huge amount of waste on-site, and mentioned the county had been called multiple times for this

problem. He thanked Councilmember Garcia for coming out to look at this property, and clarified he was for landscape companies but was against this specific one because of the storage of several thousand tons of rubbish on the property.

Mayor Gallego commented the City would continue to look at the fire code, and make sure everyone was safe.

Councilmember Garcia talked about going out to the property yesterday, and said he spoke to some of the neighbors. He stated he hoped the property owners could make changes and continue to be good neighbors, and made a motion to adopt Item 60.

Vice Mayor Guardado seconded the motion.

A motion was made by Councilmember Garcia, seconded by Vice Mayor Guardado, that this item be adopted. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

62 Public Hearing and Resolution Adoption - General Plan Amendment GPA-EST-1-20-7 - Southeast Corner of 107th Avenue and Southern Avenue (Resolution 21884)

Request to hold a public hearing on the request for the following item to consider adopting the Planning Commission's recommendation and the related Resolution if approved. This file is a companion case to Z-1-20-7 and should be heard first, followed by Z-1-20-7.

Summary

Current Plan Designation: Residential 1 to 2 dwelling units per acre (60.83 acres) and Parks/Open Space-Public (8.50 acres)
Proposed Designation: Residential 3.5 to 5 dwelling units per acre
Acreage: 69.33 acres
Reason for change: Map Amendment to Residential 3.5 to 5 dwelling

units per acre

Owner: Empire Residential Communities Fund IV, c/o Shelby Duplessis
Applicant: Brennan Ray, Burch and Cracchiolo, P.A.
Representative: Brennan Ray, Burch and Cracchiolo, P.A.

Staff Recommendation: Denial as filed, approval of Residential 2 to 3.5 dwelling units per acre
VPC Action: The Estrella Village Planning Committee heard this case on Oct. 20, 2020, and recommended approval, per the staff recommendation by a 4-3 vote.
PC Action: The Planning Commission heard this case on Nov. 5, 2020, and recommended approval, per the Estrella Village Planning Committee recommendation by an 8-0 vote.

Location
Southeast corner of 107th Avenue and Southern Avenue
Council District: 7
Parcel Address: 10535 W. Southern Ave.

Discussion
Mayor Gallego stated Items 62 and 63 were related so Council would hold one public hearing for both items.

Mr. Stephenson clarified separate motions would be needed for both items, and stated Item 62 was a General Plan Amendment for the southeast corner of 107th and Southern avenues and Item 63 was the corresponding rezoning case. He mentioned the General Plan Amendment would go from existing residential one to two-dwelling units per acre and parks open space, to three to five units per acre with an acreage of 70 acres. He noted staff recommended denial as filed and approval of the residential two to three point to five units per acre. He displayed the General Plan Land Use designation, and mentioned the Planning Committee recommended approval of the General Plan Amendment by a 4-3 vote and Planning Commission recommended by a 8-0 vote. He commented the related zoning case is a request to change S-1 and RE-43 zoning to go to R-110 single family residential for 66 acres for a subdivision. He stated staff recommended approval per the Nov. 24th, 2020 memo from himself, and added the Rio Vista Village

Planning Committee recommended approval by a vote of 7-0. Mr. Stephenson said the Planning Commission recommended approval per the Planning Committee recommendation with modified stipulations, and noted one of the stipulations would allow additional residential density to go from 203 to 279 lots.

Mayor Gallego opened the public hearing.

After noting only one member of the public, the applicant, wished to speak if necessary, Mayor Gallego closed the public hearing.

Councilman Nowakowski made a motion to approve Item 62 per the Planning Commission recommendation with adoption of the related resolution.

Councilwoman Stark seconded the motion.

Mayor Gallego thanked everyone for their collaborative team work in an exciting part of Phoenix. She said the Rio Re-Imagined Corridor was important to her and councilmembers, and urged the applicant to be an active participant in this effort.

Note: One electronic comment was submitted in opposition of Item 62.

The hearing was held. A motion was made by Councilman Nowakowski, seconded by Councilwoman Stark, that this item be approved per the Planning Commission recommendation with adoption of the related resolution. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

63 Public Hearing and Ordinance Adoption - Rezoning Application Z-1-20-7 - Southeast Corner of 107th Avenue and Southern Avenue

(Ordinance G-6777)

Request to hold a public hearing and amend the Phoenix Zoning Ordinance, Section 601, the Zoning Map of the City of Phoenix, by adopting Rezoning Application Z-1-20-7 and rezone the site from S-1 (Ranch or Farm Residence) and RE- 43 (One-Family Residence) to R1-10 (Single-Family Residence) to allow single-family residential. This file is a companion case to GPA-EST-1-20-7 and should be heard immediately following that case.

Summary

Current Zoning: S-1 (Ranch or Farm Residence) (64.63 acres) and RE-43 (One-Family Residence) (1.12 acres)
Proposed Zoning: R1-10 (Single-Family Residence)
Acreage: 65.75 acres
Proposed Use: Single-family residential

Owner: Empire Residential Communities Fund IV, c/o Shelby Duplessis
Applicant: Brennan Ray, Burch & Cracchiolo, P.A.
Representative: Brennan Ray, Burch & Cracchiolo, P.A.

Staff Recommendation: Approval, subject to stipulations.
VPC Action: The Estrella Village Planning Committee heard this case on Oct. 20, 2020, and recommended approval, per the staff recommendation with a modified stipulation by a vote of 7-0.
PC Action: The Planning Commission heard this case on Nov. 5, 2020, and recommended approval per the Estrella Village Planning Committee recommendation with modified stipulations by an 8-1 vote.

Location

Southeast corner of 107th Avenue and Southern Avenue
Council District: 7
Parcel Address: 10535 W. Southern Ave.

Discussion

For discussion on Item 63, refer to discussion on Item 62.

The hearing was held. A motion was made by Councilman Nowakowski, seconded by Councilwoman Stark, that this item be approved as revised per the Nov. 24, 2020 memo from the Planning and Development Director with adoption of the related ordinance. The

motion carried by the following vote:

Yes: 8 - Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego

No: 0

Absent: 1 - Councilman DiCiccio

64 **(CONTINUED FROM JUNE 3, JUNE 24 AND SEPT. 2, 2020) - Public Hearing - Amend City Code and Ordinance Adoption - Off-Premise Signs for Schools Text Amendment - Z-TA-1-19 (Ordinance G-6703)**

Request to hold a Public Hearing on a proposed text amendment Z-TA-1-19 and to request City Council approve Z-TA-1-19 as proposed which amends Chapter 7, Section 705.2. (Off-Premise Signs) of the Phoenix Zoning Ordinance to allow off-premise advertising within Planned Unit Developments located on publicly owned land used for a school as recommended by the Land Use and Livability Subcommittee.

Summary

Application: Z-TA-1-19
Proposal: Request to amend Chapter 7, section 705.2.A.2. and 705.2.A.5. (Location Restrictions) of the Phoenix Zoning Ordinance to allow off-premise advertising within Planned Unit Developments, with a minimum of 15 gross acres and located on publicly owned land used for a school.

Applicant: Creighton Elementary School District and Creighton Community Foundation
Representative: Gammage & Burnham, Michael Maerowitz

Discussion

Planning and Development Director Alan Stephenson stated this was a privately filed text amendment by the School Community Foundation to support the Foundation and the school district so they could get additional revenue to help with after-school and other programs. He said if this were approved, this would set up an ordinance that would allow this to happen within the city, but a specific site would need to go through the rezoning process. He mentioned this did not grant any automatic

entitlements, and added this would need to be within a PUD-zoned property or A-1 or A-2 along a permitted freeway within 300 feet within 20 acres and no sign could be within 500 feet of a residential district. He commented this would allow a publicly-owned school on publicly-owned land to apply for a PUD to go through the rezoning process. He mentioned this was approved by the 12 village planning committees, approved by the Planning Commission and approved by the Land Use and Livability Subcommittee in May 2019. He stated staff recommended approval per the Land Use and Livability Subcommittee recommendation with adoption of the related ordinance.

Councilwoman Pastor questioned if this would add more billboards to the freeway.

Mr. Stephenson responded this would allow for a school district to file a separate zoning case on behalf of the school if it was located along a permitted freeway and met other criteria. He talked about how the school district would then go through the Request for Proposals process to allow for a billboard company to locate a billboard on that site. He clarified the school district needed to meet all of the criteria mentioned previously.

Mayor Gallego declared the public hearing open.

Michael Maerowitz of the Gammage and Burnham Law Firm spoke in favor on behalf of the applicant, the Creighton School District. He talked about how this had been a multiple year process, and thanked Council and staff for their hard work to get to this point. He mentioned this was typically a very long public process, and added this text amendment was filed in April 2019. He noted there were just shy of 30 hearings held since that time, and commented they received favorable recommendations at each hearing. He stated this would have a tremendous impact on the lives of students and families particularly in the Creighton School District, and announced his availability for questions from Council.

After mentioning there were no more members of the public wishing to speak, Mayor Gallego closed the public hearing.

Councilwoman Stark made a motion to approve Item 64 per the Land

Use and Livability Subcommittee recommendation with adoption of the related ordinance.

Councilmember Garcia seconded the motion.

Note: One electronic comment was submitted in favor of Item 64.

The hearing was held. A motion was made by Councilwoman Stark, seconded by Councilmember Garcia, that this item be approved per the Land Use and Livability Subcommittee recommendation with adoption of the related ordinance. The motion carried by the following vote:

Yes:	8 -	Councilmember Garcia, Councilman Nowakowski, Councilwoman Pastor, Councilwoman Stark, Councilman Waring, Councilwoman Williams, Vice Mayor Guardado and Mayor Gallego
No:	0	
Absent:	1 -	Councilman DiCiccio

REPORTS FROM CITY MANAGER, COMMITTEES OR CITY OFFICIALS

None.

000 CITIZEN COMMENTS

City Attorney Cris Meyer stated during Citizen Comments, members of the public may address the City Council for up to three minutes on issues of interest or concern to them. He advised the Arizona Open Meeting Law permits the City Council to listen to the comments, but prohibits councilmembers from discussing or acting on the matters presented.

Marcus Reid expressed support for the creation of a public health department in the City, and said this department would better prepare Phoenix for not only protecting citizens from disease, but to promote healthy lifestyles and research local disease and injury prevention. He talked about how opportunities for local future health professionals could happen by allowing them to research at the City, and mentioned a local health department could be best suited to make sure there is an equitable deployment of vaccines.

ADJOURN

There being no further business to come before the Council, Mayor Gallego declared the meeting adjourned at 5:57 p.m.

INFORMATION ABOUT THIS PUBLICITY PAMPHLET

GENERAL INFORMATION

This Publicity Pamphlet is mailed to each household in Phoenix in which an active registered voter resides, unless all voters in the household requested to obtain the pamphlet electronically.

This pamphlet contains election and voting information, including the list of certified candidates running for office, the text and summary of propositions on the ballot, and any arguments filed with the City Clerk supporting or opposing propositions. Arguments supporting or opposing ballot propositions are printed in this pamphlet exactly as filed. **If no arguments appear in this pamphlet for a proposition, no arguments were filed for that proposition with the City Clerk.**

Propositions submitted to voters that propose changes to existing provisions of the City Charter or the Phoenix City Code are identified in the following ways:

- New text is in all capital letters, LIKE THIS.
- Text that is proposed to be deleted has strike-through lines, ~~like this~~.

SPANISH TRANSLATION

The Spanish translation of this pamphlet is required by the Federal Voting Rights Act. The translation is an accurate interpretation of the material appearing in English but is provided only as an aid to voters. All votes cast on the proposition will be for the approval or rejection of the proposition as it appears in English.

ALTERNATIVE FORMATS

This pamphlet is available in alternative formats including audio, Braille, and large print upon request. To request an alternative format of this pamphlet, please call 602-261-VOTE (8683). **Requests for alternative formats of the pamphlet must be received by Friday, October 9, 2020.**

SUBSCRIBE TO OBTAIN THIS PAMPHLET ELECTRONICALLY

Voters can subscribe to obtain this pamphlet electronically. Voters who subscribe will receive an email notification with a link to the pamphlet for each City of Phoenix election. To subscribe, visit the November 3, 2020 election page at phoenix.gov/elections, call 602-261-VOTE (8683), email phoenixelections@phoenix.gov, or scan the QR code below.

Benefits of Obtaining the Pamphlet Electronically:

- Allows you to easily search the pamphlet for specific information.
- Allows you to easily increase the size of the text for better readability.
- Reduces the number of election-related mailings sent to you.
- Saves printing and postage costs.
- Allows voters to "Go Green" by reducing the amount of paper used.

Please note – unless *all* registered voters in a household subscribe to obtain the pamphlet electronically, a pamphlet will be mailed to each household with a registered voter, as required by law.

PAMPHLET FEEDBACK

The purpose of this pamphlet is to provide election information to voters. If you would like to see additional information or have any comments or recommendations for future pamphlets, please call 602-261-VOTE (8683) or email phoenixelections@phoenix.gov.

INFORMACIÓN SOBRE ESTE FOLLETO PUBLICITARIO

INFORMACIÓN GENERAL

Este Folleto Publicitario se le envía por correo a cada domicilio en Phoenix donde reside un votante activo inscrito, a menos que todos los votantes en el domicilio hayan solicitado obtener el folleto electrónicamente.

Este folleto contiene información sobre la elección y votación, incluyendo la lista certificada de los candidatos postulando a cargos, el texto y el resumen de las proposiciones en la boleta, y argumentos registrados con la Secretaría Municipal a favor o en contra de las proposiciones. Argumentos a favor o en contra de proposiciones en la boleta se imprimen en este folleto exactamente como fueron registrados. **Si no aparecen argumentos en este folleto para una proposición, no se registraron argumentos para esa proposición en la Secretaría Municipal.**

Proposiciones sometidas a los votantes que proponen cambios a provisiones existentes de la Constitución de Phoenix o el Código de Phoenix son identificadas de las siguientes formas:

- El texto nuevo está en letras mayúsculas, ASÍ.
- El texto que se propone eliminar tiene una línea sobrepuestas, ~~así~~.

TRADUCCIÓN AL ESPAÑOL

La Ley Federal de Derechos Electorales requiere que se traduzca este folleto al Español. La traducción es una interpretación fiel del material que aparece en inglés, pero se proporciona únicamente como ayuda para los votantes. Todos los votos emitidos para la proposición serán para aprobar o rechazar dicha proposición según como aparece en inglés.

FORMATOS ALTERNATIVOS

Este folleto está disponible en formatos alternativos incluso audio, Braille, y letra grande a solicitud del votante. Para solicitar este folleto en un formato alternativo, por favor llame al 602-261-VOTE (8683). **Las solicitudes para formatos alternativos de este folleto deberán recibirse a más tardar el viernes, 9 de octubre, 2020.**

SUBSCRÍBASE PARA OBTENER ESTE FOLLETO ELECTRÓNICAMENTE

Votantes pueden subscribirse para obtener este folleto electrónicamente. Votantes subscritos recibirán para cada elección Municipal de Phoenix, una notificación por correo electrónico con un enlace para obtener el folleto. Para subscribirse, visite la página Elección del 3 de noviembre 2020 en línea en phoenix.gov/elections-sp, o llame al 602-261-VOTE (8683), o envíe un correo electrónico a phoenixelections@phoenix.gov, o escanee el código QR a continuación.

Beneficios de Obtener este Folleto en Formato Electrónico:

- Le permite buscar información específica en el folleto.
- Le permite aumentar el tamaño del texto para leerlo con mayor facilidad.
- Reduce la cantidad de correspondencia relacionada con las elecciones que se le envía.
- Se ahorra en gastos de impresión y de envío postal.
- Brinda a los votantes la oportunidad de contribuir a la ecología al reducir la cantidad de papel que se utiliza.

Por favor tenga en cuenta – que a menos que *todos* los votantes inscritos en la residencia se subscriban para obtener el folleto electrónicamente, un folleto se enviara por correo a cada residencia con un votante inscrito, de conformidad con la ley.

COMENTARIOS SOBRE ESTE FOLLETO

El propósito de este folleto es proveer información electoral a los votantes. Si a usted le gustaría ver más información en este folleto o tiene algún comentario o recomendación para folletos en el futuro, por favor llame al 602-261-VOTE (8683) o envié un correo electrónico a phoenixelections@phoenix.gov.

ELECTION INFORMATION

GENERAL INFORMATION

On Tuesday, November 3, 2020, the regularly scheduled Mayor and Council Election will be held for registered voters residing in the City of Phoenix.

In this election, voters who reside in the City of Phoenix will elect a Mayor and decide on a ballot measure related to the Alternative Expenditure Limitation (Home Rule). Additionally, voters residing in City Council Districts 1, 3, 5 and 7 will elect Council Members.

If a candidate receives a majority of the votes cast (50% +1) for an office in the November 3, 2020 election, the candidate is elected and will take office on April 19, 2021; if not, the two candidates receiving the most votes cast will advance to a Runoff Election which will be held for that office on March 9, 2021. The candidate with the highest number of votes for that office in the Runoff Election will be elected and take office on April 19, 2021.

There is no election for Council Members in Districts 2, 4, 6 and 8 this year because the terms of the City Council Members are staggered. The next election for these districts will be in 2022.

CONSOLIDATED COUNTY-CONDUCTED ELECTION

This election will be conducted by the Maricopa County Elections Department. All City of Phoenix candidate races and the ballot proposition related to the Alternative Expenditure Limitation (Home Rule) will appear on the County's November 3, 2020 General Election ballot.

COUNTY MAILED EARLY BALLOTS & SAMPLE BALLOTS

Beginning October 7, 2020, the Maricopa County Elections Department will mail early ballots to all registered voters that are on the Permanent Early Voting List (PEVL). Voters who are not on the PEVL must either request an early ballot by mail from the Maricopa County Elections Department or vote in person.

Households with registered voters who are not on the PEVL will receive a sample ballot. The sample ballot will display the names of candidates as they will appear on the official ballot. However, the sample ballot is not an official ballot and cannot be used to vote. The sample ballot can also be accessed online at BeBallotReady.Vote. Sample ballots will be mailed no later than 11 days prior to the election.

If you do not receive your early ballot or your sample ballot, please contact the Maricopa County Elections Department for a replacement at 602-506-1511.

UPDATED BALLOT DESIGN

Ballots have been updated to now have fill-in ovals instead of arrows. To learn more visit recorder.maricopa.gov/newballot.

INFORMACIÓN SOBRE ESTA ELECCIÓN

INFORMACIÓN GENERAL

El martes, 3 de noviembre, 2020, se llevará acabo la elección de Alcalde y del Concejo regularmente programada para los votantes registrados que residen en la Municipalidad de Phoenix.

En esta elección, los votantes que residen en la Municipalidad de Phoenix elegirán a un Alcalde y decidirán sobre una medida en la boleta sobre la Limitación Alternativa de Gastos (Regla de Casa). Además, los votantes que residen en los Distritos 1, 3, 5 y 7 elegirán Miembros del Concejo.

Si un candidato recibe la mayoría de los votos emitidos (50% + 1) para un cargo en la elección del 3 de noviembre, 2020, ese candidato será elegido y tomara posesión del cargo el 19 de abril, 2021; si no, los dos candidatos que reciban la mayoría de los votos emitidos avanzarán a una Elección de Desempate que se llevará a cabo para ese cargo el 9 de marzo, 2021. El candidato con el mayor número de votos para ese cargo en la Elección de Desempate será elegido y tomará posesión del cargo el 19 de abril, 2021.

No habrá elección para Miembros del Concejo en los Distritos 2, 4, 6 y 8 este año porque los períodos electorales para Miembros del Concejo Municipal son escalonados. La próxima elección para estos distritos será en el año 2022.

ELECCIÓN CONSOLIDADA CONDUCIDA POR EL CONDADO

Esta elección será conducida por el Departamento de Elecciones del Condado de Maricopa. Todas las carreras para los candidatos de Phoenix y la medida en la boleta sobre la Limitación Alternativa de Gastos (Regla de Casa) aparecerán en la boleta de la Elección General del Condado el 3 de noviembre, 2020.

BOLETAS TEMPRANAS Y MUESTRAS DE LAS BOLETAS ENVIADAS POR EL CONDADO

Comenzando el 7 de octubre, 2020, el Departamento de Elecciones del Condado de Maricopa enviará por correo boletas tempranas a todos los votantes registrados que aparecen en la Lista Permanente de Votación Temprana (PEVL). Los votantes que no están en la PEVL deberán solicitar una boleta temprana del Departamento de Elecciones del Condado de Maricopa, o deberán votar en persona.

Los hogares con votantes registrados que no están en la PEVL recibirán una muestra de la boleta. La muestra de la boleta mostrará los nombres de los candidatos como aparecerán en la boleta oficial. Pero, la muestra de la boleta no es una boleta oficial y no puede ser usada para votar. La muestra de la boleta también está disponible en línea en TengaBoletaLista.Voto. Las muestras de las boletas se enviarán por correo a más tardar 11 días antes de la elección.

Si no recibe su boleta temprana o su muestra de boleta, por favor comuníquese con el Departamento de Elecciones del Condado de Maricopa para obtener un reemplazo al 602-506-1511.

DISEÑO DE LA BOLETA

Las boletas han sido actualizadas y ahora tienen óvalos en lugar de flechas. Para obtener más información, visite recorder.maricopa.gov/newballot.

EARLY VOTING

BY MAIL

Voters on the Permanent Early Voting List (PEVL) will automatically receive an early ballot by mail unless they submitted a request to not receive a ballot by mail. Early ballots for the November 3, 2020 Election will be mailed by the Maricopa County Elections Department beginning Wednesday, October 7, 2020.

Voters not on the PEVL who wish to receive an early ballot by mail may submit a request online for an early ballot to the Maricopa County Elections Department at BeBallotReady.Vote or by calling 602-506-1511.

Early ballots are available in alternative formats including Braille and large print, upon request. To request an alternative format of the early ballot, please call the Maricopa County Elections Department at 602-506-1511.

Requests for an early ballot by mail must be received by the Maricopa County Elections Department no later than 5 p.m. on Friday, October 23, 2020.

RETURNING VOTED EARLY BALLOTS

An early ballot must be returned in the ballot affidavit envelope that was provided with the ballot and the envelope must be signed by the voter. **Voted early ballots must be received by the Maricopa County Elections Department no later than 7 p.m. on Election Day**. If you return your voted early ballot by mail, be sure to allow sufficient time for delivery. It is recommended you mail your ballot at least 6 days before Election Day. Voted early ballots may also be dropped off at in-person voting locations during voting hours. Voters should take the time they need to consider their choices and mark their ballot. However, voters who complete their ballots early are encouraged to return the ballot as soon as it is voted. Returning voted ballots as early as possible provides more time for signature verification and processing so that final results are available sooner.

HOW CAN I CHECK THE STATUS OF MY EARLY BALLOT?

Information about the status of your early ballot is available online at BeBallotReady.Vote. You can obtain detailed information, such as the date your early ballot was mailed, received, or processed for tabulation. To check the status of your early ballot, you will need to provide basic information along with either your voter registration number, driver license number or non-operating identification card number, or the last four digits of your Social Security Number. This information is required in order to positively identify you as the voter and the information you enter must match the information on your voter registration record.

IN-PERSON VOTING

Individuals who wish to vote in person rather than by mail, can visit any voting site. Voting sites will be designated by the Maricopa County Elections Department and will be available beginning 27 days before the election from Wednesday, October 7, 2020 through Tuesday, November 3, 2020. Hours of operation may vary by location. On Election Day, Tuesday, November 3, 2020, voting sites will be open to voters from 6 a.m. to 7 p.m. Locations are designated throughout the county and can be found by visiting BeBallotReady.Vote or calling 602-506-1511. Voters are required to provide identification at in-person voting locations before receiving a ballot.

ACCESSIBLE VOTING

Accessible voting devices that allow voters with disabilities to vote independently will be available for this election at all in-person voting locations.

VOTACIÓN TEMPRANA

POR CORREO

Los votantes en la Lista Permanente de Votación Temprana (PEVL) recibirán automáticamente una boleta temprana por correo a menos que hayan presentado una solicitud para no recibir una boleta por correo. Las boletas tempranas para la Elección del 3 de noviembre, 2020 serán enviadas por el Departamento de Elecciones del Condado de Maricopa a partir del miércoles, 7 de octubre, 2020.

Los votantes registrados que no aparecen en la PEVL y que deseen recibir una boleta temprana por correo, pueden solicitar una boleta de votación temprana en línea con el Departamento de Elecciones del Condado de Marciopa en TengaBoletaLista.Voto o llamando al 602-506-1511.

Las boletas tempranas están disponibles en formatos alternativos incluso Braille y letra grande, a solicitud del votante. Para solicitar una boleta de votación temprana en formato alternativo, por favor llame al Departamento de Elecciones del Condado de Maricopa al 602-506-1511.

Las solicitudes para boletas de votación temprana deberán ser recibidas por el Departamento de Elecciones del Condado de Maricopa a más tardar a las 5 p.m. el viernes, 23 de octubre, 2020.

ENTREGA DE BOLETAS TEMPRANAS VOTADAS

La boleta de votación temprana debe regresarse en el sobre con la declaración jurada que se envió con la boleta de votación y el votante deberá firmar el sobre. **El Departamento de Elecciones del Condado de Maricopa deberá recibir las boletas de votación temprana votadas a más tardar a las 7 p.m. el Día de la Elección**. Si devuelve su boleta temprana votada por correo, asegúrese de enviarla con suficiente tiempo para la entrega. Se recomienda que envíe su boleta por lo menos 6 días antes del Día de la Elección. Las boletas de votación temprana votadas también se pueden entregar en los sitios de votación en persona durante los horarios de votación. Los votantes deberán tomarse el tiempo necesario para considerar sus opciones y marcar su boleta. Sin embargo, se recomienda que los votantes que hayan completado su boleta temprana la entreguen en cuanto hayan votado. Entregar boletas votadas tan pronto como sea posible, da más tiempo para la verificación de firmas y su procesamiento, para una disposición de los resultados finales más oportuna.

¿CÓMO PUEDO VERIFICAR EL ESTADO DE MI BOLETA DE VOTACIÓN TEMPRANA?

Información acerca del estado de su boleta temprana está disponible en línea en TengaBoletaLista.Voto. Ahí encontrará información detallada, como la fecha en que se le envió por correo su boleta temprana y la fecha en que se recibió, o que se procesó para su tabulación. Para verificar el estado de su boleta temprana, deberá proporcionar datos básicos junto con su número de inscripción de votante, el número de su licencia de conducir, o número de identificación expedida por el estado, o los últimos cuatro dígitos de su Número de Seguro Social. Se requieren estos datos para identificarlo definitivamente como el votante y los datos que usted ingrese tienen que corresponder con los datos que aparecen en su registro de votante.

VOTACIÓN EN PERSONA

Las personas que desean votar en persona, en lugar de por correo, pueden ir a votar a cualquier sitio de votación. Los sitios de votación serán designados por el Departamento de Elecciones del Condado de Maricopa y estarán disponibles a partir de 27 días antes de la elección comenzando el miércoles, 7 de octubre, 2020 hasta el martes, 3 de noviembre, 2020. Los horarios de atención pueden variar según el sitio. El Día de la Elección, martes, 3 de noviembre, 2020, los sitios de votación estarán abiertos de 6 a.m. hasta 7 p.m. Los sitios están designados en todo el condado y se pueden encontrar en línea en TengaBoletaLista.Voto o llamando al 602-506-1511. Los votantes deberán mostrar su identificación en todos los sitios de votación en persona antes de recibir una boleta.

VOTACIÓN ACCESIBLE

Estarán disponibles dispositivos de votación accesible que permiten a los votantes con discapacidades votar en esta elección de manera independiente en todos los sitios de votación en persona.

IN-PERSON VOTING IDENTIFICATION REQUIREMENTS

Before receiving a ballot, voters are required to provide identification when voting in person at all voting locations, including early voting locations. Every qualified voter must show identification before receiving a ballot on Election Day, pursuant to A.R.S. § 16-579(A). The following are the acceptable forms of identification:

LIST 1 — Photo identification with voter's name and address* (ONE REQUIRED):

- Valid Arizona driver license;
- Valid Arizona non-operating identification license;
- Tribal enrollment card or other form of tribal identification; or
- Valid United States federal, state, or local government issued identification.

* The address on the identification must match the voter registration record. If the address on the photo identification does not match, see List 3.

OR

LIST 2 — Non-photo identification with voter's name and address only (TWO REQUIRED):**

- Utility bill of the voter that is dated within 90 days of the date of the election. A utility bill for electric, gas, water, solid waste, sewer, telephone, cell phone, or cable/satellite television;
- Bank or credit union statement that is dated within 90 days of the date of the election;
- Valid Arizona Vehicle Registration;
- Indian or Native American census card;
- Property tax statement of the voter's residence;
- Tribal enrollment card or other form of valid tribal identification;
- Vehicle insurance card;
- Voter Registration Card/Recorder's Certification;
- Valid United States federal, state, or local government issued identification; or
- Any "Official Election Material" mailing bearing the voter's name and address.

** Any List 2 document may be presented to a poll worker in electronic format, including on a smart phone or tablet. A.R.S. § 16-579(A)(1)(b). This address must match the voter registration record.

OR

LIST 3 — One Photo Identification and one Non-Photo Identification (ONE OF EACH REQUIRED):

- A valid form of photo ID from List 1 with an address that does NOT match the voter's address in the registration record or e-pollbook WITH a non-photo ID from List 2 with an address that DOES match the address in the voter registration record or e-pollbook;
- U.S. Passport and one item from List #2; or
- U.S. Military ID and one item from List #2.

PROVISIONAL BALLOT

If the voter presents **acceptable identification but the voter's name and address does not match** the voter's registration record, the voter may cast a Provisional Ballot. The voter does not need to take any further action. If the **voter does not have acceptable forms of identification** (as described in the lists above), the voter may cast a Provisional Ballot. However, the voter must then return to a voting location prior to 7 p.m. on Election Day and present acceptable ID, or present acceptable ID at one of the designated locations **by 5 p.m. on the Tuesday after the election (November 10, 2020)**. A list of designated locations will be available at all voting sites.

REQUISITOS DE IDENTIFICACIÓN PARA VOTAR EN PERSONA

Se requiere que los votantes muestren su identificación en los sitios de votación, incluyendo sitios de votación temprana, antes de recibir una boleta. Cada votante calificado debe mostrar identificación antes de recibir una boleta el Día de la Elección, de conformidad con la ley A.R.S. § 16-579 (A). Las siguientes son las formas aceptables de identificación:

LISTA 1 — Identificación con foto con el nombre y la dirección del votante* (SE REQUIERE UNA):

- Licencia válida de conducir de Arizona;
- Licencia válida sin permisio para conducir de Arizona;
- Tarjeta de inscripción tribal u otra forma de identificación tribal; o
- Identificación válida emitida por el gobierno federal, estatal o local de Estados Unidos.

* La dirección que aparece en la identificación debe corresponder con el registro del votante. Si la dirección en la identificación con fotografía no corresponde, consulte la Lista 3.

O

LISTA 2 — Identificación sin foto con el nombre y la dirección del votante (SE REQUIEREN DOS):**

- Factura de servicios públicos del votante, fechada durante los 90 días previos a la fecha de la elección. Una factura de servicios públicos puede ser para luz, gas, agua, desechos sólidos, drenaje, teléfono, teléfono celular, o televisión de cable/satélite;
- Estado de cuenta bancaria o de cooperativa de ahorros y crédito con fecha de no más de 90 días anteriores a la fecha de las elecciones;
- Registro de Vehículos de Arizona Valido;
- Tarjerta de Censo Indígena o Nativo Americano;
- Estado de cuenta predial de la residencia de votante;
- Tarjeta de inscripción tribal u otra;
- Tarjeta de seguro automovilístico;
- Tarjeta de Inscripción de Votante o Certificación del Registro;
- Identificación válida emitida por el gobierno federal, estatal o local de Estados Unidos; o
- Cualquier 'Material de Elección Oficial' enviado por correo que indique el nombre y la dirección del votante.

** Cualquier documento de la Lista 2 puede presentarse a un trabajador de votación en formato electrónico, incluso en un teléfono inteligente o tableta. A.R.S. § 16-579(A)(1)(b). La dirección debe corresponder con el registro del votante.

O

LISTA 3 — Una identificación con foto y una sin foto (SE REQUIERE UNA DE CADA UNA):

- Una forma valida de identificación con foto de la Lista 1 con una dirección QUE NO coincida con la dirección del votante en el registro del votante o en el libro electrónico de votación CON una identificación sin foto de la Lista 2 con una dirección que SÍ coincida con la dirección en el registro del votante o en el libro electrónico de votación;
- Pasaporte de EE.UU. y un artículo de la Lista #2; o
- ID Militar de EE.UU. y un artículo de la Lista #2.

BOLETA PROVISIONAL

Si el votante presenta una **identificación aceptable pero el nombre y dirección del votante no coinciden** con el registro del votante, el votante podrá votar con una Boleta Provisional. El votante no necesitará tomar medidas adicionales. Si **el votante no tiene formas de identificación aceptables** (detallada en las listas anteriores), el votante podrá votar con una Boleta Provisional. Sin embargo, el votante deberá regresar al lugar de votación antes de las 7 p.m. el Día de la Elección y presentar una forma de identificación aceptable o podrá presentar una forma de identificación aceptable en uno de los sitios designados, **a más tardar a las 5 p.m. del martes después de la elección (10 de noviembre, 2020)**. Una lista de sitios designados estará disponible en todos los sitios de votación.

CERTIFIED LIST OF CANDIDATES

The certified list of Mayoral and Council Member candidates is provided below. **Please note this is an alphabetical listing that may not reflect the order in which the candidates appear on your official ballot because the candidates' names are rotated by precinct on official ballots.** For more information about these candidates visit phoenix.gov/elections or call 602-261-VOTE (8683).

PROPOSITION 444 TEXT

A sample of the ballot text for Proposition 444 is shown below to help voters become familiar with the appearance of the City of Phoenix ballot measure. Due to space limitations, the actual ballot may not contain the official and descriptive titles. The sample of the ballot text below is for reference only and not for voting; only valid votes cast on an official ballot by eligible registered voters will be counted. **Therefore, do not return a voted page from this Publicity Pamphlet.**

PROPOSITION NUMBER 444

LOCALLY CONTROLLED ALTERNATIVE EXPENDITURE LIMITATION

OFFICIAL TITLE: Resolution No. 21828
A RESOLUTION OF THE COUNCIL OF THE CITY OF PHOENIX PROPOSING THE CONTINUANCE OF A LOCALLY CONTROLLED ALTERNATIVE EXPENDITURE LIMITATION. THIS ALTERNATIVE EXPENDITURE LIMITATION WOULD SET THE LIMIT EQUAL TO THE BUDGET ADOPTED BY THE CITY COUNCIL.

Descriptive Title
Continue the existing locally controlled alternative expenditure limitation allowed by Article IX, Section 20 (9) of the Arizona Constitution. If approved, it would keep the annual expenditure limitation equal to the City Council adopted budget for the next four years. Constitutional and previously authorized voter exclusions shall continue to apply.

Question
Shall the Alternative Expenditure Limitation set forth in Phoenix City Council Resolution No. 21828 be adopted as part of the local expenditure control program of the City of Phoenix?

A "Yes" vote shall have the effect of continuing local control by allowing the Mayor and City Council, by majority vote, and after obtaining community input on the proposed spending plan to establish a local expenditure limitation. Constitutional and previously authorized voter exclusions shall continue to apply.

A "No" vote shall have the effect of the city operating under the state-imposed expenditure limitation formula based on 1979-80 expenditures adjusted for inflation and population. This will result in an estimated $1.3 billion reduction in the fiscal year 2021-22 budgeted expenditures and reductions in or eliminations across all City services.

YES ◯
NO ◯

PROPOSICIÓN 444 TEXTO

En esta página se muestra el texto de la Proposición 444 para ayudar a los votantes a familiarizarse con la apariencia de la medida de la Municipalidad de Phoenix en la boleta. Debido a limitaciones de espacio, el título oficial y descriptivo podrán ser omitidos de la boleta misma. La muestra del texto de la boleta en esta página es solamente para referencia y no para votar; solamente se contarán los votos emitidos en la boleta oficial por votantes elegibles registrados. **Por lo tanto, no devuelva una página votada de este Folleto Publicitario.**

PROPOSICIÓN NÚMERO 444

LIMITACIÓN ALTERNATIVA DE GASTOS CONTROLADA LOCALMENTE

TÍTULO OFICIAL: Resolución N°. 21828
UNA RESOLUCIÓN DEL CONCEJO MUNICIPAL DE PHOENIX PROPONIENDO LA CONTINUACIÓN DE UNA LIMITACIÓN ALTERNATIVA DE GASTOS CONTROLADA LOCALMENTE. ESTA LIMITACIÓN ALTERNATIVA DE GASTOS ESTABLECERÍA EL LÍMITE IGUAL AL PRESUPUESTO ADOPTADO POR EL CONCEJO MUNICIPAL.

Título Descriptivo
Continuar con la existente limitación alternativa de gastos controlada localmente permitido por el Artículo IX, Sección 20 (9) de la Constitución de Arizona. De ser aprobada, mantendría la limitación de gastos anuales igual al presupuesto adoptado por el Concejo Municipal durante los próximos cuatro años. Se continuarán aplicando las exclusiones constitucionales y previamente autorizadas por los votantes.

Pregunta
¿Debe adoptarse la Limitación Alternativa de Gastos establecida por la Resolución N°. 21828 del Concejo Municipal como parte del programa de control local de gastos de la Municipalidad de Phoenix?

Votar "Sí" tendrá el efecto de continuar con el control local al permitir al Alcalde y el Concejo Municipal, por votación mayoritaria, y tras obtener la opinión de la comunidad sobre el plan propuesto de gastos, establecer una limitación de gastos locales. Se continuarán aplicando las exclusiones constitucionales y previamente autorizadas por los votantes.

Votar "No" tendrá el efecto de que la municipalidad operará bajo la fórmula para limitación de gastos impuesta por el estado basada en gastos de 1979-80 ajustada para la inflación y la población. Esto resultará en una reducción aproximada de $1.3 mil millones en el presupuesto de gastos para el año fiscal 2021-22 y reducciones o eliminaciones en todos los servicios Municipales.

NO ◯

PROPOSITION 444 RESOLUTION

RESOLUTION 21828

A RESOLUTION RELATING TO ALTERNATIVE EXPENDITURE LIMITATIONS, PROVIDING FOR REFERRAL TO THE ELECTORS OF THE CITY OF PHOENIX OF AN ALTERNATIVE EXPENDITURE LIMITATION PROPOSITION PURSUANT TO THE PROVISIONS OF THE ARIZONA CONSTITUTION, ARTICLE IX, SECTION 20(9); SAID PROPOSITION TO BE PLACED UPON THE BALLOT AT THE CITY ELECTION ON NOVEMBER 3, 2020, SAID ALTERNATIVE EXPENDITURE LIMITATIONS TO BE EQUAL TO THAT OF THE PHOENIX CITY COUNCIL ADOPTED BUDGET.

WHEREAS, the Arizona Constitution Article IX, § 20, provides certain expenditure limitations for cities and towns, and further allows for provisions whereby such cities and towns can enact alternative expenditure limitations, and

WHEREAS, the State Legislature has enacted A.R.S. § 41-563.01 et seq. which provides procedures to effectuate the provisions of the Constitution relative to alternative expenditure limitations, and

WHEREAS, the City Council has previously held two appropriately advertised public hearings pursuant to the procedures authorized by the Constitution and the aforesaid legislation,

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PHOENIX that the following measure be placed upon the ballot on the November 3, 2020 election for the City of Phoenix for approval by the voters:

SECTION 1. Alternative Expenditure Limitation.

PROPOSITION

The Mayor and City Council of the City of Phoenix shall annually, as part of the annual budget process, adopt an expenditure limitation to govern the City of Phoenix budget for the fiscal year immediately following such adoption. The expenditure limitation shall be adopted each year after community input by the residents of the City of Phoenix on the proposed spending plan. This continues previously adopted locally controlled alternative expenditure limitations approved in 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 and 2015. No expenditures may be made in excess of such budget, nor may expenditures exceed available revenues. Constitutional and previously authorized voter exclusions shall continue to apply.

Applicability. In accordance with the provisions of Article IX, Section 20, Arizona Constitution, this locally controlled expenditure limit shall be effective for only the following four fiscal years: 2021-22, 2022-23, 2023-24, and 2024-25.

PASSED by the Council of the City of Phoenix this 20th day of May 2020.

PROPOSICIÓN 444 RESOLUCIÓN

RESOLUCIÓN 21828

UNA RESOLUCIÓN RELACIONADA A LA LIMITACIÓN ALTERNATIVA DE GASTOS, DISPONIENDO QUE SE REMITA A LOS ELECTORES DE LA MUNICIPALIDAD DE PHOENIX UNA PROPOSICIÓN PARA LA LIMITACIÓN ALTERNATIVA DE GASTOS DE CONFORMIDAD CON LAS PROVISIONES DE LA CONSTITUCIÓN DE ARIZONA, ARTÍCULO IX, SECCIÓN 20(9); QUE DICHA PROPOSICIÓN SE PONDRÁ EN LA BOLETA DE LA ELECCIÓN MUNICIPAL DEL 3 DE NOVIEMBRE, 2020, QUE DICHA LIMITACIÓN ALTERNATIVA DE GASTOS SEA IGUAL A LA CANTIDAD DEL PRESUPUESTO ADOPTADO POR EL CONCEJO MUNICIPAL DE PHOENIX.

CONSIDERANDO, que la Constitución de Arizona Artículo IX, § 20, estipula ciertas limitaciones de gastos para municipalidades y pueblos, y además permite provisiones por medio de las cuales tales municipales y pueblos pueden establecer limitaciones alternativas de gastos, y

CONSIDERANDO, que la Legislatura Estatal ha promulgado A.R.S. § 41-563.01 et seq. que establece procedimientos para efectuar las provisiones de la Constitución relacionadas a las limitaciones alternativas de gastos, y

CONSIDERANDO, que el Concejo Municipal ha llevado a cabo dos audiencias públicas debidamente publicadas de conformidad con los procedimientos autorizados por la Constitución y la legislación anteriormente citada,

AHORA, POR LO TANTO, SEA RESUELTO POR EL CONCEJO DE LA MUNICIPALIDAD DE PHOENIX que la siguiente medida se pondrá en la boleta de la elección de la Municipalidad de Phoenix del 3 de noviembre, 2020 para aprobación por los votantes:

SECCIÓN 1. Limitación Alternativa de Gastos.

PROPOSICIÓN

El Alcalde y el Concejo Municipal de la Municipalidad de Phoenix anualmente, como parte del proceso anual del presupuesto, adoptarán una limitación de gastos para gobernar el presupuesto de la Municipalidad de Phoenix para el siguiente año fiscal inmediatamente después de dicha adopción. La limitación de gastos será adoptada cada año tras participación de la comunidad contribuida por residentes de la Municipalidad de Phoenix sobre el plan propuesto de gastos. Esto continua las limitaciones alternativas de gastos controladas localmente previamente adoptadas aprobadas en 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 y 2015. No se podrá hacer ningún gasto que sobrepase dicho presupuesto, ni podrán los gastos exceder los ingresos disponibles. Seguirán aplicándose las exclusiones constitucionales y previamente autorizadas por los votantes.

Aplicabilidad. De conformidad con las provisiones del Artículo IX, Sección 20, de la Constitución de Arizona, este límite de gastos controlado localmente solamente estará en vigencia durante los siguientes cuatro años fiscales: 2021-22, 2022-23, 2023-24 y 2024-25.

APROBADA por el Concejo de la Municipalidad de Phoenix este día 20 de mayo, 2020.

PROPOSITION 444 SUMMARY ANALYSIS

City of Phoenix, Arizona
Locally Controlled Alternative Expenditure Limitation

The voters of Phoenix have previously approved locally controlled alternative expenditure limitations in 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 and 2015. The purpose of this election is for the continued use of a locally controlled alternative expenditure limitation.

Pursuant to the Arizona Constitution, the City of Phoenix will seek voter approval to continue a Locally Controlled Alternative Expenditure Limitation for the next four fiscal years, beginning in 2021-22. Any and all dollar figures presented in the following summary are estimates only and are based on the best information available at the time of the analysis.

Under a locally controlled alternative expenditure limitation, if approved by the voters, the City estimates it will be allowed to expend the following approximate amounts (in thousands): $5,515,059 in 2021-22, $5,338,638 in 2022-23, $5,424,842 in 2023-24, and $5,429,540 in 2024-25.

The amount of revenue estimated to be available to fund the operation of your City government (in thousands) is $5,515,059 in 2021-22, $5,338,638 in 2022-23, $5,424,842 in 2023-24, and $5,429,540 in 2024-25. Revenue received from federal, state, and local sources will continue to fund the increased expenditure authority associated with the Locally Controlled Alternative Expenditure Limitation Plan. Expenditures will not exceed revenue. The revenue estimates are the same under the locally controlled alternative expenditure limitation and the State limitation. The City property tax levy shall remain limited to the amount prescribed by the Arizona State Constitution.

With voter approval, the City of Phoenix will utilize additional expenditure authority under this plan for all local budgetary purposes, including criminal justice, public safety, transportation, community development, community enrichment, environmental services, capital improvements, debt service, and general government. This additional expenditure authority shall be in effect only for fiscal years 2021-22, 2022-23, 2023-24, and 2024-25.

Under the State-imposed limitation, after considering the constitutionally allowed exclusions, the City estimates it will be allowed to expend the following approximate amounts (in thousands): $4,155,143 in 2021-22, $3,938,476 in 2022-23, $3,955,558 in 2023-24, and $3,842,517 in 2024-25 for the operation of your local government. If no alternative expenditure limitation is approved, the state-imposed expenditure limitation will apply to the City of Phoenix. This would result in a combination of service cuts and new debt estimated at (in thousands): $1,359,916 in 2021-22, $1,400,162 in 2022-23, $1,469,284 in 2023-24 and $1,587,023 in 2024-25.

All dollar figures presented in this summary are estimates only and are based on the best information available at the time of the analysis. The budget and actual expenditures in any of the four years may be more or less than the expenditures noted above depending on available revenue.

PROPOSICIÓN 444 ANÁLISIS DEL INFORME

Municipalidad de Phoenix, Arizona
Limitación Alternativa de Gastos Controlada Localmente

Los votantes de Phoenix han aprobado previamente limitaciones alternativas de gastos controladas localmente en 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 y 2015. El propósito de esta elección es continuar el uso de la limitación alternativa de gastos controlada localmente.

De conformidad con la Constitución de Arizona, la Municipalidad de Phoenix solicitará la aprobación de los votantes para continuar con la Limitación Alternativa de Gastos Controlada Localmente durante los próximos cuatro años fiscales, comenzando con el 2021-22. Cualquier y toda cifra en dólares presentada en el siguiente resumen es solamente una estimación y se basa en la mejor información disponible en el momento del análisis.

Bajo una limitación alternativa de gastos controlada localmente, de ser aprobada por los votantes, la Municipalidad calcula que se le permitirá desembolsar las siguientes cantidades aproximadas (en miles de dólares): $5,515,059 en 2021-22, $5,338,638 en 2022-23, $5,424,842 en 2023-24, y $5,429,540 en 2024-25.

La cantidad calculada de ingresos disponibles para sufragar los gastos de operación de su gobierno Municipal (en miles de dólares) es de: $5,515,059 en 2021-22, $5,338,638 en 2022-23, $5,424,842 en 2023-24, y $5,429,540 en 2024-25. Ingresos recibidos de fuentes federales, estatales y locales seguirán sufragando la autoridad incrementada de gastos asociada con el Plan de la Limitación Alternativa de Gastos Controlada Localmente. Los gastos no excederán a los ingresos. Los gastos calculados son los mismos bajo la limitación alternativa de gastos controlada localmente y límite Estatal. La recaudación del impuesto sobre la propiedad de la Municipalidad seguirá siendo limitada a la cantidad prescrita por la Constitución del Estado de Arizona.

Con la aprobación de los votantes, la Municipalidad de Phoenix utilizará la autoridad adicional de desembolso bajo este plan para todo propósito presupuestario local, incluyendo justicia penal, seguridad pública, transporte, desarrollo comunitario, enriquecimiento comunitario, servicios medioambientales, mejoras de capital, servicio de deuda y gobierno general. Esta autoridad adicional de desembolso estará en vigencia solamente durante los años fiscales de 2021-22, 2022-23, 2023-24, y 2024-25.

Bajo el límite impuesto por el Estado, después de considerar las exclusiones permitidas bajo la constitución, la Municipalidad calcula que se le permitirá desembolsar las siguientes cantidades aproximadas (en miles de dólares): $4,155,143 en 2021-22, $3,938,476 en 2022-23, $3,955,558 en 2023-24, y $3,842,517 en 2024-25 para la operación de su gobierno local. Si no se aprueba la limitación alternativa de gastos, la limitación de gastos impuesta por el estado aplicará a la Municipalidad de Phoenix. Esto resultaría en una combinación de recortes en servicios y una nueva deuda estimada de (en miles de dólares): $1,359,916 en 2021-22, $1,400,162 en 2022-23, $1,469,284 en 2023-24 y $1,587,023 en 2024-25.

Todas las cifras en dólares presentadas en este resumen son solamente estimaciones y se basan en la mejor información disponible en el momento de preparar este análisis. El presupuesto y los gastos reales en cualquiera de los cuatro años podrían ser mayores o menores a los que se detallan arriba dependiendo de los ingresos disponibles.

ARGUMENTS IN SUPPORT OF PROPOSITION 444

PROPOSITION NUMBER 444 – CONTINUANCE OF THE LOCAL HOME RULE OPTION

Proposition 444 is not a tax increase but allows local residents to continue controlling local spending. Without Proposition 444, local spending would instead be controlled by a State formula restricting spending based on 1979-80 levels adjusted for inflation and population. That formula does not consider implementation costs of local, voter approved programs or regional impacts of services and facilities, such as the airport.

Support for continuing local control of expenditures is based on:

- Our residents will be able to spend already available funds for services such as police, fire, parks, libraries, neighborhood services, transit services, recycling, potable water, and a modern, convenient airport.
- Our recommendation allows voter-approved mandates for services like public safety enhancements, transit improvements, and parks and preserves expansion.
- The City's long-established open budget process with many opportunities for residents to communicate their budget priorities.
- Continuance of the citizen review process and voter approval of an alternate expenditure limit every four years.

Because local limits continue dependable, high-quality services, voters approved them on nine prior occasions: 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 and 2015.

Local control of service delivery and priorities would continue annually through the citywide budget process. Without your "yes" vote, a State spending formula based on 1979-80 expenditures, that considers only population and inflation will cause drastic reductions in your City services. As before, this limit will be in effect for four years, allowing another review in 2024.

After careful consideration, we strongly urge you to vote yes on Proposition 444.

ARGUMENTOS A FAVOR DE LA PROPOSICIÓN 444

PROPOSICIÓN NÚMERO 444 – CONTINUACIÓN DE LA OPCIÓN LOCAL DE REGLA DE CASA

La Proposición 444 no es un aumento en impuestos, sino que permite que los residentes locales continúen controlando los gastos locales. Sin la Proposición 444, los gastos locales serían controlados por una fórmula del Estado que limita los gastos basada en niveles de 1979-80 ajustados por inflación y población. Esa fórmula no toma en consideración costos por implementación de programas locales aprobados por los votantes ni los impactos regionales debido a servicios e instalaciones, como el aeropuerto.

El apoyo a favor de la continuación de los gastos controlados localmente se basa en:

- Nuestros residentes podrán gastar fondos ya disponibles para servicios tales como policía, bomberos, parques, bibliotecas, servicios a vecindarios, servicios de transporte, reciclaje, agua potable y un aeropuerto moderno y conveniente.
- Nuestra recomendación permite mandatos aprobados por los votantes para servicios tales como mejoras a la seguridad pública, mejoras al sistema de transporte y expansión de parques y reservas naturales.
- El proceso de la Municipalidad, establecido de hace mucho tiempo, de un presupuesto abierto con muchas oportunidades para que los residentes comuniquen sus prioridades presupuestarias.
- Continuación del proceso de evaluación por los ciudadanos y aprobación por los votantes para una limitación alternativa de gastos cada cuatro años.

Debido a que los límites locales siguen permitiendo servicios confiables y de alta calidad, los votantes los aprobaron en nueve ocasiones previas en: 1981, 1985, 1991, 1995, 1999, 2003, 2007, 2011 y 2015.

El control local de la entrega de servicios y prioridades continuaría anualmente a través del proceso presupuestario de toda la municipalidad. Sin su voto de "sí", una fórmula del Estado basada en el nivel de gastos de 1979-80, que toma en cuenta solamente a la población y la inflación podría causar reducciones drásticas en sus servicios Municipales. Así como se ha hecho anteriormente, este límite estará en vigencia durante cuatro años, permitiendo otra evaluación en el 2024.

Después de una consideración cuidadosa, le urgimos enérgicamente que vote sí en la Proposición 444.

ARGUMENTS IN SUPPORT OF PROPOSITION 444

Proposition 444 is extremely important to the preservation of existing city programs and services. This measure is referred to as the “Home Rule” option. If passed, it will allow the city to continue to determine its own annual expenditure limitation rather than accept a limit imposed by the state. The state-imposed limit would be based on 1979-1980 spending levels.

If Proposition 444 fails, Phoenix would see a drastic $1.3 billion reduction in all city services, including cuts to essential services such as clean water and trash collection.

Voting yes on Proposition 444 allows the annual expenditure limit to be set at the city's annual adopted budget, and only after public input is received on the proposed spending plan. In other words, it gives the people of Phoenix, through our annual budget process, the ability to determine the annual expenditure limitation.

Phoenix residents have voted for this same option nine times over the past several decades and for good reason. It places the decision in the hands of the Phoenix voters, and provides the city the flexibility it needs to continue to deliver the exceptional services that residents have to come to enjoy and expect. I am grateful to serve our community, and I encourage you to vote yes on Proposition 444!

Submitted By:
KATE GALLEGO
Mayor

I am proud to have been Mayor of Phoenix during a period of incredible growth, and to witness its continued success as the nation's now fifth-largest city. Over the years we have seen a huge expansion of our freeway and bus systems, the advent of light rail, and ambitious expansions in our libraries, airport and convention center. Most of all, we've had tremendous development and positive growth in our downtown area. Phoenix was able to accomplish this not just through visionary leadership, but also by careful stewardship of public resources and an excellent credit/bond rating. This creditworthiness allowed us to borrow money at the very lowest interest rates- money that literally built the Phoenix you see today

Failure to pass Proposition 444 will threaten the progress we have made. Without home rule, our spending must be capped to a state-imposed limit based on 1979-80 spending levels. In practical terms, that means the city would have to cut $1.3 billion from its current budget levels. This would necessarily mean cuts to essential services like trash and water. Worse, in the long-term Phoenix's ability to bond would be seriously impacted. In the face of catastrophic cuts, our bond rating would suffer, making it much more difficult and expensive for Phoenix to raise money for infrastructure and growth. Phoenix cannot remain a world-class city without this ability.

A "yes" vote on Proposition 444 avoids this unpleasant scenario. Home rule will allow the city to budget and grow based on citizen input and needs, as it has been for decades. Leading the city of Phoenix was the honor of a lifetime. I want to protect all that we accomplished together. I hope you will join me in voting "yes" on Proposition 444.

ARGUMENTOS A FAVOR DE LA PROPOSICIÓN 444

La Proposición 444 es muy importante para la conservación de programas y servicios existentes de la municipalidad. Se refiere a esta medida como la opción "Regla de Casa". De ser aprobada, permitirá que la municipalidad siga determinando su propia limitación anual de gastos en vez de aceptar el límite impuesto por el estado. El límite impuesto por el estado estaría basado en niveles de gastos de 1979-1980.

Si falla la Proposición 444, Phoenix verá una reducción drástica de $1.3 mil millones en todos los servicios municipales, incluyendo cortes de servicios esenciales como agua limpia y colección de basura.

Votar sí por la Proposición 444 permite que se establezca que el límite anual de gastos sea igual al presupuesto anual adoptado por la municipalidad y solamente tras recibir la opinión pública sobre el plan propuesto de gastos. Dicho de otra manera, le da a la gente de Phoenix, por medio de nuestro proceso presupuestario anual, la habilidad de determinar la limitación anual de gastos.

Los residentes de Phoenix han votado en aprobación de esta misma opción nueve veces durante las últimas décadas y con buena razón. Pone la decisión en las manos de los votantes de Phoenix y le da a la municipalidad la flexibilidad que necesita para seguir proveyendo los servicios excepcionales que los residentes han llegado a disfrutar y esperar. ¡Estoy agradecida de poder servir a nuestra comunidad y los animo a votar sí por la Proposición 444!

Presentado Por:
KATE GALLEGO
Alcaldesa

Me siento orgulloso de haber sido Alcalde de Phoenix durante una temporada de increíble crecimiento y de ser testigo de su continuo éxito como la quinta municipalidad más grande de la nación. A lo largo de los años, hemos visto tremenda expansión de nuestras autopistas y sistema de autobuses, la llegada del tren ligero, y expansiones ambiciosas en nuestras bibliotecas, aeropuerto y centro de convención. Más que todo, hemos tenido un tremendo desarrollo y crecimiento positivo en nuestra área del centro de la ciudad. Phoenix pudo lograr esto no solo con el liderazgo visionario, sino también por medio de administración cuidadosa de los recursos públicos y una excelente tasa de créditos y bonos. Esta capacidad de crédito nos permitió pedir prestado dinero con las tasas de interés más bajas– dinero que literalmente edificó Phoenix como lo ven ahora

No aprobar la Proposición 444 amenazaría el progreso que hemos logrado. Sin la regla de casa, nuestros gastos se verán limitados por el límite estatal basado en los niveles de gastos de 1979-80. En términos prácticos, esto significa que la municipalidad tendría que recortar $1.3 mil millones de los niveles del presupuesto actual. Esto significaría necesariamente recortes a servicios esenciales como la basura y el agua. Peor aún, a largo plazo, la habilidad de Phoenix de emitir bonos sería seriamente impactada. Ante recortes catastróficos, nuestra calificación de bonos sufriría, haciéndolo aún más difícil y caro para Phoenix poder recaudar dinero para la infraestructura y el crecimiento. Sin esta habilidad, Phoenix no podría seguir siendo una ciudad de clase mundial.

Votar "sí" por la Proposición 444 evita este escenario desagradable. La regla de casa permitirá a la municipalidad establecer el presupuesto y crecer en base de las aportaciones y las necesidades de sus ciudadanos, así como lo ha sido durante décadas. Liderar la municipalidad de Phoenix ha sido un honor de toda una vida. Quiero proteger todo lo que logramos juntos. Espero que, junto a mí, voten "sí" a la Proposición 444.

ARGUMENTS IN SUPPORT OF PROPOSITION 444

As a former Phoenix City Council Member and lifelong Phoenician, the continued well-being of our city and its residents is important to me. That's why I agreed to chair the campaign for Proposition 444 and why I urge residents to vote YES on this important ballot measure at our upcoming election. Proposition 444 will allow "Home Rule" to continue in Phoenix. What is Home Rule? Home Rule allows Phoenix residents, not outsiders, to decide for ourselves what our budget priorities are, and how much our city services should grow and change. Our process has successfully operated this way for decades.

If Proposition 444 fails, an antiquated, restrictive state formula will go into effect, rolling back Phoenix's budget to 1979-80 spending levels, adjusted only for inflation and population, forcing Phoenix to make drastic budget reductions totaling $1.3 billion. That rigid formula does not take into account new needs or regional facilities like our airport, or other voter approved programs.

I'm proud of our budget process in Phoenix, where residents have real input and impact on budget decisions. A YES vote preserves our ability to maintain our priorities and protects our systems and services. As a first responder, I know that now, more than ever, our residents rely on us maintaining at least their current level of services. The COVID-19 pandemic is straining our families and communities. Now is not the time for drastic action that will further negatively impact hundreds of thousands of individuals, families, and businesses.

I strongly urge Phoenix voters to preserve the quality of life we have painstakingly created over the decades and vote YES on Proposition 444.

Submitted By:
DANIEL VALENZUELA
Campaign Chair, Yes on 444
Former Phoenix City Councilmember

Proposition 444 will allow Phoenix citizens to control local spending as they have been doing for nearly 4 decades. If Proposition 444 does not pass, the city budget will be controlled by an outdated, restrictive state formula based on 1979-80 spending levels and obligations. That rigid formula, which only accounts for population and inflation, does not take into account voter approved programs or growth in regional facilities such as our airport. Our current system has worked well for Phoenix, and the voters agree: they have approved "home rule" on spending limits since 1981.

Without a "yes" vote, Phoenix will be forced to make drastic budget reductions to comply with the underlying state formula, to the tune of $1.3 billion. A "yes" vote allows Phoenix to continue its nationally recognized open budget process, in which residents have many opportunities to communicate their budget priorities.

Women and all citizens depend on Phoenix. For example, our family advocacy center provides safety and healing, our recreation programs give respite to families, and streamlined licensing and zoning capabilities help us run our businesses. These city services are already under tremendous pressure in the current public health crisis. Now is not the time to make a dangerous shift in policy which would tie the city's hands and prevent it from maintaining the current system and human infrastructure that Phoenix families depend on.

I strongly urge a "yes" vote on Proposition 444 for Phoenix women, and all Phoenicians.

ARGUMENTOS A FAVOR DE LA PROPOSICIÓN 444

Como pasado Miembro del Concejo Municipal de Phoenix y un Fenicio de toda la vida, el bienestar continuo de nuestra municipalidad y sus residentes es importante para mí. Por eso estuve de acuerdo en servir como presidente de campaña para la Proposición 444 y la razón por la cual urjo a los residentes a votar SÍ en esta importante medida en la boleta en nuestra próxima elección. La Proposición 444 permitirá que continúe la "Regla de Casa" en Phoenix. ¿Qué es la Regla de Casa? La Regla de Casa permite que los residentes de Phoenix, en vez de personas de afuera, decidamos por nosotros mismos cuales son nuestras prioridades para el presupuesto y cuanto deben crecer y cambiar nuestros servicios municipales. Nuestro proceso ha funcionado con éxito de esta manera durante décadas.

Si falla la Proposición 444, una fórmula del estado anticuada y restrictiva entrará en vigencia, retrocediendo el presupuesto de Phoenix a los niveles de gasto de 1979-80, ajustado únicamente para la inflación y la población, obligando a Phoenix a hacer reducciones drásticas al presupuesto a nivel de unos $1.3 mil millones. Esta fórmula rígida no toma en cuenta las nuevas necesidades ni las instalaciones regionales como nuestro aeropuerto y otros programas aprobados por votantes.

Me siento orgulloso de nuestro proceso presupuestario en Phoenix, donde los residentes de verdad contribuyen y tienen un impacto en las decisiones sobre el presupuesto. Un voto de SÍ conserva nuestra habilidad de mantener nuestras prioridades y protege nuestros sistemas y servicios. Como un primer respondedor de servicios de auxilios, sé que ahora, más que nunca, nuestros residentes dependen de que sigamos manteniendo por lo menos sus niveles de servicios actuales. La pandemia COVID-19 está estresando a nuestras familias y comunidades. Ahora no es el momento de tomar acción drástica que impactará más de manera negativa a cientos de miles de individuos, familias y negocios.

Enérgicamente urjo a los votantes de Phoenix a conservar la calidad de vida que hemos creado minuciosamente a través de las décadas y voten SÍ por la Proposición 444.

Presentado Por:
DANIEL VALENZUELA
Presidente de la Campaña, Sí en 444
Pasado Miembro del Concejo Municipal de Phoenix

La Proposición 444 permitirá que los ciudadanos de Phoenix tengan el control local sobre los gastos, así como lo han estado haciendo durante casi 4 décadas. Si no se aprueba la Proposición 444, el presupuesto municipal será controlado por una anticuada fórmula estatal restrictiva basada en los niveles de gastos y obligaciones de 1979-80. Esta fórmula rígida, que toma en cuenta solamente la población y la inflación, no toma en cuenta los programas aprobados por votantes ni el crecimiento en instalaciones regionales como nuestro aeropuerto. Nuestro sistema actual ha funcionado bien para Phoenix y los votantes están de acuerdo: ellos han aprobado la "regla de casa" para límites de gastos desde 1981.

Sin un voto de "sí", Phoenix se verá obligado a hacer reducciones drásticas al presupuesto de unos $1.3 mil millones para cumplir con la fórmula estatal subyacente. Un voto de "sí" permite que Phoenix continúe con su proceso de presupuesto abierto reconocido a nivel nacional, en el cual los residentes tienen muchas oportunidades de expresar sus prioridades para el presupuesto.

Las mujeres y todos los ciudadanos dependemos de Phoenix. Por ejemplo, nuestro centro de defensa de la familia provee seguridad y recuperación, nuestros programas de recreación dan a las familias alivio, y las capacidades optimizadas de licencias y zonificación ayudan a nuestras empresas a funcionar. Estos servicios municipales ya están bajo tremenda presión en la actual crisis de salud pública. Ahora no es el momento de hacer una peligrosa modificación a nuestras normas que podría atarle las manos a la municipalidad y detenerla de mantener el actual sistema e infraestructura humana de las cuales dependen las familias de Phoenix.

Enérgicamente urjo un voto de "sí" por la Proposición 444 para las mujeres de Phoenix, y todos los Fenicios.

ARGUMENTS IN SUPPORT OF PROPOSITION 444

The "home rule" is one of the most important, but not much talked about, tools Phoenix has to keep our city and community strong. I hope you'll join me and vote **YES** on Proposition 444.

Simply put, the home rule allows Phoenix to keep its budget system in place – and it must be approved by voters every four years. With the tool, we have been able to make critical investments that make Phoenix a great place to live: our city parks, libraries, senior centers, essential water infrastructure, and excellent public safety departments.

A no vote on Proposition 444 threatens our ability to make investments in our future. Without a voter-approved home rule, state law would require Phoenix to abide by spending limits set all the way back in 1979 – forcing cuts to city services of at least $1.3 billion. And it would put our economy at greater risk by choking critical investments in Sky Harbor International Airport, our streets and roadways as well as our water infrastructure.

We are on the right track in Phoenix – and together, building a stronger tomorrow. Let's keep it going by passing Proposition 444.

Submitted By:
GREG STANTON
Congressman
Former Phoenix Mayor

McCarthy Building Companies, Inc. is helping to build Phoenix. From hospitals to neighborhood schools, and from the city's own water treatment plant to the famous Sky Train, we do business in the city and for the city. Businesses and their employees need local governments that provide a stable regulatory environment and the community amenities that make our city a great place to live and work for our employees. We urge a "yes" vote on Proposition 444, so that our investments remain worthwhile and our families stay happy and thriving.

A "no" vote on 444 would be a serious mistake. Phoenix must maintain its "Home Rule" so that budget determinations are made with input from the citizens and companies who will live with the consequences of those decisions. "Home Rule" allows Phoenix to set its own expenditure levels- and voters have repeatedly approved this policy since 1981. A "no" vote will send us back to 1979. The city will have to cut programs and personnel to those budget levels with only small adjustments for inflation and population. There will be no funding available for voter approved initiatives or regional projects. Worse, the City's bond rating will take a hit as a result of these cuts, making it harder to raise money outside the tax system.

Less money for Phoenix means far fewer services for citizens and little if any opportunity for the private sector to participate in large infrastructure projects like our Convention Center and Phoenix Sky Harbor. It has been our privilege to contribute to the growth of Phoenix. We urge a "yes" vote on Proposition 444 so that growth can continue.

ARGUMENTOS A FAVOR DE LA PROPOSICIÓN 444

La "regla de casa" es una de las herramientas de Phoenix más importantes, pero acerca de la cual poco se habla, que mantiene a nuestra municipalidad y comunidad fuerte. Espero que se unan a mí y voten **SÍ** por la Proposición 444.

Dicho sencillamente, la regla de casa permite que Phoenix mantenga su sistema de presupuesto en vigencia – y deberá ser aprobada por los votantes cada cuatro años. Con esta herramienta, hemos podido hacer inversiones críticas que hacen de Phoenix un lugar fantástico donde vivir: nuestros parques municipales, bibliotecas, centros de personas mayores, infraestructura esencial del agua y los excelentes departamentos de seguridad pública.

Un voto de no a la Proposición 444 amenaza nuestra habilidad de invertir en nuestro futuro. Sin el control de la regla de casa aprobada por los votantes, la ley estatal exigiría que Phoenix cumpliera con los límites de gastos establecidos en 1979 – obligando recortes en los servicios municipales de por lo menos $1.3 mil millones. Y pondría en riesgo nuestra economía por medio de sofocar inversiones críticas en el Aeropuerto Internacional Sky Harbor, nuestras calles y caminos y también nuestra infraestructura del agua.

Estamos en el camino correcto en Phoenix – y juntos, edificando un mañana más fuerte. Sigamos adelante aprobando la Proposición 444.

Presentado Por:
GREG STANTON
Congresista
Pasado Alcalde de Phoenix

McCarthy Empresas Constructoras, Inc. está ayudando a edificar Phoenix. Desde hospitales hasta escuelas vecinales, y desde la planta de tratamiento de agua propia de Phoenix hasta el famoso Tren del Cielo, nosotros trabajamos en la municipalidad y para la municipalidad. Las empresas y sus empleados necesitan gobiernos locales que proveen un entorno regulatorio estable y comodidades para la comunidad que hacen de nuestra municipalidad un buen lugar donde vivir y trabajar para nuestros empleados. Les urgimos que voten "sí" por la Proposición 444, para que nuestras inversiones continúen valiendo la pena y para que nuestras familias sigan felices y prósperas.

Un voto de "no" por 444 sería un grave error. Phoenix tiene que mantener su "Regla de Casa" para que las determinaciones presupuestarias se hagan tomando en cuenta la opinión de los ciudadanos y compañías que viven con las consecuencias de tales decisiones. "Regla de Casa" permite que Phoenix establezca sus propios niveles de gastos– y los votantes han aprobado esta regla repetidamente desde 1981. Un voto de "no" nos retrocedería hasta 1979. La municipalidad tendría que recortar programas y trabajadores a esos niveles presupuestarios con solo pequeños ajustes por la inflación y la población. No habrá fondos disponibles para iniciativas o proyectos regionales aprobados por los votantes. Peor aún, la clasificación de los bonos de la municipalidad recibiría un golpe como resultado de los recortes, haciéndolo más difícil recaudar dinero fuera del sistema de impuestos.

Menos dinero para Phoenix significa menos servicios para los ciudadanos y poca si acaso alguna, oportunidad para que el sector privado participe en los proyectos grandes de infraestructura como el Centro de Convenciones y Sky Harbor de Phoenix. Ha sido nuestro privilegio poder contribuir al crecimiento en Phoenix. Les urgimos que voten "sí" por la Proposición 444 para que ese crecimiento continúe.

Presentado Por:
JUSTIN KELTON

ARGUMENTS IN SUPPORT OF PROPOSITION 444

As a Phoenix business owner, I depend on reliable, predictable city services. As a resident and volunteer, I want to live in a city that dreams big, but also takes care of its most vulnerable. In Phoenix we have all of this. By voting "yes" on Proposition 444 we can preserve it.

Failure to renew "Home Rule" will threaten our ability to maintain services and make big dreams like our downtown redevelopment impossible to achieve. "Home Rule" refers to Phoenix's ability to set its own expenditure levels-something voters approve here election after election, since 1981. Without it, underlying state law takes effect, and Phoenix's expenditures will be limited to the level they were in 1979. Although there is an adjustment for inflation and population, there is no allowance for voter approved projects or expansions in regional assets like our airport or convention center.

Phoenix has a unique and respected budget process in which everyday citizens have as much opportunity to shape decisions as commercial interests. This has spurred growth in our library and parks systems, for example. It has also assured that our municipal budget adjusts to accommodate our changing citizenry. Without a "yes" vote, not only will there be no resources to devote to emergent needs or bold new initiatives, there will be an immediate, catastrophic impact in the form of $1.3 billion in budget cuts.

I think most agree that now, in the middle of a public health crisis, is not the time to make drastic cuts to critical programs and tie our hands for the next four years. I hope you will join me in voting "yes" on Proposition 444 to maintain the Phoenix we love, and care for its citizens.

ARGUMENTOS A FAVOR DE LA PROPOSICIÓN 444

Como dueño de empresa en Phoenix, dependo de servicios municipales que sean confiables y predecibles. Como residente y voluntario, quiero vivir en una municipalidad que sueña a lo grande, pero que también cuida de los más vulnerables. En Phoenix tenemos todo esto. Por medio de votar "sí" a la Proposición 444 podemos conservar esto.

No renovar la "Regla de Casa" amenazaría nuestra habilidad de mantener servicios y haría el cumplir nuestros grandes sueños, como el de volver a desarrollar el centro de la cuidad imposible de realizar. La "Regla de Casa" se refiere a la habilidad de Phoenix de establecer sus propios niveles de gastos– algo que los votantes han aprobado aquí en elección tras elección, desde 1981. Sin ello, entra en vigencia la ley estatal subyacente y los gastos de Phoenix se verían limitados al nivel que tenían en vigencia en 1979. Aunque hay un ajuste para la inflación y la población, no hay una concesión para los proyectos aprobados por los votantes ni expansiones en recursos regionales como nuestro aeropuerto o centro de convenciones.

Phoenix cuenta con un proceso de presupuesto único y respetado en el cual los ciudadanos comunes tienen tanta oportunidad de dar forma a las decisiones como los intereses comerciales. Por ejemplo, esto ha fomentado el crecimiento en nuestras bibliotecas y sistemas de parques. También ha garantizado que nuestro presupuesto municipal se ajuste para tomar en cuenta nuestra cambiante ciudadanía. Sin un voto de "sí", no solo habrá falta de recursos para asignar a necesidades emergentes o nuevas y audaces iniciativas, sino que también habrá un impacto inmediato y catastrófico en la forma de recortes al presupuesto a nivel de unos $1.3 mil millones.

Creo que la mayoría está de acuerdo ahora, en medio de una crisis de salud pública, que este no es el momento para hacer cortes drásticos a programas esenciales y de atar nuestras manos por los próximos cuatro años. Espero que se unan a mí y voten "sí" a la Proposición 444 para mantener el Phoenix que amamos, y cuidar de sus ciudadanos.

IMPORTANT NOTICE REGARDING IN-PERSON VOTING LOCATIONS

Because Maricopa County will be conducting the election, in-person voting locations will be designated by the county. Please see important information regarding in-person voting on page 9 of this pamphlet.

For in-person voting location information, visit BeBallotReady.Vote or call 602-506-1511.

AVISO IMPORTANTE SOBRE SITIOS DE VOTACIÓN EN PERSONA

Debido a que el Condado de Maricopa estará llevando a cabo la elección, los sitios de votación en persona serán designados por el condado. Favor de consultar información importante sobre la votación en persona en la página 10 de este folleto.

Para información sobre sitios de votación en persona, visite TengaBoletaLista.Voto o llame al 602-506-1511.

OFFICIAL VOTING MATERIAL

Only one publicity pamphlet has been mailed to each household in which a registered voter resides. Please make the pamphlet available to all registered voters in the household. A pamphlet was mailed unless all voters in the household requested to obtain the pamphlet electronically.

MATERIAL OFICIAL DE VOTACIÓN

Se ha enviado solamente un folleto publicitario a cada domicilio donde reside un votante inscrito. Por favor haga el folleto disponible a todos los votantes inscritos que residen en el domicilio. Se envió un folleto por correo a menos que todos los votantes en el domicilio hubieran solicitado obtener el folleto electrónicamente.

CERTIFICATE OF ELECTION

The City Council of the City of Phoenix, Arizona, does hereby certify that a Mayor and Council Election was held in the City of Phoenix on Tuesday, November 3, 2020, for the election of Mayor and Council Members for Districts 1, 3, 5 and 7 for four-year terms that begin on April 19, 2021; and for the purpose of referring Proposition 444 to the qualified electors for their approval or rejection.

We further certify that the above referenced Mayor and Council races and proposition appeared on the ballot in the General Election conducted by Maricopa County and that the County provided the unofficial election results for the Mayor and Council races and proposition to the City, and that the whole number of votes cast were as follows:

The City Council therefore finds and hereby certifies and declares that said results of the Mayor and Council Election show that the qualified electors of the City of Phoenix adopted Proposition 444.

The City Council therefore finds and hereby certifies and declares that the following named persons, having received a majority of the votes cast in said Mayor and Council Election, are elected to the office of Mayor and Council Member in Districts 1 and 5 for four-year terms beginning on April 19, 2021.

MAYOR

Kate Gallego

DISTRICT 1 COUNCIL MEMBER

Ann O'Brien

DISTRICT 5 COUNCIL MEMBER

Betty Guardado

The City Council therefore finds and hereby certifies and declares that none of the candidates in the Mayor and Council Election for Council Member in Districts 3 and 7 received a majority of the votes cast, and therefore, a Runoff Election of the following candidates will be held on March 9, 2021:

DISTRICT 3 COUNCIL MEMBER

Nicole Garcia
Debra Stark

DISTRICT 7 COUNCIL MEMBER

Yassamin Ansari
Cinthia Estela

IN WITNESS WHEREOF, the Council of the City of Phoenix hereby declares the attached results to be the official results of said Mayor and Council Election, this 2nd day of December, 2020.

Kate Gallego
Mayor

City Clerk
SEAL
