

**Confidential Background Investigations, doing business as CBI Security Services**

For \$21,000.00 in additional payment authority for Contract 134123 through Nov. 30, 2018 to continue to provide unarmed security guard services for the Fire Department. The services provide a visible security element to reassure the safety of City patrons and discourage harassment, and also to monitor for theft and property damage. Continuation of these services will allow the Fire Department to be included in an upcoming citywide solicitation for the same services, and eliminate issuing a separate contract for a single City department.
