**Western Towing of Phoenix, Inc. doing business as Western Towing**

For \$92,000.00 in additional payment authority for Contract 133856 for towing services for City-owned vehicles for the Public Works Department. A new towing services contract will begin July 1, 2018, but additional payment authority is needed to fund the current contract through June 30, 2018. These towing services are critical to maintaining public rights-of-way when there are accidents and mechanical problems with City-owned vehicles and equipment.
