ADOPTED ORDINANCE**

ORDINANCE G-

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP ADOPTED PURSUANT TO SECTION 601 OF THE CITY OF PHOENIX ZONING ORDINANCE BY CHANGING THE ZONING DISTRICT CLASSIFICATION FOR THE PARCEL DESCRIBED HEREIN (CASE Z-26-24-6) FROM C-2 (INTERMEDIATE COMMERCIAL) AND P-1 (PASSENGER AUTOMOBILE PARKING, LIMITED) TO C-2 (INTERMEDIATE COMMERCIAL).

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF PHOENIX, as follows:

SECTION 1. The zoning of a 0.35-acre property located approximately 210 feet west of the southwest corner of 10th Street and Pasadena Avenue in a portion of Section 16, Township 2 North, Range 3 East, as described more specifically in Exhibit "A," is hereby changed from 0.03-acres of "C-2" (Intermediate Commercial) and 0.32-acres of "P-1" (Passenger Automobile Parking, Limited) to "C-2" (Intermediate Commercial).

SECTION 2. The Planning and Development Director is instructed to modify the Zoning Map of the City of Phoenix to reflect this use district classification change as shown in Exhibit "B."

SECTION 3. Due to the site's specific physical conditions and the use district applied for by the applicant, this rezoning is subject to the following stipulations, violation of which shall be treated in the same manner as a violation of the City of Phoenix Zoning Ordinance:

1. The required landscape setback adjacent to the east property line shall be planted with minimum 2-inch caliper trees planted 20 feet on center, or in equivalent groupings, as approved by the Planning and Development Department.
2. Replace unused driveways with sidewalk, curb, and gutter. Also, replace any broken or out-of-grade curb, gutter, sidewalk, and curb ramps on all streets and upgrade all off-site improvements to be in compliance with current ADA guidelines.
3. All streets within and adjacent to the development shall be constructed with paving, curb, gutter and sidewalk, curb ramps, streetlights, median islands, landscaping and other incidentals, as per plans approved by the Planning and Development Department. All improvements shall comply with all ADA accessibility standards.
4. Where pedestrian walkways cross a vehicular path, the pathway shall be constructed of decorative pavers, stamped or colored concrete, or other pavement treatments that visually contrasts parking and drive aisle surfaces, as approved by the Planning and Development Department.
5. Only landscape materials listed in the Phoenix Active Management Area Low-Water-Use/Drought-Tolerant Plant List shall be utilized, as approved or modified by the Planning and Development Department.
6. Landscaping shall be maintained by permanent and automatic/water efficient WaterSense labeled irrigation controllers (or similar smart controller) to minimize maintenance and irrigation water consumption for all on and offsite landscape irrigation.
7. A minimum of two green infrastructure (GI) techniques for stormwater management shall be implemented per the Greater Phoenix Metro Green Infrastructure and Low-Impact Development Details for Alternative Stormwater Management, as approved or modified by the Planning and Development Department.
8. In the event archeological materials are encountered during construction, the developer shall immediately cease all ground-disturbing activities within a 33-

foot radius of the discovery, notify the City Archeologist, and allow time for the Archeology Office to properly assess the materials.

9. Prior to final site plan approval, the landowner shall execute Proposition 207 waiver of claims form. The waiver shall be recorded with the Maricopa County Recorder's Office and delivered to the City to be included in the rezoning application file for record.

SECTION 4. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions hereof.

PASSED by the Council of the City of Phoenix this 1st day of July, 2024.
