

Sign Posting Services of Arizona, doing business as Looks Good Printing & Sign Services

For \$48,500.00 in additional payment authority for Contract 144723 to purchase replacement signs for the Planning and Development Department. The need for additional funds is due to the unanticipated need to replace a number of signs for the Historic Preservation section of the Planning and Development Department. There have been many complaints from citizens about the conditions of existing signs therefore they will need to be replaced sooner than planned.
