SECTION 2. The Planning and Development Director is instructed to modify the Zoning Map of the City of Phoenix to reflect this use district classification change as shown in Exhibit “B”.

SECTION 3. Due to the site’s specific physical conditions and the use district applied for by the applicant, this rezoning is subject to the following stipulations, violation of which shall be treated in the same manner as a violation of the City of Phoenix Zoning Ordinance:

1. An updated Development Narrative for the Broadway and Central PUD reflecting the changes approved through this request shall be submitted to the Planning Department within 14 days of City Council approval of this request. The updated Development Narrative shall be consistent with Development Narrative date stamped April 24, 2020 as modified by the following stipulations.

 3. The developer shall dedicate 25 feet of right-of-way for the south half of Pueblo Avenue, as approved by the Planning and Development Department.

7. The developer shall provide enhanced internal pedestrian circulation with a primary access point at the intersection of 6th Avenue and Broadway Road. The access point shall be enhanced with a minimum 700 square foot landscaped area planted with drought-tolerant plant materials providing seasonal interest and 75 percent live cover and a bollard light path or lighted art element visible from the perimeter of the site. The above shall be approved by the Planning and Development Department
8. The developer shall construct all streets within and adjacent to the development with paving, curb, gutter, sidewalk, curb ramps, streetlights, median islands, landscaping and other incidentals, as per plans approved by the Planning and Development Department. All improvements shall comply with all ADA accessibility standards.
