The Police Department recommends disapproval of this liquor license application for the following reason:

The applicant, Mr. Jesus Beltran Medina, failed to submit the required City forms and information required to make an informed recommendation. These are necessary to conduct a complete Police Department review of the application. Multiple attempts were made by both City licensing and the Police department to contact Mr. Beltran Medina.

Due to Mr. Beltran Medina's failure to provide the required City forms and information, the Police Department was unable to conduct a thorough review of the application. Therefore, the Police Department is recommending disapproval of this liquor license application because he has not shown that he is capable, qualified or responsible to hold a liquor license in the City of Phoenix.
