Subject: REQUEST FOR RECONSIDERATION – ITEM 23 ON THE DEC. 14, 2016
FORMAL MEETING

Attached is a copy of a memo from Councilwoman Pastor and Councilman Nowakowski filed with the City Clerk Department on December 23 requesting reconsideration of a portion of Item 23 from the Dec. 14, 2016 Formal City Council Meeting agenda, specifically the motion relating to Ballard Spahr, LLP. Item 23 pertained to Ordinance S-43076, amendment to state representation contracts. Specifically, Agreement No. 135082, with Ballard Spahr, LLP, was for state legislative representation and consulting services for the issue areas of criminal justice and public safety.

The vote of the City Council on Item 23 was 3-6, with Councilmembers DiCiccio, Nowakowski, Pastor, Stark, Waring, and Vice Mayor Gallego dissenting. Therefore, the motion relating to Ballard Spahr, LLP failed to pass because it did not receive sufficient affirmative votes.

Pursuant to the Rules of Council Proceedings, this reconsideration request will be placed on the next available Formal City Council Meeting agenda following its submission, which is the Jan. 11, 2017 Formal Meeting.
