Subject: REQUEST TO ADD AN ITEM: Authorization for Issuance of Excise Tax Funded Obligations to Acquire and Improve Phoenix Fire Department Facilities and Equipment) ITEM 76

This memo requests to add an item to the July 1, 2020 Formal Agenda. The item to issue bonds was previously authorized by the City Council on April 15, 2020 for funding the Fire Computer Aided Dispatch (CAD) Upgrade Project and acquiring and improving Phoenix Fire Department facilities and equipment including a Records Management System (RMS). However, due to a technical error related to the official record, staff is requesting City Council adopt the ordinance to ensure compliance with rules and regulations related to issuing debt.
