Dear Kevin

I am writing to respectfully request that the City of Phoenix Historic Preservation Office pause my current application, Z-2-26-6, regarding the HP Zoning for 6811 North Central Avenue.

Due to a combination of unforeseen family, health, financial, and legal matters that have recently arisen, my wife and I must stop this process immediately. We sincerely appreciate the work that has been put into this application thus far, but we need to step back to address these personal challenges before moving forward.

Could you please let us know if it will be possible to resume this process and return to the City Council meeting for the final step once we are in a position to proceed?

Thank you for your understanding and for your professional guidance throughout this process.

Best,
Rishi & Bansi Popat
