RE: Z-90-18-1; NWC of 43<sup>rd</sup> Avenue and Circle Mountain Road;  
Request for Continuance of City Council Hearing from 7/3/19 to 9/4/19

Dear Mr. Stephenson:

On behalf of property owner Desert Hills 160, LLC, we request the City Council's hearing of Z-90-18-1 be continued from July 3, 2019 to September 4, 2019. We request the continuance so we can continue working on outstanding issues prior to the City Council's hearing.

We ask that Z-90-18-1 be identified on the July 3, 2019 Agenda as a Continuance Item.

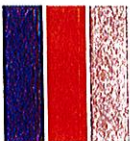

Linda Cheney of Desert Hills 160 will send a letter to 600' neighboring property owners and other interested parties (for whom she has addresses) letting them know of this request for continuance.

Thank you.

Very truly yours,  
BURCH & CRACCHIOLO, P.A.
