 - i. Page 61, Section 7 City Administered Design Guidelines, Design Guidelines applicable to Multifamily uses north of Montebello Avenue: After the last bullet, add the building rendering exhibits date stamped August 4, 2022.
2. The developer shall construct two bus stop pads along southbound 99th Avenue: one south of Montebello Avenue and the other near the northern entrance of the multifamily development along 99th Avenue. The bus stop pads shall be constructed according to City of Phoenix Standard Detail P1260 with a minimum depth of 10 feet and shall be spaced from each intersection according to City of Phoenix Standard Detail P1258.
 3. The developer shall construct all streets within and adjacent to the development with paving, curb, gutter, sidewalk, curb ramps, streetlights, median islands, landscaping and other incidentals, as per plans approved by the Planning and Development Department. All improvements shall comply with all ADA accessibility standards.
 4. Any cross-access agreements shall include a pedestrian pathway, as approved by the Planning and Development Department.
 5. A traffic impact study shall be reviewed and approved by the Street Transportation Department prior to preliminary site plan approval. The applicant shall be responsible for any dedications and required improvements as recommended by the approved study, as approved by the Planning and Development Department.

6. The property owner shall record documents that disclose the existence, and operational characteristics of the Glendale Municipal Airport to future owners or tenants of the property. The form and content of such documents shall be according to the templates and instructions provided which have been reviewed and approved by the City Attorney.
7. For Multifamily Development
Prior to issuance of a final certificate of occupancy, the developer must install a sign (approximately 8 inches by 11 inches in size) within the development's sales/leasing office that is visible to prospective renters or purchasers which discloses the proximity of the Glendale Municipal Airport and increased frequency of overflight and related aircraft noise, as approved by the Planning and Development Department.
8. The developer shall provide a No Hazard Determination for the proposed development from the FAA pursuant to the FAA's Form-7460 obstruction analysis review process, prior to construction permit approval, as per plans approved by the Planning and Development Department.
9. The developer shall grant and record an aviation easement to the City of Glendale for the site, per the content and form prescribed by the City Attorney prior to final site plan approval.
10. In the event archaeological materials are encountered during construction, the developer shall immediately cease all ground-disturbing activities within a 33-foot radius of the discovery, notify the City Archaeologist, and allow time for the Archaeology Office to properly assess the materials.
11. Prior to preliminary site plan approval, the landowner shall execute a Proposition 207 waiver of claims form. The waiver shall be recorded with the Maricopa County Recorder's Office and delivered to the City to be included in the rezoning application file for record.

PCD Stipulations

12. The development master plan shall be updated to reflect that the maximum total number of residential units within the DC Ranch (East) PCD shall not exceed 2,407 units.
13. The DC Ranch PCD master plans for the PCD shall be updated to reflect approval of this amendment if applicable, as approved by the Planning and Development Department.
14. A Master Street Plan showing all public arterial and collector streets shall be submitted to the Street Transportation and Planning and Development Departments for review and approval.
