## ARTICLE XII. PENALTY AND SCHEDULES

### 36-158 Schedule I—Local speed limits.

It is hereby determined upon the basis of an engineering and traffic investigation that the speed limit permitted by state law on the following streets or intersections is greater or less than is reasonable under existing conditions, and it is hereby declared that the maximum speed limits shall be as hereinafter set forth on those streets, parts of streets or intersections herein designated at the times specified when signs are erected giving notice thereof.

The City Traffic Engineer may declare a maximum speed limit that is determined pursuant to this section to be effective at all times or at such times as indicated on the speed limit signs. The City Traffic Engineer may establish lower speed limits for different times of day, different types of vehicles, varying weather conditions, special events, work zones for construction, maintenance or other activity in the roadway and other factors bearing on safe speeds. The lower limits are effective when posted on appropriate fixed, variable or portable signs.
