

Report

Agenda Date: 6/6/2018, **Item No.** 46

Oracle America, Inc.

For \$104,579.00 in additional payment authority to purchase a StorageTek SL150 device for the Information Technology Services Department. This device is necessary for continued citywide data storage and long-term retention to protect data for departments' business systems. The City has a master agreement with Oracle America, Inc. and this request is for additional funds for refresh of this equipment.
