

Traffic Signal Heads and LED Indications - Requirements Contract - IFB 18-164 (Ordinance S-44638)

Request to authorize the City Manager, or his designee, to enter into contracts with Dialight Corporation, General Traffic Equipment Corp., and Wesco Distribution, Inc., to purchase traffic signal heads and LED indications for the Street Transportation Department. Further request authorization for the City Controller to disburse all funds related to this item. The aggregate contract value will not exceed \$8,301,761.

Summary

These contracts will allow the Traffic Services Division to maintain the traffic signal infrastructure throughout the City, thereby supporting the safe movement of vehicular/non-vehicular traffic and pedestrians. The components are used at all intersections, as well as High Intensity Activated CrossWalk (HAWK) installations, school zone installations, and other warning devices throughout the signalized infrastructure.

Procurement Information

Invitation for Bid (IFB) 18-164 was conducted in accordance with Administrative Regulation 3.10. There were three offers received by the Procurement Division on Feb. 23, 2018. The following are the lowest-priced offers received.
