Applicant's Statement

The applicant submitted the following statement in support of this application. Spelling, grammar and punctuation in the statement are shown exactly as written by the applicant on the City Questionnaire.

I have the capability, reliability and qualifications to hold a liquor license because:
"I have been representing liquor licensed establishments in Arizona for over 15 years."

The public convenience requires and the best interest of the community will be substantially served by the issuance of the liquor license because:
"Tourism plays an important role in our local economy and liquor licensed establishments (the sale of alcohol) is a very important aspect of tourism. Therefore, if the City of Phoenix continues to lead the State of Arizona by approving quality and diverse businesses (restaurants, bars, microbreweries, distilleries, hotels, resorts, golf

courses, special events, convenience/liquor/grocery stores & gas stations) similar to this proposed liquor licensed business, all businesses will prosper.”
