RE: Request for Formation of Irrigation Water Delivery District

Dear Mr. Casey

We as a neighborhood "Bartlett Heard Ranch" are requesting consent to form an Irrigation Water Delivery District (IWDD) from the City of Phoenix. The purpose of the IWDD is the fair use and upkeep of the irrigation system by property tax assignment for our homeowners. We ask that the City Council would pass this request of resolution, authorizing this IWDD.

Enclosed you will find Salt River Projects approval along with maps of the proposed district and the homeowner list. I will be the spokesperson for the proposed IWDD. Once we receive approval from the City of Phoenix we will be submitting an Impact Statement to form an IWDD to Maricopa County Board of Supervisors.

Sincerely,

Tanis Earle
