Subject: ITEM NO. 3 (Z-104-L-75-3) – SOUTHEAST CORNER OF INTERSTATE 17 AND GRANDVIEW ROAD

Rezoning Case No. Z-104-L-75-3 is a request to rezone 15.16 acres located at the southeast corner of Interstate 17 and Grandview Road from C-2 PCD (Intermediate Commercial, Planned Community District) to CP/BP PCD (Commerce Park District, Business Park Option, Planned Community District) for a Major Amendment to the Northgate PCD to allow office and warehousing.

The purpose of this memo is to provide clarity regarding the Deer Vally Village Planning Committee (VPC) recommendation. On May 4, 2026, the VPC heard this item and recommended approval, per staff recommendation, with a modification and direction, by a vote of 13-0. The VPC recommended a modification to Stipulation No. 12 regarding the length of time for participation in the City of Phoenix Water Efficiency Program, and directions for staff to provide clarity on Stipulations Nos. 2 and 9.

Regarding Stipulation No. 12, the committee expressed concerns over the 10-year time limit and suggested that participation in the program be perpetual in nature; however, Stipulation No. 12 contains standard language, including the 10-year time frame, which was agreed upon by both the Water Services Department and the Planning and Development Department, as it would best capture the intent of the program without being burdensome to the property owner.

Regarding Stipulation No. 2, the VPC expressed concerns whether the stipulation was intended to address areas within the adjacent right-of-way. The stipulation references landscape setbacks, which are taken from the property line; therefore, staff recommends no changes to Stipulation No. 2

Regarding Stipulation No. 9, the VPC expressed concerns that the language of the stipulation was unclear, which was echoed by the applicant. Staff has worked with the applicant and the Street Transportation Department to provide clarity, which is expressed in **BOLD** font below.

Staff recommends approval, per the modified stipulations in CAPITAL/**BOLD** font below:
