Re: Case Number Z-150-25 / 3650 N. 59th Place

Dear City Council,

I am a resident in the neighborhood, and I am **in support** of the request to rezone the property at 3650 N. 59th Place from RE-43 SP and R1-10 to R1-10.

As a nearby resident, I care about the projects happening in my neighborhood and community. This homeowner is asking to build a single-family home on a single-family lot where a single-family home used to be. It will allow a vacant lot to be improved with a family home and will permit the same zoning on the lot that exists on the other single-family lots in the neighborhood.

Thank you for reviewing my letter of support. Again, I am in support of this proposal for a single family home, and I am optimistic that you will approve the rezoning.

Sincerely,

Amy Cotton Peterson
